An act to amend Sections 245, 12001, 12020, 12022, 12022.5, 12280, 12285, and 12289 of, and to add Sections 12079 and 12276.1 to, the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

SB 23, Perata. Firearms: assault weapons.

(1) Existing law makes it a misdemeanor for any person to manufacture, cause to be manufactured, import into this state, keep or offer for sale, give, lend, or possess specified weapons and explosives.

This bill would make it a misdemeanor or a felony, beginning January 1, 2000, for any person, except as provided, to manufacture, import into the state, keep or offer for sale, give, or lend any large-capacity magazine. A large-capacity magazine would be defined to mean any ammunition feeding device with the capacity to accept more than 10 rounds. By expanding the definition of, and increasing the penalty for, a crime, this bill imposes a state-mandated local program.

(2) Existing law requires imposition of a longer term of imprisonment on any person convicted of assault with a deadly weapon, and for enhanced terms of imprisonment for a person convicted of a felony, if that person was either armed with, or personally used, an assault weapon or machinegun, as defined, in the commission of, or attempted commission of that felony.

Existing law makes it a crime to engage in specified activities regarding assault weapons and regulates the lawful possession of those weapons. Existing law defines the term “assault weapon” by, among other things, designating a list of specified semiautomatic firearms.

This bill would further define the term “assault weapon” by providing descriptive definitions concerning the capacity and function of the weapon. These expanded definitions would specifically apply to the above-mentioned increased term and enhancement provisions and to related provisions. By expanding the

definition of a crime, this bill would impose a state-mandated local program.

(3) Existing law makes it a crime, punishable either as a felony or a misdemeanor, for any person to possess any assault weapon, as defined. However, if a person charged with a first-time violation of that offense presents proof that he or she lawfully possessed the assault weapon within a specified period, and has since registered the weapon or relinquished it, the offense is punishable as an infraction, if the person has also complied with specified conditions. Existing law also provides a period of forgiveness to persons in possession of an assault weapon during a specified period under specified conditions. In addition, existing law exempts specified law enforcement agencies from the prohibition against possession, purchase, or sale of assault weapons.

This bill would make it an infraction, punishable by a fine up to \$500, for a first-time violation of the above-mentioned offense, if the offender was found in possession of no more than 2 firearms in compliance with specified provisions and proves that he or she lawfully possessed the assault weapon prior to the date it was defined as an assault weapon under the proposed provision set forth in (2). This bill would also add an additional period of forgiveness for persons in possession of assault weapons, as defined, pursuant to the proposed provision set forth in (2), to extend to the one-year period after the weapon was defined as an assault weapon under that proposed provision. By defining a new crime, this bill would impose a state-mandated local program. The bill would also exempt certain additional off-duty and certain retired law enforcement personnel from the prohibition against possession, purchase, or sale of assault weapons.

(4) Existing law requires any person who lawfully possesses an assault weapon, as defined, prior to specified periods, to register that weapon with the Department of Justice, within a specified period of time.

This bill would require any person who lawfully possessed an assault weapon prior to the date it was defined as an assault weapon pursuant to the proposed

provision mentioned in (2) above, to register the weapon within one year of the effective date of that provision.

(5) Existing law requires the Department of Justice to conduct a public education and notification program regarding the registration of assault weapons, the limited forgiveness period of the registration requirement and the consequences of nonregistration.

This bill would require that the public education and notification program include the new definition of assault weapons discussed in paragraph (2) above.

(6) The bill would state legislative intent.

(7) The bill would provide that its provisions are severable.

(8) This bill would incorporate additional changes in Section 12020 of the Penal Code proposed by SB 359, to be operative if SB 359 and this bill are both enacted and become effective on or before January 1, 2000, and this bill is enacted last.

(9) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:
