CALIFORNIA LEGISLATURE—1999–2000 REGULAR SESSION

ASSEMBLY BILL

No. 500

**Introduced by Assembly Members Corbett, Aroner, and
Bock**

February 18, 1999

An act to add Section ~~35655.5~~ 35723 to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 500, as amended, Corbett. Vehicles: maximum weight limit: I-580.

(1) Existing law authorizes the Department of Transportation to declare and fix a weight limit for a highway under its jurisdiction that is less than the maximum weight limits otherwise authorized under the Vehicle Code, upon determining that the highway will not sustain those maximum weights and, after conducting a public hearing on the issue, determining the maximum weight that the highway will sustain. The department is prohibited from establishing a maximum weight limit that is less than 16,000 pounds.

This bill, notwithstanding existing law, would ~~prohibit any person from driving a vehicle~~ *provide that a maximum gross truck weight limit of 9,000 pounds shall be imposed on the segment of Interstate Highway Route 580 (I-580) that is located between Grand Avenue in the City of Oakland and the ~~intersection with Interstate Highway Route 238 (I-238)~~ when the weight of the vehicle and load is 9,000 pounds or more, other than passenger buses or paratransit city limits of the City of San Leandro, except for specified vehicles.* Because a violation of this prohibition ~~would~~ *could* be an infraction under other provisions of existing law, the bill would impose a state-mandated local program by creating a new infraction.

The bill would require the Department of Transportation to erect suitable signs at each end of the specified portion of highway and at any other points that the department deems necessary to give adequate notice of the specified weight limit.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 ~~SECTION 1. Section 35655.5 is added to the Vehicle~~
 2 ~~Code, to read:~~
 3 ~~35655.5. Notwithstanding this article or any other~~
 4 ~~provision of law, no person may drive a vehicle on the~~
 5 ~~segment of Interstate Highway Route 580 (I-580) that is~~
 6 ~~located between Grand Avenue in the City of Oakland~~
 7 ~~and the intersection with Interstate Highway Route 238~~
 8 ~~(I-238) when the weight of the vehicle and load is 9,000~~
 9 ~~pounds or more, other than passenger buses or~~
 10 ~~paratransit vehicles.~~

1 SECTION 1. Section 35723 is added to the Vehicle
2 Code, to read:

3 35723. (a) A maximum gross truck weight limit of
4 9,000 pounds shall be imposed on the segment of
5 Interstate Route 580 (I-580) that is located between
6 Grand Avenue in the City of Oakland and the city limits
7 of the City of San Leandro. This subdivision does not
8 apply to pickup trucks or to vehicles used exclusively for
9 the collection and transportation of garbage, rubbish, or
10 refuse.

11 (b) The Department of Transportation shall erect
12 suitable signs at each end of the portion of highway
13 described in subdivision (a) and at any other points that
14 the department deems necessary to give adequate notice
15 of the weight limit imposed under this section.

16 SEC. 2. No reimbursement is required by this act
17 pursuant to Section 6 of Article XIII B of the California
18 Constitution because the only costs that may be incurred
19 by a local agency or school district will be incurred
20 because this act creates a new crime or infraction,
21 eliminates a crime or infraction, or changes the penalty
22 for a crime or infraction, within the meaning of Section
23 17556 of the Government Code, or changes the definition
24 of a crime within the meaning of Section 6 of Article
25 XIII B of the California Constitution.
