LETTERS PRINTED IN THE JOURNAL

The following communication was ordered printed in the Journal:

June 29, 2006

President pro Tempore Don Perata

Dear President Pro Tempore:

For the purpose of establishing legislative intent, my bill, SB 1448 (Kuehl), establishes a structure to implement the Coverage Initiative (CI) authorized under the Medi-Cal Hospital Finance/Uninsured Care Demonstration Waiver (waiver). The Hospital Financing waiver made available \$180 million in federal funds in each of three years to establish a coverage initiative to enhance access to care for uninsured residents. SB 1448 establishes this program to be administered by the State Department of Health Services (DHS) by, among other things, authorizing the selection by DHS of no fewer than 5 geographically diverse demonstration projects to be implemented over the three years of the waiver.

SB 1448 allows for a defined health benefits package for uninsured individuals, to be administered by each approved applicant entity, upon approval and oversight by the State DHS. Both the State DHS and each approved applicant must demonstrate that the individual demonstration programs are, among other things, strengthening and building upon the local health care safety net system, including disproportionate share (DSH) hospitals, county clinics and community clinics [Sec. 15903 (b)]. Per my intent and the intent of the California Department of Health Services, references to the health care safety net in this Article necessarily include both public and private disproportionate share hospitals.

In order to have appropriate participation of qualified providers in the delivery system networks, it is further the intent of this measure that each of then selected programs compensate providers in its network at similar amounts for similar services and that each applicant provide the DHS with information in its application on how they will do this.

Lastly, it is the intent of SB 1448 that DHS use any sources of match that are available and allowed by the federal government to provide the non-federal share of payments under this program.

Sincerely,

SHEILA JAMES KUEHL
Senator, 23rd District
