LEGISLATIVE COUNSEL'S DIGEST

AB 1241, Rod Pacheco. Crime prevention: child abuse reporting.

(1) Existing law establishes the Child Abuse and Neglect Reporting Act (CANRA), which requires specified persons who have knowledge of or observe a child in their professional capacity or within the scope of their employment, whom the person knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency, as defined. While the definition of child abuse includes specified forms of child abuse and neglect, the provisions of CANRA refer only to child abuse.

This bill would reorganize and recast the list of specified persons who are required to report as described above and designate those persons as mandated reporters, as defined. The bill would also reorganize other provisions of CANRA that reference those persons required to report, as specified. In addition, the bill would amend the provisions of CANRA to apply to child abuse and neglect.

(2) Existing law under CANRA defines “child abuse” to mean specified forms of abuse and neglect including a physical injury that is inflicted by other than accidental means on a child by another person.

This bill would recast the terms “child abuse” and “child abuse or neglect.”

(3) Existing law under CANRA defines a child protective agency as a police or sheriff's department, a county probation department, or a county welfare department, and requires that reports of suspected child abuse or neglect be made to those agencies.

This bill would delete the term "child protective agency" from the definitional and functional provisions of the act and would specify the designated agencies authorized to receive reports of child abuse and neglect. The bill would also require any of those agencies to accept a report of suspected child abuse or neglect whether made by a mandated reporter or another person, or a referral from another agency, even if the agency to whom the report is made lacks jurisdiction to investigate the case, unless that agency immediately transfers the call to the appropriate agency as specified. By increasing the duties of local officials, this bill would impose a state-mandated local program.

(4) Existing law under CANRA imposes mandatory child abuse reporting duties on firefighters, animal control officers, and humane society officers, but exempts those individuals from those reporting requirements if that individual has not received specified training in the identification and reporting of child abuse.

This bill would delete that exemption.

(5) Existing law under CANRA requires any person in a specified category designated as a mandated reporter, who has knowledge of or observes a child, in his or her professional capacity or within the scope of his or her employment, whom he or she knows or reasonably suspects has been the victim of child abuse, to report the known or suspected instance of child abuse to a child protective agency as specified. The CANRA specifies that the pregnancy of a minor does not, in and of itself, constitute a basis of reasonable suspicion of abuse. The CANRA also authorizes the specified mandated reporters to report a known or suspected instance of child abuse to a child protective agency when he or she has knowledge of or reasonably suspects that mental suffering has been

inflicted on a child or that the child's emotional well-being is endangered.

This bill would recast these provisions by requiring that a mandated reporter make a report to a specified agency whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom that reporter knows or reasonably suspects has been the victim of child abuse or neglect.

(6) Existing law under CANRA requires that a telephone report of a known or suspected instance of child abuse include specified information regarding the caller, the child, and the abuse.

This bill would recast this provision and specify additional information to be included in the report while requiring the report to be made, even if the information is incomplete.

(7) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 11164 of the Penal Code is amended to read:

When an agency takes a report about a case of suspected child abuse or neglect in which that agency lacks jurisdiction, the agency shall immediately refer the case by telephone, fax, or electronic transmission to an agency with proper jurisdiction.

SEC. 9. Section 11165.10 of the Penal Code is repealed.

11165.12. As used in this article, the following definitions shall control:

(c) "Inconclusive report" means a report which is determined by the investigator who conducted the

investigation not to be unfounded, but in which the findings are inconclusive and there is insufficient evidence to determine whether child abuse or neglect, as defined in Section 11165.6, has occurred.

SEC. 11. Section 11165.13 of the Penal Code is amended to read:

11165.13. For purposes of this article, a positive toxicology screen at the time of the delivery of an infant is not in and of itself a sufficient basis for reporting child abuse or neglect. However, any indication of maternal substance abuse shall lead to an assessment of the needs of the mother and child pursuant to Section 123605 of the Health and Safety Code. If other factors are present that indicate risk to a child, then a report shall be made. However, a report based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse shall be made only to a county welfare or probation department, and not to a law enforcement agency.

SEC. 12. Section 11165.14 of the Penal Code is amended to read:

11165.14. The appropriate local law enforcement agency shall investigate a child abuse complaint filed by a parent or guardian of a pupil with a school or an agency specified in Section 11165.9 against a school employee or other person that commits an act of child abuse, as defined in this article, against a pupil at a schoolsite and shall transmit a substantiated report, as defined in Section 11165.12, of that investigation to the governing board of the appropriate school district or county office of education. A substantiated report received by a governing board of a school district or county office of education shall be subject to the provisions of Section 44031 of the Education Code.

SEC. 14. Section 11165.16 of the Penal Code is repealed.

SEC. 15. Section 11165.17 of the Penal Code is repealed.

SEC. 16. Section 11166 of the Penal Code is amended to read:

11166. (a) Except as provided in subdivision (c), a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make a report to the agency immediately or as soon as is practicably possible by telephone, and the mandated reporter shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

(1) For the purposes of this article, “reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. For the purpose of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that fine and punishment.

(c) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, “penitential

communication” means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member’s duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(d) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, or slide depicting a child under the age of 16 years engaged in an act of sexual conduct, shall report the instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately, or as soon as practically possible, by telephone, and shall prepare and send a written report of it with a copy of the film, photograph, videotape, negative, or slide attached within 36 hours of receiving the information concerning the incident. As used in this subdivision, “sexual conduct” means any of the following:

(1) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

(2) Penetration of the vagina or rectum by any object.

(3) Masturbation for the purpose of sexual stimulation of the viewer.

(4) Sadoomasochistic abuse for the purpose of sexual stimulation of the viewer.

(5) Exhibition of the genitals, pubic, or rectal areas of any person for the purpose of sexual stimulation of the viewer.

(e) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9.

(f) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(g) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(h) A county probation or welfare department shall immediately, or as soon as practically possible, report by telephone, fax, or electronically transmit to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in

Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it is required to make a telephone report under this subdivision. For the purposes of this subdivision, a fax or electronic transmission shall be deemed to be a written report.

(i) A law enforcement agency shall immediately, or as soon as practically possible, report by telephone to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it is required to make a telephone report under this subdivision.

SEC. 17. Section 11166.1 of the Penal Code is amended to read:

11166.1. (a) When an agency receives a report pursuant to Section 11166 that contains either of the following, it shall, within 24 hours, notify the licensing office with jurisdiction over the facility:

(1) A report of abuse alleged to have occurred in facilities licensed to care for children by the State Department of Social Services.

(2) A report of the death of a child who was, at the time of death, living at, enrolled in, or regularly attending a facility licensed to care for children by the State Department of Social Services, unless the circumstances of the child's death are clearly unrelated to the child's care at the facility.

The agency shall send the licensing agency a copy of its investigation and any other pertinent materials.

(b) Any employee of an agency specified in Section 11165.9 who has knowledge of, or observes in his or her professional capacity or within the scope of his or her employment, a child in protective custody whom he or she knows or reasonably suspects has been the victim of child abuse or neglect shall, within 36 hours, send or have sent to the attorney who represents the child in dependency court, a copy of the report prepared in accordance with Section 11166. The agency shall maintain a copy of the written report. All information requested by the attorney for the child or the child's guardian ad litem shall be provided by the agency within 30 days of the request.

SEC. 18. Section 11166.2 of the Penal Code is amended to read:

11166.2. In addition to the reports required under Section 11166, any agency specified in Section 11165.9 shall immediately or as soon as practically possible report by telephone to the appropriate licensing agency every known or suspected instance of child abuse or neglect when the instance of abuse or neglect occurs while the child is being cared for in a child day care facility, involves a child day care licensed staff person, or occurs while the child is under the supervision of a community care facility or involves a community care facility licensee or staff

person. The agency shall also send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it is required to make a telephone report under this subdivision. The agency shall send the licensing agency a copy of its investigation report and any other pertinent materials.

SEC. 19. Section 11166.3 of the Penal Code is amended to read:

11166.3. (a) The Legislature intends that in each county the law enforcement agencies and the county welfare or probation department shall develop and implement cooperative arrangements in order to coordinate existing duties in connection with the investigation of suspected child abuse or neglect cases. The local law enforcement agency having jurisdiction over a case reported under Section 11166 shall report to the county welfare or probation department that it is investigating the case within 36 hours after starting its investigation. The county welfare department or probation department shall, in cases where a minor is a victim of actions specified in Section 288 of this code and a petition has been filed pursuant to Section 300 of the Welfare and Institutions Code with regard to the minor, evaluate what action or actions would be in the best interest of the child victim. Notwithstanding any other provision of law, the county welfare department or probation department shall submit in writing its findings and the reasons therefor to the district attorney on or before the completion of the investigation. The written findings and the reasons therefor shall be delivered or made accessible to the defendant or his or her counsel in the manner specified in Section 859.

(b) The local law enforcement agency having jurisdiction over a case reported under Section 11166 shall report to the district office of the State Department of Social Services any case reported under this section if the case involves a facility specified in paragraph (5) or (6) of Section 1502 or in Section 1596.750 or 1596.76 of the Health and Safety Code and the licensing of the facility

has not been delegated to a county agency. The law enforcement agency shall send a copy of its investigation report and any other pertinent materials to the licensing agency upon the request of the licensing agency.

SEC. 20. Section 11166.5 of the Penal Code is amended to read:

11166.5. (a) On and after January 1, 1985, any mandated reporter as specified in Section 11165.7, with the exception of child visitation monitors, prior to commencing his or her employment, and as a prerequisite to that employment, shall sign a statement on a form provided to him or her by his or her employer to the effect that he or she has knowledge of the provisions of Section 11166 and will comply with those provisions. The employer shall provide a copy of Sections 11165.7 and 11166 to the employee.

On and after January 1, 1993, any person who acts as a child visitation monitor, as defined in Section 11165.15, prior to engaging in monitoring the first visit in a case, shall sign a statement on a form provided to him or her by the court which ordered the presence of that third person during the visit, to the effect that he or she has knowledge of the provisions of Section 11166 and will comply with those provisions.

The statement shall inform the employee that he or she is a mandated reporter and inform the employee of his or her reporting obligations under Section 11166.

The signed statements shall be retained by the employer or the court, as the case may be. The cost of printing, distribution, and filing of these statements shall be borne by the employer or the court.

This subdivision is not applicable to persons employed by public or private youth centers, youth recreation programs, and youth organizations as members of the support staff or maintenance staff and who do not work with, observe, or have knowledge of children as part of their official duties.

(b) On and after January 1, 1986, when a person is issued a state license or certificate to engage in a profession or occupation, the members of which are

required to make a report pursuant to Section 11166, the state agency issuing the license or certificate shall send a statement substantially similar to the one contained in subdivision (a) to the person at the same time as it transmits the document indicating licensure or certification to the person. In addition to the requirements contained in subdivision (a), the statement also shall indicate that failure to comply with the requirements of Section 11166 is a misdemeanor, punishable by up to six months in a county jail, by a fine of one thousand dollars (\$1,000), or by both that imprisonment and fine.

(c) As an alternative to the procedure required by subdivision (b), a state agency may cause the required statement to be printed on all application forms for a license or certificate printed on or after January 1, 1986.

(d) On and after January 1, 1993, any child visitation monitor, as defined in Section 11165.15, who desires to act in that capacity shall have received training in the duties imposed by this article, including training in child abuse identification and child abuse reporting. The person, prior to engaging in monitoring the first visit in a case, shall sign a statement on a form provided to him or her by the court which ordered the presence of that third person during the visit, to the effect that he or she has received this training. This statement may be included in the statement required by subdivision (a) or it may be a separate statement. This statement shall be filed, along with the statement required by subdivision (a), in the court file of the case for which the visitation monitoring is being provided.

SEC. 21. Section 11166.7 of the Penal Code is amended to read:

11166.7. (a) Each county may establish an interagency child death team to assist local agencies in identifying and reviewing suspicious child deaths and facilitating communication among persons who perform autopsies and the various persons and agencies involved in child abuse or neglect cases. Interagency child death teams have been used successfully to ensure that

incidents of child abuse or neglect are recognized and other siblings and nonoffending family members receive the appropriate services in cases where a child has expired.

(b) Each county may develop a protocol that may be used as a guideline by persons performing autopsies on children to assist coroners and other persons who perform autopsies in the identification of child abuse, in the determination of whether child abuse or neglect contributed to death or whether child abuse or neglect had occurred prior to but was not the actual cause of death, and in the proper written reporting procedures for child abuse or neglect, including the designation of the cause and mode of death.

(c) In developing an interagency child death team and an autopsy protocol, each county, working in consultation with local members of the California State Coroner's Association and county child abuse prevention coordinating councils, may solicit suggestions and final comments from persons, including but not limited to, the following:

- (1) Experts in the field of forensic pathology.
- (2) Pediatricians with expertise in child abuse.
- (3) Coroners and medical examiners.
- (4) Criminologists.
- (5) District attorneys.
- (6) Child protective services staff.
- (7) Law enforcement personnel.
- (8) Representatives of local agencies which are involved with child abuse or neglect reporting.
- (9) County health department staff who deals with children's health issues.

(b) (1) The Department of Justice shall immediately notify an agency that submits a report pursuant to Section 11169, or a district attorney who requests notification, of any information maintained pursuant to subdivision (a) that is relevant to the known or suspected instance of child abuse or severe neglect reported by the agency. (B) If Child Abuse Central Index information is requested by an agency for the temporary placement of a child in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the agency's inquiry and if further delay in placement may be detrimental to the child.

(7) (A) Whenever information contained in the Department of Justice files is furnished as the result of an application for employment or licensing pursuant to paragraph (3), the Department of Justice may charge the

person or entity making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this section to process trustline applications for purposes of Chapter 3.35 (commencing with Section 1596.60) of Division 2 of the Health and Safety Code shall be deposited in a special account in the General Fund that is hereby established and named the Department of Justice Child Abuse Fund. Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process trustline automated child abuse or neglect system checks pursuant to this section.

(C) All moneys, other than that described in subparagraph (B), received by the department pursuant to this paragraph shall be deposited in a special account in the General Fund which is hereby created and named the Department of Justice Sexual Habitual Offender Fund. (c) The Department of Justice shall make available to any agency responsible for placing children pursuant to Article 7 (commencing with Section 305) of Chapter 2 of

Part 1 of Division 2 of the Welfare and Institutions Code, upon request, relevant information concerning child abuse or neglect reports contained in the index, when making a placement with a responsible relative pursuant to Sections 281.5, 305, and 361.3 of the Welfare and Institutions Code. Upon receipt of relevant information concerning child abuse or neglect reports contained in the index from the Department of Justice pursuant to this subdivision, the agency shall also notify in writing the person listed in the Child Abuse Central Index that he or she is in the index. The notification shall include the location of the original investigative report and the submitting agency. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

If Child Abuse Central Index information is requested by an agency for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(d) The department shall make available any information maintained pursuant to Section 11169 to out-of-state law enforcement agencies conducting investigations of known or suspected child abuse or neglect only when an agency makes the request for information in writing and on official letterhead, identifying the suspected abuser or victim by name. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written requests shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the

criminal penalties for unlawful disclosure of any confidential information provided by the requesting state or the applicable interstate compact provision. In the absence of a specified out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and criminal penalties equivalent to the penalties in California for unlawful disclosure, access shall be denied.

(e) Any person may determine if he or she is listed in the Child Abuse Central Index by making a request in writing to the Department of Justice. The request shall be notarized and include the person's name, address, social security number, and date of birth.

SEC. 29. Section 11171 of the Penal Code is amended to read:

11171. (a) A physician and surgeon or dentist or their agents and by their direction may take skeletal X-rays of the child without the consent of the child's parent or guardian, but only for purposes of diagnosing the case as one of possible child abuse or neglect and determining the extent of the child abuse or neglect.

(b) Neither the physician-patient privilege nor the psychotherapist-patient privilege applies to information

reported pursuant to this article in any court proceeding or administrative hearing.

SEC. 30. Section 11171.5 of the Penal Code is amended to read:

11171.5. (a) If a peace officer, in the course of an investigation of child abuse or neglect, has reasonable cause to believe that the child has been the victim of physical abuse, the officer may apply to a magistrate for an order directing that the victim be X-rayed without parental consent.

Any X-ray taken pursuant to this subdivision shall be administered by a physician and surgeon or dentist or their agents.

(b) With respect to the cost of an X-ray taken by the county coroner or at the request of the county coroner in suspected child abuse or neglect cases, the county may charge the parent or legal guardian of the child-victim the costs incurred by the county for the X-ray.

(c) No person who administers an X-ray pursuant to this section shall be entitled to reimbursement from the county for any administrative cost that exceeds 5 percent of the cost of the X-ray.

SEC. 31. Section 11172 of the Penal Code is amended to read:

11172. (a) No mandated reporter who reports a known or suspected instance of child abuse or neglect shall be civilly or criminally liable for any report required or authorized by this article. Any other person reporting a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of any report authorized by this article unless it can be proven that a false report was made and the person knew that the report was false or was made with reckless disregard of the truth or falsity of the report, and any person who makes a report of child abuse or neglect known to be false or with reckless disregard of the truth or falsity of the report is liable for any damages caused. No person required to make a report pursuant to this article, nor any person taking photographs at his or her direction, shall incur any civil or criminal liability for taking photographs

of a suspected victim of child abuse or neglect, or causing photographs to be taken of a suspected victim of child abuse or neglect, without parental consent, or for disseminating the photographs with the reports required by this article. However, this section shall not be construed to grant immunity from this liability with respect to any other use of the photographs.

(b) Any person, who, pursuant to a request from a government agency investigating a report of suspected child abuse or neglect, provides the requesting agency with access to the victim of a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of providing that access.

(c) The Legislature finds that even though it has provided immunity from liability to persons required to report child abuse or neglect, that immunity does not eliminate the possibility that actions may be brought against those persons based upon required reports of child abuse or neglect. In order to further limit the financial hardship that those persons may incur as a result of fulfilling their legal responsibilities, it is necessary that they not be unfairly burdened by legal fees incurred in defending those actions. Therefore, a mandated reporter may present a claim to the State Board of Control for reasonable attorney's fees and costs incurred in any action against that person on the basis of making a report required or authorized by this article if the court has dismissed the action upon a demurrer or motion for summary judgment made by that person, or if he or she prevails in the action. The State Board of Control shall allow that claim if the requirements of this subdivision are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorney's fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General of the State of California at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars (\$50,000).

(a) The Department of Justice, in cooperation with the State Department of Social Services, shall prescribe by regulation guidelines for the investigation of child abuse or neglect, as defined in Section 11165.6, in facilities licensed to care for children, and shall ensure that the investigation is conducted in accordance with the regulations and guidelines.

(b) For community treatment facilities, day treatment facilities, group homes, and foster family agencies, the State Department of Social Services shall prescribe the following regulations:

(c) The State Department of Social Services shall provide such orientation and training as it deems necessary to assure that its officers, employees, or agents who conduct inspections of facilities licensed to care for

children are knowledgeable about the reporting requirements of this article and have adequate training to identify conditions leading to, and the signs of, child abuse or neglect, as defined in Section 11165.6.

SEC. 33. Section 11174.3 of the Penal Code is amended to read:

11174.3. (a) Whenever a representative of a government agency investigating suspected child abuse or neglect or the State Department of Social Services deems it necessary, a suspected victim of child abuse or neglect may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be afforded the option of being interviewed in private or selecting any adult who is a member of the staff of the school, including any certificated or classified employee or volunteer aide, to be present at the interview. A representative of the agency investigating suspected child abuse or neglect or the State Department of Social Services shall inform the child of that right prior to the interview.

The purpose of the staff person's presence at the interview is to lend support to the child and enable him or her to be as comfortable as possible. However, the member of the staff so elected shall not participate in the interview. The member of the staff so present shall not discuss the facts or circumstances of the case with the child. The member of the staff so present, including, but not limited to, a volunteer aide, is subject to the confidentiality requirements of this article, a violation of which is punishable as specified in Section 11167.5. A representative of the school shall inform a member of the staff so selected by a child of the requirements of this section prior to the interview. A staff member selected by a child may decline the request to be present at the interview. If the staff person selected agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. Failure to comply with the requirements of this

section does not affect the admissibility of evidence in a criminal or civil proceeding.

(b) The Superintendent of Public Instruction shall notify each school district and each agency specified in Section 11165.9 to receive mandated reports, and the State Department of Social Services shall notify each of its employees who participate in the investigation of reports of child abuse or neglect, of the requirements of this section.

SEC. 34. This act is not intended to abrogate the case of *Alejo v. City of Alhambra* (1999) 75 Cal.App.4th 1180.
