This measure would memorialize the Congress and the President of the United States to protect and uphold the intent and substance of the United States Supreme Court decision in Roe v. Wade, relating to reproductive rights.

WHEREAS, January 22, 2005, is the 32nd anniversary of the historic United States Supreme Court decision in Roe v. Wade (1973) 410 U.S. 113, guaranteeing women's reproductive rights, an occasion deserving of celebration and special public commendations; and

WHEREAS, The 1973 decision in Roe v. Wade established constitutionally based limits on the power of states to restrict the right of a woman to choose to terminate a pregnancy; and

WHEREAS, Roe v. Wade is one of the most significant Supreme Court decisions in the 20th century promoting women's rights; and

WHEREAS, Reproductive rights are central to the ability of women to exercise their full rights under federal and state law; and

WHEREAS, It is the right of every American woman to determine when, if, and with whom to have children, and how many children to have; and

WHEREAS, Women's ability to control their reproductive lives has facilitated their equal participation in the economic and social life of the nation; and

WHEREAS, The state should not interfere with a woman's decision to either bear a child or terminate a pregnancy through a safe and legal abortion; and

WHEREAS, Women should not be forced into illegal and dangerous abortions, as they often were prior to the Roe v. Wade decision; and

WHEREAS, During the first half of the 20th century, illegal abortions accounted for about 50 percent of all maternal deaths; and

WHEREAS, Roe v. Wade has significantly reduced the mortality rate for women terminating their pregnancies; and

WHEREAS, Roe v. Wade continues to protect the health and freedom of women throughout the United States; now, therefore, be it

Resolved by the Assembly and the Senate of the State of California, jointly, That the Legislature of the State of California memorializes the Congress and the President of the United States to protect and uphold the intent and substance of the 1973 United States Supreme Court decision in Roe v. Wade; and be it further
