## CHAPTER \_\_\_\_

An act to amend Sections 22509, 22801, and 22803 of, and to add Section 22508.5 to, the Education Code, and to add Section 20309 to the Government Code, relating to community colleges.

## LEGISLATIVE COUNSEL'S DIGEST

SB 227, Solis. Community colleges: officers and employees.

Existing law permits members of the Public Employees' Retirement System and the State Teachers' Retirement System who are subsequently employed in a position requiring membership in the other system to, upon an election made within 60 days in writing, remain in their initial retirement system.

This bill would permit certain State Teachers' Retirement System and Public Employees' Retirement System members subsequently employed by specified state agencies in positions that would require the individual to become a member of a different retirement system, to elect coverage in either system within 60 days, in writing. The bill would require the Public Employees' Retirement System to transfer assets to the State Teachers' Retirement System when a member elects to become a member of the State Teachers' Retirement System.

*The people of the State of California do enact as follows:*

SECTION 1. Section 22508.5 is added to the Education Code, to read:

22508.5. (a) Any person who is a member of the State Teachers' Retirement System employed by a community college district who subsequently is employed by the Board of Governors of the California Community Colleges to perform duties that require membership in a different public retirement system, shall be excluded from membership in that different system if he or she

elects, in writing, and files that election in the office of the State Teachers' Retirement System within 60 days after the person's entry into the new position, to continue as a member of the State Teachers' Retirement System. Only a person who has achieved plan vesting is eligible to elect to continue as a member of the State Teachers' Retirement System.

(b) A member of the Public Employees' Retirement System who is employed by the Board of Governors of the California Community Colleges who subsequently is employed by a community college district to perform creditable service subject to coverage by this plan, may elect to have that service subject to coverage by the Public Employees' Retirement System and excluded from coverage by this plan pursuant to Section 20309 of the Government Code.

(c) This section shall apply to changes in employment effective on or after January 1, 1998.

SEC. 2. Section 22509 of the Education Code is amended to read:

22509. (a) Within 10 working days of the date of hire of an employee who has the right to make an election pursuant to Section 22508 or 22508.5, the employer shall inform the employee of the right to make an election and shall make available to the employee written information provided by each retirement system concerning the benefits provided under that retirement system to assist the employee in making an election.

(b) Any election made pursuant to subdivision (a) of Section 22508 or subdivision (a) of Section 22508.5 shall be filed with the office of the State Teachers' Retirement System and a copy of the election shall be filed with the other public retirement system. Any election made pursuant to subdivision (b) of Section 22508 or subdivision (b) of Section 22508.5 shall be filed with the office of the Public Employees' Retirement System and a copy of the election shall be filed with the office of this system.

(c) Any election made pursuant to Section 22508 or Section 22508.5 shall become effective as of the first day

of employment in the position that qualified the employee to make an election.
