February 8, 1999

An act to amend Sections 12070, 12071, and 12071.1 of the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

AB 295, as amended, Corbett. Firearms: gun show promoters.

(1) Existing law provides for the regulation of gun shows or events, and requires that no person shall produce, sponsor, operate, or otherwise organize a gun show or event unless that person possesses a valid certificate of eligibility from the Department of Justice. Existing law requires gun show promoters to make a complete and accurate list of all persons and entities that have leased or rented tables or space at the gun show or event, and to provide local law enforcement with this list upon request no later than 24 hours prior to the

commencement of the gun show or event, or thereafter upon request as specified. Existing law provides that the Department of Justice shall adopt regulations to administer this certification program and shall recover the costs of the program in fees assessed on applicants for certificates. Existing law also provides that a knowing violation of these provisions shall be a misdemeanor and shall make the violator ineligible for a certificate for one year from the date of the violation or conviction, whichever is later.

This bill would expand these provisions to create a gun show promoter licensing program administered by the department, and would provide that no person shall produce, promote, sponsor, operate, or otherwise organize a gun show or event without a gun show promoter license, which would be valid for up to 2 years. ~~The~~ *Under the bill would require, gun show promoters would be required to provide the list of persons or entities that have leased or rented tables or space at gun shows to local law enforcement no later than 15 days prior to the gun show rather than 30 days. The bill would also require licensees to submit, no later than—30 15 days in advance of the event, written security plans to local law enforcement for approval, upon which the local law enforcement agency of the Department of Justice would be required to provide policing services, except as specified. The bill would permit local law enforcement to request, and require the promoter to provide upon request, specified documents for applicable individuals including specified licenses and permits.* The bill would provide that approval of the security plan would not be a basis for imposing liability of the local law enforcement agency or local government entity. This bill would make the promoter of a gun show or event responsible for informing prospective gun show vendors of statutory requirements surrounding the control of deadly weapons, and for ensuring that all vendors and their employees have obtained a dealer's license or any other permit, license, or certificate required by federal, state, or local law. The bill would provide that if a vendor fails to cooperate with a promoter or fails to comply with these requirements, that vendor shall not be allowed to participate in that show or event, and if a promoter fails to provide this

information to, or fails to ensure the ultimate compliance of, a vendor, the gun show or event shall be closed down until these requirements are met. The bill would also require the Department of Justice to provide special training for officers on the applicable federal, state, and local laws impacting firearm sales at gun show or events. *The bill would provide that a minor may not attend a gun show or event unless accompanied by a parent or legal guardian.* A violation of these provisions would be a misdemeanor punishable by a fine not exceeding \$2,000, *as specified*, and would render a promoter ineligible for a gun show promoter license for 2 years from the date of the violation. Because this bill would expand the scope of an existing crime, and would impose new duties on local law enforcement agencies, it would impose a state-mandated local program.

(2) Existing law provides that no person shall sell, lease, or transfer firearms unless he or she has been issued a specified license, but exempts from this requirement the infrequent sale, lease, or transfer of firearms. Existing law provides that in the context of pistols, revolvers, and other firearms capable of being concealed upon the person, “infrequent” means less than 6 transactions per calendar year, and that “transaction” means a single sale, lease, or transfer of any number of pistols, revolvers, or other firearms capable of being concealed upon the person.

This bill would provide that “transaction” in this context instead means, as to the sale or other transfer of title of concealable firearms, each firearm sold or whose title is otherwise transferred, shall be considered a separate transaction and, as to leases of concealable firearms, any lease at one time of any number of these firearms shall be considered one transaction.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for specified reasons.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:
