An act relating to school facilities, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 197, as introduced, Kelley. Imperial County: State School Building Aid Fund: joint use facilities.

Under existing law, there is in the State Treasury, the State School Building Aid Fund. All money in the fund, including all money deposited in the fund from any source after November 12, 1952, is continuously appropriated without regard to fiscal year.

This bill would require the State Allocation Board to allocate \$3,500,000 from the State School Building Aid Fund to the County Office of Education in Imperial County for its portion of the cost of a joint use technology program with the Imperial Irrigation District to create a fiber optics network for all school districts within Imperial County. The bill would require the State Allocation Board also to allocated \$2,500,000 to the San Dieguito Union High School District for a joint-use transportation facility that will be used by school districts and local government entities and \$5,000,000 to the County Superintendent of Schools in Kern County for a joint-use educational resource center for all school districts within the area of Kern County.

Vote: majority. Appropriation: yes. Fiscal committee: yes. State-mandated local program: no.
