

## Assembly Bill No. 202

### CHAPTER 593

An act to amend Sections 12020 and 12020.5 of the Penal Code, relating to destructive devices.

[Approved by Governor September 30, 1997. Filed  
with Secretary of State September 30, 1997.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 202, Scott. Destructive devices.

(1) Existing law prohibits the manufacture, import, sale, gift, loan, or possession of various weapons and related products, including any explosive substance other than fixed ammunition.

This bill would include any metal military practice handgrenade or metal replica handgrenade in this prohibition. The bill also would make a first offense involving any metal military practice handgrenade or metal replica handgrenade an infraction unless the offender is an active participant in a criminal street gang. By expanding the scope of an existing crime, this bill would impose a state-mandated local program.

(2) Existing law prohibits advertising the sale of any specified weapon or device whose possession is prohibited.

This bill would include within this prohibition any destructive device, as defined, handgun ammunition designed primarily to penetrate metal or armor, boobytrap, or silencer.

(3) This bill would incorporate additional changes in Section 12020 of the Penal Code proposed by AB 78, to be operative if AB 78 and this bill are both enacted and become effective on or before January 1, 1998, and this bill is enacted last.

(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*
