PRAYER

Upon invitation of the President, the following prayer was offered by Rev. Dr. Pamela Anderson, Countryside Community Church, Esparto:

I read a story about a young couple who had a garage sale. They had decided to put out a mirror they'd received as a wedding gift because it had a gaudy aqua-colored metal frame and they just couldn't find a room in their house where it looked good.

Shortly after the garage sale began, a man bought the mirror for one dollar. He was very excited, and said as he bought it: "This is a great deal—it still has the plastic on it." Then he peeled off the aqua-colored protective covering . . . to reveal a beautiful gold finished frame underneath.

This man saw potential, where the couple could not. As members of the California Senate, you are all called to look past the aqua film and to find the best potential for this great state of California.

Let us pray:

Eternal God, We pray for our California Senate. We pray for clarity of mind, eyes to find the best potential, and for positive decisions to be made today that will better the lives of all in this great state of California.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Senator Corbett led the Senate in the pledge of allegiance to the Flag.

MESSAGES FROM THE GOVERNOR

Governor's Office, State Capitol
August 23, 2010

To the Members of the California State Senate:

I am returning **Senate Bill 1191** without my signature.

The provisions of the Quality Education Investment Act (QEIA) extend far beyond the role and use of school counselors. This bill narrowly intends to evaluate pupil-counselor ratios, rather than the quality of the counseling programs. I am concerned that focusing on pupil-counselor ratios in the final evaluation of the effectiveness of QEIA would not provide as meaningful information as the impact of the equitable distribution of quality teachers between schools, quality professional development, and sufficient instructional materials.

For this reason, I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER, Governor

Above bill ordered placed on unfinished business file.

Governor's Office, State Capitol
August 23, 2010

To the Members of the California State Senate:

I am returning **Senate Bill 1434** without my signature.

This bill creates a rebuttable presumption that allows a county elections official to process a voter registration form when an individual leaves the "U.S. state or foreign country of birth" section blank, as long as the box certifying he or she is a citizen of the United States has been checked and signed.

A person's citizenship, not their state or country of birth determines their eligibility to vote. The uniform federal application recognizes this fact and does not require this information; including it on the state form is unnecessary. As a naturalized citizen of this great country, my place of birth did not deter my registration eligibility and I am proud to exercise my right to vote.

Allowing registrants to leave the "U.S. state or foreign country of birth" section blank would render it useless. The most direct fix to the discrepancy between the state and federal forms is to remove the line from the state form.

Sincerely,

ARNOLD SCHWARZENEGGER, Governor

Above bill ordered placed on unfinished business file.

Receipt of Bills

I acknowledge receipt this 23rd day of August 2010 at 5:59 p.m., of Senate Bills 1191 and 1434 without the Governor's signature, together with statements of his objections thereto, signed by the Governor, delivered to me personally by Troy Whitfield.

UNANIMOUS CONSENT TO PRINT IN JOURNAL

Without objection, the following letter was printed in the Journal.

August 24, 2010

*The Honorable Darrell Steinberg
President Pro Tempore
California State Senate*

RE: Letter to the Journal—Senate Bill 1034 relating to
property potentially covered under “Public Lands” definition.

Dear Senator Steinberg:

I respectfully request this letter to be entered into the Senate Journal to clarify that the definition for “Public Lands” in subdivision (b) of

Section 5097.5 of the Public Resources code should not be read to include private property generally. Section 5097.5 specifically provides as follows:

“5097.5. (b) As used in this section, ‘public lands’ means lands owned by, or under the jurisdiction of, the state, or any city, county, district, authority, or public corporation, or any agency thereof.”

On June 30th 2010 The Legislative Counsel Bureau issued a written opinion on this issue. Counsel came to the conclusion:

“that the definition of “public lands” in subdivision (b) of Section 5097.5 of the Public Resources Code does not include private property generally, but rather includes only private property over which a public entity listed in that subdivision has a sufficient property interest or legal right of administration or control such that it could grant consent for the activities otherwise prohibited by that section.”

This opinion makes it clear that the law applies only to “public lands,” meaning property that is owned by a government entity, or for which a government entity has a legal property right that would permit it to grant the consent in question.

Sincerely,

DENISE MORENO DUCHENY
State Senator, 40th District
