**PRAYER**

Prayer was offered by the Chaplain, Rabbi Mona Alfi:

*Oh God of All Humanity,*

As we return to the sacred task of serving the people of California, may we be ever mindful of the importance of our work, and the profound impact it has on the lives of the men, women and children of this state.

May we also remember this afternoon the 30 U.S. soldiers killed last week in Afghanistan, in the single deadliest attack since the war began, a painful reminder of the thousands of men and women who have lost their lives in service to our country. May their courage and dedication inspire us to act with selflessness and loyalty to our country and its citizens. May we never take for granted the freedom and democratic ideals that they sought to protect and preserve.

May this be God's will.—AMEN.

**PLEDGE OF ALLEGIANCE TO THE FLAG**

Senator Strickland led the Senate in the pledge of allegiance to the Flag.

**MESSAGES FROM THE GOVERNOR****Signing Message**

Governor's Office, State Capitol

July 25, 2011

*To the Members of the California State Senate:*

Senate Bill 209 advances the important state interests of lowering vehicle emissions and of decreasing dependency on foreign oil. These interests are advanced statutorily by removing unreasonable burdens in common interest developments to the installation of plug-in vehicle charging stations. Charging stations are part of the infrastructure that must be built to integrate electric vehicles into our daily lives by allowing plug-in vehicles to be recharged faster and to minimize impact to the electrical grid. I enthusiastically support this bill.

This bill, unfortunately, contains language that could permit individual homeowners to unreasonably use or occupy common areas. The author has assured me that she will pursue legislation that clearly protects the right of the common interest developments to establish reasonable rules for any use of common areas for charging stations.

Sincerely,

EDMUND G. BROWN JR., Governor

**Veto Messages**

Governor's Office, State Capitol  
July 13, 2011

*To the Members of the California State Senate:*

I am returning **Senate Bill 759** without my signature.

Under this bill, homeowners associations that govern Common Interest Developments would be forced to approve the installation of Astro Turf. The decision to choose synthetic turf instead of natural vegetation is best left to individual homeowners associations, not mandated by state law.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered placed on unfinished business file.

**Receipt of Bills**

I acknowledge receipt this 15th day of July, 2011 at 11:45 a.m., of Senate Bill 759 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts.

BERNADETTE McNULTY  
Acting Secretary of the Senate

Governor's Office, State Capitol  
August 1, 2011

*To the Members of the California State Senate:*

I am returning **Senate Bill 168** without my signature.

This bill makes it a crime for a person to pay or receive money (or any other thing of value) based—directly or indirectly—on the number of signatures obtained on a state or local initiative, referendum, or recall petition.

While I understand the potential abuses of the current per-signature payment system, I believe this bill is flawed for two reasons.

First, this bill would effectively prohibit organizations from even setting targets or quotas for those they hire to gather signatures. It doesn't seem very practical to me to create a system that makes productivity goals a crime.

Second, per-signature payment is often the most cost-effective method for collecting the hundreds of thousands of signatures needed to qualify a ballot measure. Eliminating this option will drive up the cost of circulating ballot measures, thereby further favoring the wealthiest interests.

This is a dramatic change to a long established democratic process in California. After reviewing the materials submitted in support of this bill, I am not persuaded that the unintended consequences won't be worse than the abuses the bill aims to prevent.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered placed on unfinished business file.

Governor's Office, State Capitol  
August 1, 2011

*To the Members of the California State Senate:*

I am returning **Senate Bill 582** without my signature.

This bill authorizes a regional planning organization, under certain conditions, to require businesses with 20 or more employees to offer commute benefits.

City and county governments already can mandate programs of this type—and some have.

While I support the goal of reducing vehicle trips, this bill would impose a new mandate on small businesses at a time of economic uncertainty.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered placed on unfinished business file.

Governor's Office, State Capitol  
August 1, 2011

*To the Members of the California State Senate:*

I am returning **Senate Bill 627** without my signature.

This bill would impose an absolute 30-day statutory deadline on the Department of Motor Vehicles (DMV) to approve or disapprove license renewal applications made for driving schools, driving school instructors, all-terrain vehicle safety instructors, traffic violator schools, and traffic violator school instructors. The apparent intent of this bill is to assure that licensees are not subject to disciplinary action for operating without a license while the renewal application is pending.

With recent reductions in the state workforce, it is not reasonable to impose a strict deadline on DMV's review of an application. There are other approaches to giving appropriate, limited relief from the possibility of a disciplinary action, short of imposing a strict deadline. I will take steps to ensure their implementation.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered placed on unfinished business file.

**Receipt of Bills**

I acknowledge receipt this 1st day of August, 2011 at 3:27 p.m., of the following Senate Bills without the Governor's signature, together with statements of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts:

SB 168, SB 582, and SB 627
