UNANIMOUS CONSENT TO PRINT IN JOURNAL

Without objection, the following letter was ordered printed in the Journal.

August 30, 2006

Hon. Gregory Schmidt
Secretary of the Senate

Dear Mr. Secretary:

I introduced Senate Bill 1210 in order to provide additional protections to property owners faced with losing their property through eminent domain. A series of legislative hearings last fall revealed several flaws in our current eminent domain process—flaws that disadvantage property owners by making information difficult or costly to obtain and that provide little remedy short of court proceedings.

After we had reached consensus on an improved process, a concern was raised that the language regarding the penalty of perjury is unclear.

As author, it is my intent that the penalty of perjury applies only to a declaration stating facts supporting a hardship asserted in written opposition, and not to the opposition itself. Further, it is my intent to carry a clean up bill next session to correct the language and make clear that it

is the declaration supporting the claim of hardship and not the pleading itself that is signed under the penalty of perjury.

Sincerely,

TOM TORLAKSON

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Without objection, the following letter was printed in the Journal.

Mr. Greg Schmidt
Secretary of the Senate

Dear Mr. Schmidt:

This letter is being submitted to the Senate Daily Journal regarding SB 1312.

To assure that hospitals will not be doubly-penalized, it is understood by all involved parties that the intent of SB 1312 is that the \$25,000 fine referenced in Section 1280.1 (a) of the Health and Safety Code will no longer be in effect once the regulations are promulgated for Section 1280.3(a) that includes the penalty of up to \$50,000.

Sincerely,

ELAINE K. ALQUIST
State Senator
13th Senate District

WILMA CHAN
State Assembly Member

Greg Schmidt
Secretary of the Senate

Dear Mr. Schmidt:

I am submitting this letter to the Senate Daily Journal regarding SB 678, an act relating to Indian Children.

SB 678 is a comprehensive attempt to codify state and local practices with respect to the Indian Child Welfare Act (ICWA). The bill extends the Indian Child Welfare Act to adoption and guardianship proceedings, and more clearly delineates expectations regarding the child welfare services system's approach to working with Indian children, their parents and their tribes. Provisions of the federal ICWA statute and guidelines, as well as the existing Judicial Council Rules of Court for California are being codified in California statute for the first time.

California courts are well-equipped to implement the requirements of SB 678 as they have been required to implement the ICWA since 1978. Codification of the ICWA in California insures consistency in its application and uniformity in California county courthouses. The California Department of Social Services and the Administrative Office of the Courts will need to review procedures regarding child welfare, adoption and guardianship systems and identify necessary updates to instructions, forms and other procedures in order to appropriately insure the laws are followed correctly. The intent of SB 678 is to ensure compliance with ICWA, and therefore necessitates that implementation

takes place as close to January 1, 2007 as possible, although such updates may temporarily delay full implementation of the bill beyond that date.

Thank you for your consideration of this matter.

Sincerely,

DENISE MORENO DUCHENY
Senator, 40th District

The Honorable Don Perata
Senate President pro Tempore

Dear Senator Perata:

The purpose of this letter is for clarification in the Senate Journal regarding my bill SB 1476. SB 1476 is the annual omnibus bill for the Joint Committee on Boards, Commissions and Consumer Protection. It enacts changes recommended by the Joint Committee for three licensing boards, revises sunset dates for other boards to adjust the workload of the Joint Committee, and extends the implementation date of the prescription drug pedigree program.

The August 30th amendments to Senate Bill 1476 added language intended to delay the implementation of SB 1472 (relating to creating a Bureau for Dental Hygiene), if both SB 1472 and SB 1476 were both enacted and SB 1476 was enacted after SB 1472.

However, a drafting error by Legislative Counsel mistakenly referred to AB 1472 rather than SB 1472. AB 1472 is an unrelated bill relating to redevelopment that failed in January as a result of failing to pass out of its house of origin.

Section 124 of SB 1476, as well as the digest of the bill, correctly refers to SB 1472. It is only Section 123 that mistakenly refers to AB 1472. It was clearly my intent that the bill refer to SB 1472, and Legislative Counsel does not dispute that it was a drafting error on their part.

Thank you for your attention to this matter.

Respectfully,

LIZ FIGUEROA
State Senator, 10th District

August 31, 2006

Dear Senator Perata:

This letter is to express my intent as the author of SB 51.

SB 51 addresses concerns raised over the structure and operation of committees which are a part of the Thoroughbred Owners of California (TOC). TOC is the officially recognized organization representing

horsemen and horsewomen in California's horseracing industry, pursuant to provisions of the Business and Professions Code.

Concerns have been raised over the appropriate representation of horsemen and horsewomen from Northern California, with the statewide organization of TOC. The provisions in this bill are intended to assure that those who participate in making up the horseracing industry in Northern California have a proportionate, strong voice in the governance of the organization which represents them.

I believe these provisions will do just that. I will be watching the implementation of this bill and hoping that this compromise will be implemented in the good faith manner in which this bill was negotiated.

Sincerely,

SENATOR MIGDEN

Gregory Schmidt
Secretary of the Senate

Dear Mr. Secretary:

SB 1359 was introduced in response to an accident that occurred during excavation work around East Bay Municipal Utilities District's San Ramon Valley Transmission Improvement Project in my district. Following that accident the California Occupational Safety and Health Standards Board (Cal/OSHA) opened an investigation which led to a rulemaking proceeding.

I introduced SB 1359 as a consensus measure to codify the regulations of Cal/OSHA to protect workers as well as the underground facilities themselves. At the request of the California Department of Transportation, I accepted amendments to SB 1359 on August 7 which expanded the definition of "high priority subsurface installations" to include any natural gas pipeline six inches or greater in diameter. During the last week of session I was informed that there was not a consensus on the inclusion of that language. Instead, the amendment merely reflects procedures adopted by CalTrans in an operating manual that has existing for 30 some years. Since that time, I have been working with the owners and operators of the actual underground facilities to address their concerns.

I am committed to addressing the concerns of all of the interested parties as such I wanted to serve notice of my intent to meet with the underground facilities owners and operators as well as the excavators working around such facilities to address their concerns.

SB 1359 is intended to provide meaningful improvements to worker safety while at the same time ensuring that we spend our resources appropriately by focusing on truly high priority subsurface installations

instead of following bureaucratic rules of the past. Given the appropriate time in the Legislative year, I would have amended SB 1359 to eliminate the inclusion of facilities six inches or greater in diameter without respect to the pressure of natural gas within those pipes. With that in mind, I will support legislation next year to eliminate that provision of Section 4216 of the Government Code.

Sincerely,

TOM TORLAKSON
