[Approved by Governor July 21, 1999. Filed with
Secretary of State July 22, 1999.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1322, Oller. Concealed weapons licenses.

Existing law authorizes the sheriff of a county or the chief or other head of a municipal police department of any city or city and county to issue a license to carry a concealed firearm upon proof of specified criteria, including that the person applying is either a resident of, or spends a substantial period of time in the applicant's principal place of employment or business within, the county or a city within the county when application is made to the sheriff, or the applicant is a resident of the city when application is made to a police chief. Under existing law, a license issued pursuant to these provisions is valid for any period of time not to exceed 2 years from the date of the license, except that if the licensee's place of employment or business was the basis for issuance of the license pursuant to these provisions, the license is valid for any period of time not to exceed 90 days. If the applicant is a judge, court commissioner, or magistrate, the license is valid for any period of time not to exceed 3 years. Existing law also authorizes the sheriff of a county or the chief or other head of a municipal police department of any city or city and county to issue a license to carry a concealed firearm to a person who has been deputized or appointed as a reserve peace officer upon proof of specified criteria. Under the bill, the license would be valid for a period not to exceed 4 years from the date of the license but would become invalid upon conclusion of the person's appointment, if not already expired or invalid under other provisions of law.

This bill would provide that a license to carry a concealed firearm issued to a custodial officer who is an employee of the sheriff is valid for any period of time not to exceed 4 years from the date of the license but becomes invalid upon conclusion of the person's employment as a custodial officer, if not already expired or invalid under other provisions of existing law.

The people of the State of California do enact as follows:

SECTION 1. Section 12050 of the Penal Code is amended to read:

12050. (a) (1) (A) The sheriff of a county, upon proof that the person applying is of good moral character, that good cause exists for the issuance, and that the person applying satisfies any one of the conditions specified in subparagraph (D) and has completed a course of training as described in subparagraph (E), may issue to that person a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person in either one of the following formats:

(i) A license to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person.

(ii) Where the population of the county is less than 200,000 persons according to the most recent federal decennial census, a license to carry loaded and exposed in that county a pistol, revolver, or other firearm capable of being concealed upon the person.

(B) The chief or other head of a municipal police department of any city or city and county, upon proof that the person applying is of good moral character, that good cause exists for the issuance, and that the person applying is a resident of that city and has completed a course of training as described in subparagraph (E), may issue to that person a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person in either one of the following formats:

(i) A license to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person.

(ii) Where the population of the county in which the city is located is less than 200,000 persons according to the most recent federal decennial census, a license to carry loaded and exposed in that county a pistol, revolver, or other firearm capable of being concealed upon the person.

(C) The sheriff of a county or the chief or other head of a municipal police department of any city or city and county, upon proof that the person applying is of good moral character, that good cause exists for the issuance, and that the person applying is a person who has been deputized or appointed as a peace officer pursuant to subdivision (a) or (b) of Section 830.6 by that sheriff or that chief of police or other head of a municipal police department, may issue to that person a license to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person. Direct or indirect fees for the issuance of a license pursuant to this subparagraph may be waived. The fact that an applicant for a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person has been deputized or appointed as a peace officer pursuant to subdivision (a) or (b) of Section 830.6 shall be considered only for the purpose of issuing a license pursuant to this subparagraph, and shall not be considered for the purpose of issuing a license pursuant to subparagraph (A) or (B).

(D) For the purpose of subparagraph (A), the applicant shall satisfy any one of the following:

(i) Is a resident of the county or a city within the county.

(ii) Spends a substantial period of time in the applicant's principal place of employment or business in the county or a city within the county.

(E) (i) For new license applicants, the course of training may be any course acceptable to the licensing authority, shall not exceed 16 hours, and shall include instruction on at least firearm safety and the law regarding the permissible use of a firearm. Notwithstanding this clause, the licensing authority may require a community college course certified by the Commission on Peace Officer Standards and Training, up to a maximum of 24 hours, but only if required uniformly of all license applicants without exception.

(ii) For license renewal applicants, the course of training may be any course acceptable to the licensing authority, shall be no less than four hours, and shall include instruction on at least firearm safety and the law regarding the permissible use of a firearm.

(2) (A) (i) Except as otherwise provided in clause (ii), subparagraphs (C) and (D) of this paragraph, and subparagraph (B) of paragraph (4) of subdivision (f), a license issued pursuant to subparagraph (A) or (B) of paragraph (1) is valid for any period of time not to exceed two years from the date of the license.

(ii) If the licensee's place of employment or business was the basis for issuance of the license pursuant to subparagraph (A) of paragraph (1), the license is valid for any period of time not to exceed 90 days from the date of the license. The license shall be valid only in the county in which the license was originally issued. The licensee shall give a copy of this license to the licensing authority of the city, county, or city and county in which he or she resides. The licensing authority that originally issued the license shall inform the licensee verbally and in writing in at least 16-point type of this obligation to give a copy of the license to the licensing authority of the city, county, or city and county of residence. Any application to renew or extend the validity of, or reissue, the license may be granted only upon the concurrence of the licensing authority that originally issued the license and the licensing authority of the city, county, or city and county in which the licensee resides.

(B) A license issued pursuant to subparagraph (C) of paragraph (1) to a peace officer appointed pursuant to Section 830.6 is valid for any period of time not to exceed four years from the date of the license, except that the license shall be invalid upon the conclusion of the person's appointment pursuant to Section 830.6 if the four-year period has not otherwise expired or any other condition imposed pursuant to this section does not limit the validity of the license to a shorter time period.

(C) A license issued pursuant to subparagraph (A) or (B) of paragraph (1) is valid for any period of time not to exceed three years

from the date of the license if the license is issued to any of the following individuals:

- (i) A judge of a California court of record.
- (ii) A full-time court commissioner of a California court of record.
- (iii) A judge of a federal court.
- (iv) A magistrate of a federal court.

(D) A license issued pursuant to subparagraph (A) or (B) of paragraph (1) is valid for any period of time not to exceed four years from the date of the license if the license is issued to a custodial officer who is an employee of the sheriff as provided in Section 831.5, except that the license shall be invalid upon the conclusion of the person's employment pursuant to Section 831.5 if the four-year period has not otherwise expired or any other condition imposed pursuant to this section does not limit the validity of the license to a shorter time period.

(3) For purposes of this subdivision, a city or county may be considered an applicant's "principal place of employment or business" only if the applicant is physically present in the jurisdiction during a substantial part of his or her working hours for purposes of that employment or business.

(b) A license may include any reasonable restrictions or conditions which the issuing authority deems warranted, including restrictions as to the time, place, manner, and circumstances under which the person may carry a pistol, revolver, or other firearm capable of being concealed upon the person.

(c) Any restrictions imposed pursuant to subdivision (b) shall be indicated on any license issued.

(d) A license shall not be issued if the Department of Justice determines that the person is within a prohibited class described in Section 12021 or 12021.1 of this code or Section 8100 or 8103 of the Welfare and Institutions Code.

(e) (1) The license shall be revoked by the local licensing authority if at any time either the local licensing authority is notified by the Department of Justice that a licensee is within a prohibited class described in Section 12021 or 12021.1 of this code or Section 8100 or 8103 of the Welfare and Institutions Code, or the local licensing authority determines that the person is within a prohibited class described in Section 12021 or 12021.1 of this code or Section 8100 or 8103 of the Welfare and Institutions Code.

(2) If at any time the Department of Justice determines that a licensee is within a prohibited class described in Section 12021 or 12021.1 of this code or Section 8100 or 8103 of the Welfare and Institutions Code, the department shall immediately notify the local licensing authority of the determination.

(3) If the local licensing authority revokes the license, the Department of Justice shall be notified of the revocation pursuant to

Section 12053. The licensee shall also be immediately notified of the revocation in writing.

(f) (1) A person issued a license pursuant to this section may apply to the licensing authority for an amendment to the license to do one or more of the following:

(A) Add or delete authority to carry a particular pistol, revolver, or other firearm capable of being concealed upon the person.

(B) Authorize the licensee to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person.

(C) If the population of the county is less than 200,000 persons according to the most recent federal decennial census, authorize the licensee to carry loaded and exposed in that county a pistol, revolver, or other firearm capable of being concealed upon the person.

(D) Change any restrictions or conditions on the license, including restrictions as to the time, place, manner, and circumstances under which the person may carry a pistol, revolver, or other firearm capable of being concealed upon the person.

(2) When the licensee changes his or her address, the license shall be amended to reflect the new address and a new license shall be issued pursuant to paragraph (3).

(3) If the licensing authority amends the license, a new license shall be issued to the licensee reflecting the amendments.

(4) (A) The licensee shall notify the licensing authority in writing within 10 days of any change in the licensee's place of residence.

(B) If the license is one to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person, then it may not be revoked solely because the licensee changes his or her place of residence to another county if the licensee has not breached any conditions or restrictions set forth in the license or has not fallen into a prohibited class described in Section 12021 or 12021.1 of this code or Section 8100 or 8103 of the Welfare and Institutions Code. However, any license issued pursuant to subparagraph (A) or (B) of paragraph (1) of subdivision (a) shall expire 90 days after the licensee moves from the county of issuance if the licensee's place of residence was the basis for issuance of the license.

(C) If the license is one to carry loaded and exposed a pistol, revolver, or other firearm capable of being concealed upon the person, the license shall be revoked immediately if the licensee changes his or her place of residence to another county.

(5) An amendment to the license does not extend the original expiration date of the license and the license shall be subject to renewal at the same time as if the license had not been amended.

(6) An application to amend a license does not constitute an application for renewal of the license.

(g) Nothing in this article shall preclude the chief or other head of a municipal police department of any city from entering an agreement with the sheriff of the county in which the city is located

for the sheriff to process all applications for licenses, renewals of licenses, and amendments to licenses, pursuant to this article.
