PRAYER

Prayer was offered by the Chaplain, Rabbi Mona Alfi:

Creator of all humanity,

The work of government is an ongoing responsibility of representing and serving the people. The work can sometimes feel daunting, and without end. There is always more than can be done, new issues that arise, another meeting to go to.

A Jewish sage once taught: "It is not your responsibility to finish the work, but you are not free to desist from it either."¹

Alone, each of us can not finish all of the work that needs to be done. But when each of us picks up our share of the load, we move forward together, ever mindful, that even when our work is done, there will be more to do for those who come after us, just as we picked up the load from those who came before us.

May it be Your will O God, that we find meaning in our work, ever mindful of the great responsibility that has been entrusted to us.—AMEN.

MESSAGES FROM THE GOVERNOR

Governor's Office, State Capitol
August 19, 2013

To the Members of the California State Senate:

I am returning **Senate Bill 540** without my signature.

This bill would limit the authority of school districts and county offices of education to grant a Career Technical Education Certificate except under the exact terms set forth in the bill.

Certificates of the kind envisioned in this bill can already be granted by school districts. I believe they are the ones most competent to determine the appropriate requirements.

I commend the author for wanting to encourage students to enroll in career education, but this bill does not comport with the principle of subsidiarity, so important to a sound allocation of power between state and local authority.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered placed on unfinished business file.

Governor's Office, State Capitol
August 19, 2013

To the Members of the California State Senate:

I am returning **Senate Bill 765** without my signature.

Allowing school police officer supervisors to join rank and file bargaining units creates opportunity for conflict of interest between supervisors and employees. It could tie supervisors' hands in the

implementation and enforcement of policies with which the employee organization (of which they are now a part of) disagrees.

Further, I am concerned about future expansion of this policy and the potential for unintended consequences on labor and management relations within the state's workforce.

Sincerely,

EDMUND G. BROWN JR., Governor

Above bill ordered placed on unfinished business file.

Receipt of Bills

I acknowledge receipt this 19th day of August, 2013 at 3:48 p.m., of the following Senate Bills without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Michael Mullaney: SB 540 and SB 765.
