CALIFORNIA LEGISLATURE—1997–98 REGULAR SESSION

ASSEMBLY BILL

No. 1635

Introduced by Assembly Member Migden

January 5, 1998

An act to add Chapter 13.6 (commencing with Section 25989.1) to Division 20 of the Health and Safety Code, relating to performing animals.

LEGISLATIVE COUNSEL'S DIGEST

AB 1635, as amended, Migden. Performing animals.

(1) Existing law proscribes the abandonment, neglect, or abuse of animals and imposes specified duties upon animal control officers.

This bill would require a traveling circus or carnival that performs in California, to notify each entity that provides animal control services for a city, county, or city and county in which the traveling circus or carnival intends to perform,

of its intent to perform within that jurisdiction, as specified, and to provide that entity with a schedule of its performances in this state. The bill would make it a misdemeanor to violate either of these provisions, punishable by a fine of not less than \$500 *and not more than \$2,500* for a first violation, and for a 2nd or subsequent violation, by a fine of not less than \$1,500 *and not more than \$5,000*. By creating a new crime, this bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares that
2 this act addresses a matter of critical importance and
3 concern with respect to protecting the public health and
4 safety, as well as ensuring the humane treatment of, wild
5 or domestic animals used in commercial enterprises.

6 SEC. 2. Chapter 13.6 (commencing with Section
7 25989.1) is added to Division 20 of the Health and Safety
