SEC. 3. Section 16956 of the Corporations Code is amended to read:

16956. (a) At the time of registration pursuant to Section 16953, in the case of a registered limited liability partnership, and Section 16959, in the case of a foreign limited liability partnership, and at all times during which those partnerships shall transact intrastate business, every registered limited liability partnership and foreign limited liability partnership, as the case may be, shall be required to provide security for claims against it as follows:

(1) For claims based upon acts, errors, or omissions arising out of the practice of public accountancy, a registered limited liability partnership or foreign limited liability partnership providing accountancy services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Maintaining a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims in an amount for each claim of at least one hundred thousand dollars (\$100,000) multiplied by the number of licensed persons rendering professional services on behalf of the partnership; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with fewer than five licensed persons shall not be less than five hundred thousand dollars (\$500,000), and for all other partnerships is not required to exceed five million dollars (\$5,000,000) in any one designated period, less amounts paid in defending, settling, or discharging claims as set forth in this subparagraph. The policy or policies may be issued on a claims-made or occurrence basis, and shall cover: (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes of this subparagraph, “designated period” means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Maintaining in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims in an amount of at least one hundred thousand dollars (\$100,000) multiplied by the number of licensed persons rendering professional services on behalf of the partnership; however, the maximum amount of security for partnerships with fewer than five licensed persons shall not be less than five hundred thousand dollars (\$500,000), and for all other partnerships is not required to exceed five million dollars (\$5,000,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirements of this subparagraph.

(C) Unless the partnership has satisfied subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing accountancy services, by virtue of that person's status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the

withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding ten million dollars (\$10,000,000).

(2) For claims based upon acts, errors, or omissions arising out of the practice of law, a registered limited liability partnership or foreign limited liability partnership providing legal services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Each registered limited liability partnership or foreign limited liability partnership providing legal services shall maintain a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims in an amount for each claim of at least one hundred thousand dollars (\$100,000) multiplied by the number of licensed persons rendering professional services on behalf of the partnership; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with fewer than five licensed persons shall not be less than five hundred thousand dollars (\$500,000), and for all other partnerships is not required to exceed seven million five hundred thousand dollars (\$7,500,000) in any one designated period, less amounts paid in defending, settling, or discharging claims as set forth in this subparagraph. The policy or policies may be issued on a claims-made or occurrence basis, and shall cover (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes of this subparagraph, “designated period” means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision

in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Each registered limited liability partnership or foreign limited liability partnership providing legal services shall maintain in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims in an amount of at least one hundred thousand dollars (\$100,000) multiplied by the number of licensed persons rendering professional services on behalf of the partnership; however, the maximum amount of security for partnerships with fewer than five licensed persons shall not be less than five hundred thousand dollars (\$500,000), and for all other partnerships is not required to exceed seven million five hundred thousand dollars (\$7,500,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirement of this subparagraph.

(C) Unless the partnership has satisfied the requirements of subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing legal services, by virtue of that person's status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with the provisions of subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph

shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding fifteen million dollars (\$15,000,000).

(3) For claims based upon acts, errors, or omissions arising out of the practice of architecture, a registered limited liability partnership or foreign limited liability partnership providing architectural services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Maintaining a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims in an amount for each claim of at least one hundred thousand dollars (\$100,000) multiplied by the number of licensed persons rendering professional services on behalf of the partnership; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with fewer persons shall not be less than five hundred thousand dollars (\$500,000), and for all other partnerships is not required to exceed five million dollars (\$5,000,000) in any one designated period, less amounts paid in defending, settling, or discharging claims as set forth in this subparagraph. The policy or policies may be issued on a claims-made or occurrence basis, and shall cover: (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes of this subparagraph, “designated period” means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Maintaining in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims in an amount of at least one hundred thousand dollars (\$100,000) multiplied by the number of licensed persons rendering professional services on behalf of the partnership; however, the maximum amount of security for partnerships with fewer than five licensed persons shall not be less than five hundred thousand dollars (\$500,000), and for all other partnerships is not required to exceed five million dollars (\$5,000,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirements of this subparagraph.

(C) Unless the partnership has satisfied subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing architectural services, by virtue of that person's status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership,

it had a net worth equal to or exceeding ten million dollars (\$10,000,000).

(b) For purposes of satisfying the security requirements of this section, a registered limited liability partnership or foreign limited liability partnership may aggregate the security provided by it pursuant to subparagraphs (A), (B), (C), and (D) of paragraph (1) of subdivision (a), subparagraphs (A), (B), (C), and (D) of paragraph (2) of subdivision (a), or subparagraphs (A), (B), (C), and (D) of paragraph (3) of subdivision (a), as the case may be. Any registered limited liability partnership or foreign limited liability partnership intending to comply with the alternative security provisions set forth in subparagraph (D) of paragraph (1) of subdivision (a), subparagraph (D) of paragraph (2) of subdivision (a), or subparagraph (D) of paragraph (3) of subdivision (a) shall furnish the following information to the Secretary of State's office, in the manner prescribed in, and accompanied by all information required by, the applicable section:

SEC. 4. Section 16959 of the Corporations Code is amended to read:

16959. (a) (1) Before transacting intrastate business in this state, a foreign limited liability partnership shall comply with all statutory and administrative registration or filing requirements of the state board, commission, or agency that prescribes the rules and regulations governing a particular profession in which the partnership proposes to be engaged, pursuant to the applicable provisions of the Business and Professions Code relating to the profession or applicable rules adopted by the governing board. A foreign limited liability partnership that transacts intrastate business in this state shall within 30 days after the effective date of the act enacting this section or the date on which the foreign limited liability partnership first transacts intrastate business in this state, whichever is later, register with the Secretary of State by submitting to the Secretary of State an application for registration as a foreign limited liability partnership, signed by a person with authority to do so under the laws of the jurisdiction of formation of the foreign limited liability partnership, stating the name of the partnership, the address of its principal office, the name and address of its agent for service of process in this state, a brief statement of the business in which the partnership engages, and any other matters that the partnership determines to include.

(2) Annexed to the application for registration shall be a certificate from an authorized public official of the foreign limited liability partnership's jurisdiction of organization to the effect that the foreign limited liability partnership is in good standing in that jurisdiction, if the laws of that jurisdiction permit the issuance of those certificates, or, in the alternative, a statement by the foreign limited liability partnership that the laws of its jurisdiction of organization do not permit the issuance of those certificates.

(b) The registration shall be accompanied by a fee of seventy dollars (\$70).

(c) The Secretary of State shall register as a foreign limited liability partnership any partnership that submits a completed application for registration with the required fee.

(d) The Secretary of State may cancel the filing of the registration if a check or other remittance accepted in payment of the filing fee is not paid upon presentation. Upon receiving written notification that the item presented for payment has not been honored for payment, the Secretary of State shall give a first written notice of the applicability of this section to the agent for service of process or to the person submitting the instrument. Thereafter, if the amount has not been paid by cashier's check or equivalent, the Secretary of State shall give a second written notice of cancellation and the cancellation shall thereupon be effective. The second notice shall be given 20 days or more after the first notice and 90 days or less after the original filing.

(e) A partnership becomes registered as a foreign limited liability partnership at the time of the filing of the initial registration with the Secretary of State or at any later date or time specified in the registration and the payment of the fee required by subdivision (b). A partnership continues to be registered as a foreign limited liability partnership until a notice that it is no longer so registered as a limited liability partnership has been filed pursuant to Section 16960 or, if applicable, once it has been dissolved and finally wound up. The status of a partnership registered as a foreign limited liability partnership and the liability of a partner of that foreign limited liability partnership shall not be adversely affected by errors or subsequent changes in the information stated in an application for registration under subdivision (a) or an amended registration or notice under Section 16960.

(f) The fact that a registration or amended registration pursuant to Section 16960 is on file with the Secretary of State is notice that the partnership is a foreign limited liability partnership and of those other facts contained therein that are required to be set forth in the registration or amended registration.

(g) The Secretary of State shall provide a form for a registration under subdivision (a), which shall include the form for confirming compliance with the optional security requirement pursuant to subdivision (c) of Section 16956.

(h) A foreign limited liability partnership transacting intrastate business in this state shall not maintain any action, suit, or proceeding in any court of this state until it has registered in this state pursuant to this section.

(i) Any foreign limited liability partnership that transacts intrastate business in this state without registration is subject to a penalty of twenty dollars (\$20) for each day that unauthorized intrastate business is transacted, up to a maximum of ten thousand dollars (\$10,000).

(j) A partner of a foreign limited liability partnership is not liable for the debts or obligations of the foreign limited liability partnership solely by reason of its having transacted business in this state without registration.

(k) A foreign limited liability partnership, transacting business in this state without registration, appoints the Secretary of State as its agent for service of process with respect to causes of action arising out of the transaction of business in this state.

(l) “Transact intrastate business” as used in this section means to repeatedly and successively provide professional limited liability partnership services in this state, other than in interstate or foreign commerce.

(m) Without excluding other activities that may not be considered to be transacting intrastate business, a foreign limited liability partnership shall not be considered to be transacting intrastate business merely because its subsidiary or affiliate transacts intrastate business, or merely because of its status as any one or more of the following:

(1) A shareholder of a domestic corporation.

(2) A shareholder of a foreign corporation transacting intrastate business.

(3) A limited partner of a foreign limited partnership transacting intrastate business.

(4) A limited partner of a domestic limited partnership.

(5) A member or manager of a foreign limited liability company transacting intrastate business.

(6) A member or manager of a domestic limited liability company.

(n) Without excluding other activities that may not be considered to be transacting intrastate business, a foreign limited liability partnership shall not be considered to be transacting intrastate business within the meaning of this subdivision solely by reason of carrying on in this state any one or more of the following activities:

(1) Maintaining or defending any action or suit or any administrative or arbitration proceeding, or effecting the settlement thereof or the settlement of claims or disputes.

(2) Holding meetings of its partners or carrying on any other activities concerning its internal affairs.

(3) Maintaining bank accounts.

(4) Maintaining offices or agencies for the transfer, exchange, and registration of the foreign limited liability partnership’s securities or maintaining trustees or depositories with respect to those securities.

(5) Effecting sales through independent contractors.

(6) Soliciting or procuring orders, whether by mail or through employees or agents or otherwise, where those orders require acceptance without this state before becoming binding contracts.

(7) Creating or acquiring evidences of debt or mortgages, liens, or security interest in real or personal property.

(8) Securing or collecting debts or enforcing mortgages and security interests in property securing the debts.

(9) Conducting an isolated transaction that is completed within 180 days and not in the course of a number of repeated transactions of a like nature.

(o) A person shall not be deemed to be transacting intrastate business in this state merely because of its status as a partner of a registered limited liability partnership or a foreign limited liability company whether or not registered to transact intrastate business in this state.

(p) The Attorney General may bring an action to restrain a foreign limited liability partnership from transacting intrastate business in this state in violation of this chapter.

(q) Nothing in this section is intended to, or shall, augment, diminish, or otherwise alter existing provisions of law, statutes, or court rules relating to services by a California architect, California public accountant, or California attorney in another jurisdiction, or services by an out-of-state architect, out-of-state public accountant, or out-of-state attorney in California.

SEC. 5. The authorization in this act for registered limited liability partnerships and foreign limited liability partnerships to engage in the practice of architecture shall terminate on January 1, 2002.
