PRAYER

Upon invitation of the President, the following prayer was offered by Rev. Dexter McNamara, Community Ministries Liason, California Emergency Food Link.

Loving God of Us All, As we seek to serve you and the people of this state, may we have both a sense of urgency and a sense of patience.

A sense of urgency in dealing with the problems and challenges we face in our wonderful state:

- an urgency to meet the needs of our many residents struggling to make ends meet
- an urgency to help our businesses be the force that moves our economy forward
- an urgency to safeguard the health and well being of our people
- an urgency to protect the land and the water and the air of which we are stewards
- an urgency to govern responsibly and honestly and transparently

We need urgency.

And we need patience.

- the patience to listen respectfully to each other
- the patience to carefully pursue actions that will benefit the widest number of our states' residents, not just our immediate circle
- the patience to resolutely hope and believe—even when hoping and believing may seem foolish—to hope and believe that by faithfully working together, we can reclaim a bright future for our children and grandchildren and generations to come in California.

Help us, we pray,

To act with urgency and with patience.—AMEN.
