PRAYER

Prayer was offered by the Chaplain, Rabbi Mona Alfi:

Eternal God,

We live at a time where too often the focus of life is on what is mistakenly assumed to be the attainment of happiness, but this definition of happiness is not grounded in meaningful accomplishments or in deep relationships, but in superficial achievements and the attainment of ephemeral things, or simply the pursuit of fun.

Ralph Waldo Emerson warned us against the shallowness of a life spent in pursuit of happiness, divorced of substance. He said that “the purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well.”

May it be Your will, O God, that our lives be enriched from living with loving hearts and generous deeds, may we act with honor and integrity, and may we always be known for living lives of meaning and substance. May this be God’s will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Senator Steinberg led the Senate in the pledge of allegiance to the Flag.

MESSAGES FROM THE GOVERNOR

Governor’s Office, State Capitol

July 15, 2014

To the Members of the California State Senate:

I am allowing Senate Bill 1272 to become law without my signature.

This bill places an advisory question on the November ballot to ask voters if Congress should amend the United States Constitution to overturn *Citizens United v. Federal Election Commission*.

To be clear, this bill and the advisory vote it requires has no legal effect whatsoever. The only way to overturn a Supreme Court decision such as *Citizens United* is by the process outlined in Article V of the United States Constitution. In fact, the California State Legislature recently took action in this regard by approving a joint resolution calling upon Congress to convene a Constitutional convention for this very purpose.

I understand the motivation behind the enthusiastic support of this bill. In fact, I too believe that *Citizens United* was wrongly decided and grossly underestimated the corrupting influence of unchecked money on our democratic institutions.

But we should not make it a habit to clutter our ballots with nonbinding measures as citizens rightfully assume that their votes are meant to have legal effect. Nevertheless, given the Legislature’s commitment on this issue, even to the point of calling for an unprecedented Article V Constitutional Convention, I am willing to allow this question to be placed before the voters.

By allowing SB 1272 to become law without my signature, it is my intention to signal that I am not inclined to repeat this practice of seeking advisory opinions from the voters. Also, I am announcing my action on this

bill today so that this advisory question will be included in the principal ballot pamphlet, avoiding the significant costs of a supplemental pamphlet.

Sincerely,

EDMUND G. BROWN JR., Governor
