CHAPTER ____

An act to amend Section 19533.5 of the Business and Professions Code, relating to horseracing.

LEGISLATIVE COUNSEL'S DIGEST

SB 127, Ayala. Horseracing.

Existing law provides, with certain exceptions, that a license granted to an association other than a fair shall be only for one type of horseracing.

This bill would permit an association licensed to conduct quarter horse racing or a fair to conduct races that include paint racing and Appaloosa racing in the same race. The bill would require the consent of the organization representing quarter horse horsemen and horsewomen when paint horses race with quarter horses or when a race that includes paint horses replaces a quarter horse race with more than 7 entries.

The people of the State of California do enact as follows:

SECTION 1. Section 19533.5 of the Business and Professions Code is amended to read:

19533.5. (a) Notwithstanding Section 19533, the board may authorize the following mixed breed racing:

(1) An association licensed to conduct a quarter horse meeting to include Appaloosa races and Arabian races with the consent of the quarter horse horsemen's organization contracting with the association with respect to the conduct of the racing meeting.

(2) A race between a quarter horse and a thoroughbred horse at a thoroughbred meeting with the consent of the thoroughbred horsemen's organization contracting with the association with respect to the conduct of the racing meeting.

(b) Notwithstanding Section 19533, an association licensed to conduct quarter horse racing or a fair may conduct races that include paint horses racing with quarter horses or Appaloosa horses in the same race.

When paint horses race with quarter horses, the consent of the organization that represents quarter horse horsemen and horsewomen shall first be obtained.

(c) A quarter horse race with seven or more entries shall not be replaced by a race that includes paint horses, without the consent of the organization that represents quarter horse horsemen and horsewomen.
