LEGISLATIVE COUNSEL'S DIGEST

SB 227, as amended, Solis. Community colleges: officers and employees.

Existing law permits members of the Public Employees' Retirement System and the State Teachers' Retirement System who are subsequently employed in a position requiring membership in the other system to, upon an election made within 60 days in writing, remain in their initial retirement system.

This bill would permit certain State Teachers' Retirement System and Public Employees' Retirement System members subsequently employed by specified state agencies in

positions that would require the individual to become a member of a different retirement system, to elect coverage in either system within 60 days, in writing. The bill would require the Public Employees' Retirement System to transfer assets to the State Teachers' Retirement System when a member elects to become a member of the State Teachers' Retirement System.

The bill would also permit the Board of Governors of the California Community Colleges and a community college district or publicly funded community college organization to enter into an agreement for the loan or assignment of an employee to or from the chancellor's office, in accordance with specified conditions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
