SENATE BILL

No. 143

Introduced by Senator Kopp

January 13, 1997

An act to amend Sections 6252 and 6258 of, to amend and renumber Section 6253 of, to add Sections 6252.5 and 6253 to, to add a heading as Article 1 (commencing with Section 6250) to Chapter 3.5 of, to add Article 2 (commencing with Section 6275) to Chapter 3.5 of, Division 7 of Title 1 of, and to repeal Sections 6253.1, 6256, 6256.1, 6256.2, and 6257 of, the Government Code, relating to records.

LEGISLATIVE COUNSEL'S DIGEST

SB 143, as amended, Kopp. Records.

(1) Existing provisions of the California Public Records Act require each state and local agency, as defined, to make its records open to public inspection at all times during office hours, except as specifically exempted from disclosure by law. The act also defines the terms "writing," "person," and "member of the public."

This bill would revise the definitions of local agency and "writing" and would define "public agency." The bill would also provide for public inspection of public records and copying in all forms, as specified. The bill would further

require public agencies to ensure that systems used to collect and hold public records be designed to ensure ease of public access.

This bill would expressly state that notwithstanding the definition of “member of the public,” an elected member or officer of any state or local agency is entitled to access to public records of that agency on the same basis as any other person and would state that it is declaratory of existing law.

This bill would incorporate changes made to the California Public Records Act by the Governor’s Reorganization Plan of 1991, including adding the Department of Toxic Substances Control and the Office of Environmental Health Hazard Assessment to the list of state and local bodies that are required to establish written guidelines for accessibility of records.

(2) Existing law provides that the California Public Records Act shall not be construed to require disclosure of records, the disclosure of which is exempted or prohibited by provisions of federal or state law.

This bill would list specific provisions of law coming within that exemption.

By requiring a higher level of service of local agencies in administering the California Public Records Act, this bill would impose a state-mandated local program.

(3) Under the act, any person is authorized to institute proceedings for injunctive or declaratory relief or writ of mandate to enforce that person’s right to inspect or to receive a copy of any public record or class of public records.

This bill would limit this authorization to apply for judicial relief under the act to persons who submitted a written request for a public record and that request was denied.

(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates which do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that this bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to those statutory procedures and, if the statewide cost does not exceed \$1,000,000, shall be made from the State Mandates Claims Fund.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. A heading as Article 1 (commencing
2 with Section 6250) is added to Chapter 3.5 of Division 7

4 SEC. 5. Section 6253 is added to the Government
5 Code, to read:

6 6253. (a) Public records are open to inspection at all
7 times during the office hours of the state or local agency
8 and every person has a right to inspect any public record,
9 except as hereafter provided. Any reasonably segregable
10 portion of a record shall be available for inspection by any
11 person requesting the record after deletion of the
12 portions that are exempted by law.

13 (b) Except with respect to public records exempt
14 from disclosure by express provisions of law, each state or
15 local agency, upon a request for a copy of records that
16 reasonably describes an identifiable record or records,
17 shall make the records promptly available to any person,
18 upon payment of fees covering direct costs of duplication,
19 or a statutory fee, if applicable. Upon request, an exact
20 copy shall be provided unless impracticable to do so.

21 ~~Agencies shall provide a copy of an electronic record in~~
22 ~~the form requested, unless, in light of surrounding~~
23 ~~circumstances, it is not reasonable to do so, provided that~~
24 ~~the requested form is one which is used by the agency.~~
25 ~~Electronic copies of records shall be made promptly~~
26 ~~available upon payment of fees as follows:~~

27 ~~(1) Except when the records are requested for a~~
28 ~~commercial purpose, electronic copies of records shall be~~
29 ~~made available upon payment of fees representing the~~
30 ~~direct cost of duplication or a statutory fee. For purposes~~
31 ~~of this section, "commercial purpose" means any use that~~
32 ~~furtheres the commercial, trade, or profit interests of the~~
33 ~~requester or person on whose behalf the request is made.~~
34 ~~Commercial purpose does not include the following:~~

37 ~~Title 26 of the United States Code, so long as the~~

40 ~~tax under state or federal law.~~

~~(B) A request made by a person who, through contract or employment, is a publisher, editor, or reporter with a news gathering organization and makes the request in that capacity and use is limited to a news gathering purpose.~~

~~Except as authorized by this subdivision, no other fees may be charged for copies of records required to be disclosed pursuant to this article.~~

~~Nothing in this subdivision pertaining to information maintained in electronic form expands, modifies, or limits any requirement, exemption, or other provision contained elsewhere in this chapter. Computer data shall be provided in a form determined by the agency.~~

(c) Each agency, upon a request for a copy of records shall, within 10 days from receipt of the request, determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the agency and shall promptly notify the person making the request of the determination and the reasons therefor. In unusual circumstances, the time limit prescribed in this section may be extended by written notice by the head of the agency or his or her designee to the person making the request setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. No notice shall specify a date that would result in an extension for more than 14 days. As used in this section, “unusual circumstances” means, but only to the extent reasonably necessary to the proper processing of the particular request:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.

1 (2) The need to search for, collect, and appropriately
2 examine a voluminous amount of separate and distinct
3 records which are demanded in a single request.

4 (3) The need for consultation, which shall be
5 conducted with all practicable speed, with another
6 agency having substantial interest in the determination
7 of the request or among two or more components of the
8 agency having substantial subject matter interest therein.

9 (d) Nothing in this chapter shall be construed to
10 permit an agency to obstruct the inspection or copying of
11 public records. Any notification of denial of any request
12 for records shall set forth the names and titles or positions
13 of each person responsible for the denial.

14 (e) Except as otherwise prohibited by law, a state or
15 local agency may adopt requirements for itself that allow
16 for faster, more efficient, or greater access to records than
17 prescribed by the minimum standards set forth in this
18 chapter.

35 Section 6253 may institute proceedings for injunctive or
36 declarative relief or writ of mandate in any court of
37 competent jurisdiction to enforce his or her right to
38 inspect or to receive a copy of that public record or class
39 of public records under this chapter. The times for
