

Assembly Bill No. 1065

CHAPTER 844

An act to amend Sections 11167.5 and 11170 of the Penal Code, relating to child abuse.

[Approved by Governor October 9, 1997. Filed
with Secretary of State October 10, 1997.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1065, Goldsmith. Child abuse reports: dependent children.

(1) Existing law, the Child Abuse and Neglect Reporting Act, requires the Department of Justice to maintain an index of all reports of child abuse, and requires the department to notify a child protective agency that submits a report of known or suspected child abuse of any information maintained in the index that is relevant to that report of abuse. Under existing law, the reports of child abuse and the information contained in them are confidential, and unauthorized disclosure is a misdemeanor.

This bill would expand the list of agencies and persons to whom reports of suspected child abuse and information contained in them may be disclosed. This bill would include in that list child protective agencies responsible for making placements and persons who have been identified by the Department of Justice as listed in the Child Abuse Central Index, pursuant to a request by a child protective agency responsible for making placements.

This bill would also require the department to make available to any child protective agency responsible for placing dependent children, upon request, relevant information concerning child abuse reports contained in the index, as specified. This bill would also require that upon receipt of this information, the child protective agency shall provide written notice to the person identified by the department, by notifying that person of the fact that he or she is in the index. By imposing new duties on child protective agencies and expanding the scope of an existing crime, this bill would impose a state-mandated local program.

(2) The Child Abuse and Neglect Reporting Act also authorizes the department to charge the person or entity making the request a fee whenever information contained in these files is furnished to the State Department of Social Services as the result of certain applications for employment or licensing, and requires that all moneys received for this purpose be deposited in the Department of Justice Sexual Habitual Offender Fund, for expenditure to offset various costs.

This bill would require that all moneys received under this provision to process trustline applications for purposes of provisions contained in AB 753 relating to child care provider registration be deposited in a special account in the General Fund created by this bill, named the Department of Justice Child Abuse Fund. The moneys in this fund would be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process trustline applications.

(3) This bill would incorporate additional changes in Sections 11167.5 and 11170 of the Penal Code proposed by SB 644, to become operative if SB 644 and this bill are both enacted and become effective on or before January 1, 1998, and this bill is enacted last.

(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

The people of the State of California do enact as follows:

The notification shall include the location of the original investigative report and the submitting agency. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

If Child Abuse Central Index information is requested by a child protective agency for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

SEC. 2.5. Section 11170 of the Penal Code is amended to read:

11170. (a) (1) The Department of Justice shall maintain an index of all reports of child abuse submitted pursuant to Section 11169. The department shall be responsible for ensuring that the Child Abuse Central Index accurately reflects the report it receives from the submitting agency.

(3) Information from an inconclusive or unsubstantiated report filed pursuant to subdivision (a) of Section 11169 shall be deleted

from the Child Abuse Central Index after 10 years if no subsequent report concerning the same suspected child abuser is received within that time period. If a subsequent report is received within that 10-year period, information from any prior report, as well as any subsequently filed report, shall be maintained on the Child Abuse Central Index for a period of 10 years from the time the most recent report is received by the department.

(3) The department shall make available to the State Department of Social Services or to any county licensing agency that has contracted with the state for the performance of licensing duties information regarding a known or suspected child abuser maintained pursuant to this section and subdivision (a) of Section 11169 concerning any person who is an applicant for licensure or any adult who resides or is employed in the home of an applicant for licensure or who is an applicant for employment in a position having supervisory or disciplinary power over a child or children, or who will provide 24-hour care for a child or children in a residential home or facility, pursuant to Section 1522.1 or 1596.877 of the Health and Safety Code, or Section 8714, 8802, 8912, or 9000 of the Family Code.

(4) For purposes of child death review, the Department of Justice shall make available to the chairperson, or the chairperson's designee, for each county child death review team, or the State Child Death Review Council, information maintained in the Child Abuse Central Index pursuant to subdivision (a) of Section 11170 relating to the death of one or more children and any prior child abuse investigation reports maintained involving the same victims, siblings, or suspects. Upon receipt of relevant information concerning child abuse investigation reports contained in the index from the Department of Justice pursuant to this subdivision, the child protective agency or court investigator shall notify, in writing, the person listed in the Child Abuse Central Index that he or she is in the index. The notification shall include the name of the reporting agency and the date of the report.

(6) (A) Persons or agencies, as specified in subdivision (b), if investigating a case of known or suspected child abuse, or the State Department of Social Services or any county licensing agency pursuant to paragraph (3), or a child protective agency or court investigator responsible for placing children or assessing the possible placement of children pursuant to paragraph (5), to whom disclosure of any information maintained pursuant to subdivision (a) is authorized, are responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions regarding the quality of the evidence disclosed, and its sufficiency for making decisions regarding investigation, prosecution, licensing, or placement of a child.

(B) If Child Abuse Central Index information is requested by a child protective agency for the temporary placement of a child in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(7) (A) Whenever information contained in the Department of Justice files is furnished as the result of an application for employment or licensing pursuant to paragraph (3), the Department of Justice may charge the person or entity making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to

exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this section to process trustline applications for purposes of Chapter 3.35 (commencing with Section 1596.60) of Division 2 of the Health and Safety Code shall be deposited in a special account in the General Fund that is hereby established and named the Department of Justice Child Abuse Fund. (C) All moneys, other than that described in subparagraph (B), received by the department pursuant to this paragraph shall be deposited in a special account in the General Fund which is hereby created and named the Department of Justice Sexual Habitual Offender Fund. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

If Child Abuse Central Index information is requested by a child protective agency for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance

would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(d) The department shall make available any information maintained pursuant to Section 11169 to out-of-state law enforcement agencies conducting investigations of known or suspected child abuse only when an agency makes the request for information in writing and on official letterhead, identifying the suspected abuser or victim by name. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written requests shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the criminal penalties for unlawful disclosure of any confidential information provided by the requesting state or the applicable interstate compact provision. In the absence of a specified out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and criminal penalties equivalent to the penalties in California for unlawful disclosure, access shall be denied.

If the statewide cost of the claim for reimbursement does not exceed one million dollars (\$1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.
