An act to amend ~~Section~~ *Sections 31496.3 and 31621.9* of, and to add *Section 31485.10* to, the Government Code, relating to county employees' retirement.

LEGISLATIVE COUNSEL'S DIGEST

AB 398, as amended, Mullin. County employees' retirement: San Mateo County.

*The County Employees Retirement Law of 1937 authorizes counties to provide retirement benefits to general members and safety members of a county.*

*This bill would authorize the Board of Supervisors of San Mateo County, by resolution, ordinance, contract or contract amendment, to provide retirement benefits for some, but not all, general members or safety members of that county. The bill would specify that the Board of Supervisors may provide a different formula for calculation of retirement benefits for any subgroup of members within a classification, including bargaining units or unrepresented groups. These provisions would not be operative until adoption by the Board of Supervisors of San Mateo County.*

Existing law establishes an alternative retirement plan for San Mateo County known as Retirement Plan 3. Existing law provides that a member who has elected or transferred to Plan 3 and is terminated but

*is later reemployed will receive credit for service rendered prior to termination, if the reemployment occurs within 2 years of termination.*

*This bill would eliminate the provision requiring that reemployment occur within 2 years of termination and would also make technical, nonsubstantive changes to that provision.*

*Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.*

*The people of the State of California do enact as follows:*

1 SECTION 1. *Section 31485.10 is added to the Government*  
2 *Code, to read:*

3 31485.10. (a) *Notwithstanding any other provision of law, in*  
4 *a county of the 10th class, as defined in Sections 28020 and 28031,*  
5 *the board of supervisors may, by resolution, ordinance, contract,*  
6 *or contract amendment under this chapter, provide any retirement*  
7 *benefits for some, but not all, general members or safety members*  
8 *of a county.*

9 (b) *The resolution, ordinance, contract, or contract*  
10 *amendment described in subdivision (a) may provide a different*  
11 *formula for calculation of retirement benefits, by making any*  
12 *section of this chapter applicable to any subgroup of members*  
13 *within a membership classification, including, but not limited to,*  
14 *bargaining units, or unrepresented groups, applicable to service*  
15 *credit earned on and after the date specified in the resolution,*  
16 *which date may be earlier than the date the resolution is adopted.*

17 (c) *A resolution adopted pursuant to this section may require*  
18 *members to pay all or part of the contributions by a member or*  
19 *employer, or both, that would have been required if the section or*  
20 *sections specified in subdivision (b), as adopted by the board or*  
21 *governing body, had been in effect during the period of time*  
22 *designated in the resolution. The payment by a member shall*  
23 *become part of the accumulated contributions of the member. For*  
24 *those members who are represented by a bargaining unit, the*  
25 *payment requirement shall be approved in a memorandum of*  
26 *understanding executed by the board of supervisors and the*  
27 *employee representatives.*

28 (d) *This section shall only apply to members who retire on or*  
29 *after the effective date of the resolution described in subdivision*  
30 *(a) or (b).*

1 (e) *This section shall not become operative unless and until the*  
2 *county board of supervisors, by resolution adopted by a majority*  
3 *vote, makes this section operative in the county.*
