

Assembly Bill No. 525

CHAPTER 701

An act to amend Sections 11162.5, 11165.9, 11166, 11167, 11167.5, and 11170 of the Penal Code, relating to child abuse reporting.

[Approved by Governor September 29, 2006. Filed with Secretary of State September 29, 2006.]

LEGISLATIVE COUNSEL'S DIGEST

AB 525, Chu. Child abuse reporting.

Existing law defines the term "child abuse or neglect" for purposes of mandatory reporting of suspected instances of child abuse or neglect. Existing law specifies certain agencies to which mandated reports of suspected child abuse or neglect shall be made. Existing law requires those agencies to forward those reports that are determined not to be unfounded to the Department of Justice. Existing law also authorizes, but does not require, the reporting of instances where a child suffers or is at substantial risk of suffering serious emotional damage, as specified.

This bill would generally conform the procedures for authorized reporting of instances of child abuse or neglect involving emotional damage, as specified, to certain existing procedures applicable to mandated child abuse reporting.

By increasing the reporting burden on local law enforcement agencies, this bill would impose a state-mandated local program.

Existing law requires a representative of a child protective services agency performing an investigation resulting from a required report of suspected child abuse or neglect to inform the individual who is the subject of the investigation, at the 1st contact, of the complaints or allegations against that person, as specified.

This bill would apply that requirement in the context of reports of child abuse or neglect involving serious emotional damage that are authorized to be reported.

By increasing the duties of local government entities in connection with investigating certain instances of suspected child abuse, this bill would impose a state-mandated local program.

Existing law requires the investigating agency investigating suspected child abuse or neglect, upon completion of the investigation or after there has been a final disposition of the matter, to inform the mandated reporter of the results of the investigation and of any action the agency is taking with regard to the child or family.

This bill would apply that requirement to the context of reports of child abuse or neglect involving serious emotional damage that are authorized to be reported.

This bill would also correct an obsolete cross-reference.

By increasing the duties of local government entities in connection with investigating certain instances of suspected child abuse, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 11162.5 of the Penal Code is amended to read:

11162.5. As used in this article, the following definitions shall apply:

(a) “Health practitioner” has the same meaning as provided in paragraphs (21) to (28), inclusive, of subdivision (a) of Section 11165.7.

(b) “Clinic” is limited to include any clinic specified in Sections 1204 and 1204.3 of the Health and Safety Code.

(c) “Health facility” has the same meaning as provided in Section 1250 of the Health and Safety Code.

(d) “Reasonably suspects” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect.

SEC. 2. Section 11165.9 of the Penal Code is amended to read:

11165.9. Reports of suspected child abuse or neglect shall be made by mandated reporters, or in the case of reports pursuant to Section 11166.05, may be made, to any police department or sheriff’s department, not including a school district police or security department, county probation department, if designated by the county to receive mandated reports, or the county welfare department. Any of those agencies shall accept a report of suspected child abuse or neglect whether offered by a mandated reporter or another person, or referred by another agency, even if the agency to whom the report is being made lacks subject matter or geographical jurisdiction to investigate the reported case, unless the agency can immediately electronically transfer the call to an agency with proper jurisdiction. When an agency takes a report about a case of suspected child abuse or neglect in which that agency lacks jurisdiction, the agency shall immediately refer the case by telephone, fax, or electronic transmission to an agency with proper jurisdiction. Agencies that are required to receive reports of suspected child abuse or neglect may not refuse to accept a report of suspected child abuse or neglect from a mandated reporter or another person unless otherwise authorized pursuant to this section, and shall maintain a record of all reports received.

SEC. 3. Section 11166 of the Penal Code is amended to read:

11166. (a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report to the agency immediately or as soon as is practicably possible by telephone and the mandated reporter shall prepare and send, fax, or electronically transmit a written followup report thereof within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For the purposes of this article, “reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. For the purpose of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) Any report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If after reasonable efforts a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written followup report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the

CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, which ever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, “penitential communication” means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member’s duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did

not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, or slide depicting a child under the age of 16 years engaged in an act of sexual conduct, shall report the instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately, or as soon as practicably possible, by telephone and shall prepare and send, fax, or electronically transmit a written report of it with a copy of the film, photograph, videotape, negative, or slide attached within 36 hours of receiving the information concerning the incident. As used in this subdivision, "sexual conduct" means any of the following:

(1) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

(2) Penetration of the vagina or rectum by any object.

(3) Masturbation for the purpose of sexual stimulation of the viewer.

(4) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.

(5) Exhibition of the genitals, pubic, or rectal areas of any person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and

no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

SEC. 4. Section 11167 of the Penal Code is amended to read:

11167. (a) Reports of suspected child abuse or neglect pursuant to Section 11166 or Section 11166.05 shall include the name, business address, and telephone number of the mandated reporter; the capacity that makes the person a mandated reporter; and the information that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. If a report is made, the following information, if known, shall also be included in the report: the child's name, the child's address, present location, and, if applicable, school, grade, and class; the names, addresses, and telephone numbers of the child's parents or guardians; and the name, address, telephone number, and other relevant personal information about the person or persons who might have abused or neglected the child. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him or her.

(b) Information relevant to the incident of child abuse or neglect may be given to an investigator from an agency that is investigating the known or suspected case of child abuse or neglect.

(c) Information relevant to the incident of child abuse or neglect, including the investigation report and other pertinent materials, may be given to the licensing agency when it is investigating a known or suspected case of child abuse or neglect.

(d) (1) The identity of all persons who report under this article shall be confidential and disclosed only among agencies receiving or investigating mandated reports, to the prosecutor in a criminal prosecution or in an action initiated under Section 602 of the Welfare and Institutions Code arising from alleged child abuse, or to counsel appointed pursuant to subdivision (c) of Section 317 of the Welfare and Institutions Code, or to the county counsel or prosecutor in a proceeding under Part 4 (commencing with Section 7800) of Division 12 of the Family Code or Section 300 of the Welfare and Institutions Code, or to a licensing agency when abuse or neglect in out-of-home care is reasonably suspected, or when those persons waive confidentiality, or by court order.

(2) No agency or person listed in this subdivision shall disclose the identity of any person who reports under this article to that person's employer, except with the employee's consent or by court order.

(e) Notwithstanding the confidentiality requirements of this section, a representative of a child protective services agency performing an investigation that results from a report of suspected child abuse or neglect made pursuant to Section 11166 or Section 11166.05, at the time of the initial contact with the individual who is subject to the investigation, shall advise the individual of the complaints or allegations against him or her, in a manner that is consistent with laws protecting the identity of the reporter under this article.

(f) Persons who may report pursuant to subdivision (g) of Section 11166 are not required to include their names.

SEC. 5. Section 11167.5 of the Penal Code is amended to read:

11167.5. (a) The reports required by Sections 11166 and 11166.2, or authorized by Section 11166.05, and child abuse or neglect investigative

reports that result in a summary report being filed with the Department of Justice pursuant to subdivision (a) of Section 11169 shall be confidential and may be disclosed only as provided in subdivision (b). Any violation of the confidentiality provided by this article is a misdemeanor punishable by imprisonment in a county jail not to exceed six months, by a fine of five hundred dollars (\$500), or by both that imprisonment and fine.

(b) Reports of suspected child abuse or neglect and information contained therein may be disclosed only to the following:

(1) Persons or agencies to whom disclosure of the identity of the reporting party is permitted under Section 11167.

(2) Persons or agencies to whom disclosure of information is permitted under subdivision (b) of Section 11170 or subdivision (a) of Section 11170.5.

(3) Persons or agencies with whom investigations of child abuse or neglect are coordinated under the regulations promulgated under Section 11174.

(4) Multidisciplinary personnel teams as defined in subdivision (d) of Section 18951 of the Welfare and Institutions Code.

(5) Persons or agencies responsible for the licensing of facilities which care for children, as specified in Section 11165.7.

(6) The State Department of Social Services or any county licensing agency which has contracted with the state, as specified in paragraph (4) of subdivision (b) of Section 11170, when an individual has applied for a community care license or child day care license, or for employment in an out-of-home care facility, or when a complaint alleges child abuse or neglect by an operator or employee of an out-of-home care facility.

(7) Hospital scan teams. As used in this paragraph, "hospital scan team" means a team of three or more persons established by a hospital, or two or more hospitals in the same county, consisting of health care professionals and representatives of law enforcement and child protective services, the members of which are engaged in the identification of child abuse or neglect. The disclosure authorized by this section includes disclosure among all hospital scan teams.

(8) Coroners and medical examiners when conducting a post mortem examination of a child.

(9) The Board of Prison Terms, who may subpoena an employee of a county welfare department who can provide relevant evidence and reports that both (A) are not unfounded, pursuant to Section 11165.12, and (B) concern only the current incidents upon which parole revocation proceedings are pending against a parolee charged with child abuse or neglect. The reports and information shall be confidential pursuant to subdivision (d) of Section 11167.

(10) Personnel from an agency responsible for making a placement of a child pursuant to Section 361.3 of, and Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of, the Welfare and Institutions Code.

(11) Persons who have been identified by the Department of Justice as listed in the Child Abuse Central Index pursuant to paragraph (6) of subdivision (b) of Section 11170 or subdivision (c) of Section 11170, or persons who have verified with the Department of Justice that they are listed in the Child Abuse Central Index as provided in subdivision (e) of Section 11170. Disclosure under this paragraph is required notwithstanding the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code. Nothing in this paragraph shall preclude a submitting agency prior to disclosure from redacting any information necessary to maintain confidentiality as required by law.

(12) Out-of-state law enforcement agencies conducting an investigation of child abuse or neglect only when an agency makes the request for reports of suspected child abuse or neglect in writing and on official letterhead, identifying the suspected abuser or victim by name. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written request shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports is to be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the criminal penalties for unlawful disclosure provided by the requesting state or the applicable interstate compact provision. In the absence of both (A) a specific out-of-state statute or interstate compact provision that requires that the information contained within these reports be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and (B) criminal penalties equivalent to the penalties in California for unlawful disclosure, access shall be denied.

(13) Each chairperson of a county child death review team, or his or her designee, to whom disclosure of information is permitted under this article, relating to the death of one or more children and any prior child abuse or neglect investigation reports maintained involving the same victim, siblings, or suspects. Local child death review teams may share any relevant information regarding case reviews involving child death with other child death review teams.

(c) Authorized persons within county health departments shall be permitted to receive copies of any reports made by health practitioners, as defined in paragraphs (21) to (28), inclusive, of subdivision (a) of Section 11165.7, and pursuant to Section 11165.13, and copies of assessments completed pursuant to Sections 123600 and 123605 of the Health and Safety Code, to the extent permitted by federal law. Any information received pursuant to this subdivision is protected by subdivision (e).

(d) Nothing in this section requires the Department of Justice to disclose information contained in records maintained under Section 11170 or under the regulations promulgated pursuant to Section 11174, except as otherwise provided in this article.

(e) This section shall not be interpreted to allow disclosure of any reports or records relevant to the reports of child abuse or neglect if the disclosure would be prohibited by any other provisions of state or federal law applicable to the reports or records relevant to the reports of child abuse or neglect.

SEC. 6. Section 11170 of the Penal Code is amended to read:

11170. (a) (1) The Department of Justice shall maintain an index of all reports of child abuse and severe neglect submitted pursuant to Section 11169. The index shall be continually updated by the department and shall not contain any reports that are determined to be unfounded. The department may adopt rules governing recordkeeping and reporting pursuant to this article.

(2) The department shall act only as a repository of reports of suspected child abuse and severe neglect to be maintained in the Child Abuse Central Index pursuant to paragraph (1). The submitting agencies are responsible for the accuracy, completeness, and retention of the reports described in this section. The department shall be responsible for ensuring that the Child Abuse Central Index accurately reflects the report it receives from the submitting agency.

(3) Information from an inconclusive or unsubstantiated report filed pursuant to subdivision (a) of Section 11169 shall be deleted from the Child Abuse Central Index after 10 years if no subsequent report concerning the same suspected child abuser is received within that time period. If a subsequent report is received within that 10-year period, information from any prior report, as well as any subsequently filed report, shall be maintained on the Child Abuse Central Index for a period of 10 years from the time the most recent report is received by the department.

(b) (1) The Department of Justice shall immediately notify an agency that submits a report pursuant to Section 11169, or a prosecutor who requests notification, of any information maintained pursuant to subdivision (a) that is relevant to the known or suspected instance of child abuse or severe neglect reported by the agency. The agency shall make that information available to the reporting medical practitioner, child custodian, guardian ad litem appointed under Section 326, or counsel appointed under Section 317 or 318 of the Welfare and Institutions Code, or the appropriate licensing agency, if he or she is treating or investigating a case of known or suspected child abuse or severe neglect.

(2) When a report is made pursuant to subdivision (a) of Section 11166, or Section 11166.05, the investigating agency, upon completion of the investigation or after there has been a final disposition in the matter, shall inform the person required or authorized to report of the results of the investigation and of any action the agency is taking with regard to the child or family.

(3) The Department of Justice shall make available to a law enforcement agency, county welfare department, or county probation department that is conducting a child abuse investigation relevant information contained in the index.

(4) The department shall make available to the State Department of Social Services or to any county licensing agency that has contracted with the state for the performance of licensing duties information regarding a known or suspected child abuser maintained pursuant to this section and subdivision (a) of Section 11169 concerning any person who is an applicant for licensure or any adult who resides or is employed in the home of an applicant for licensure or who is an applicant for employment in a position having supervisory or disciplinary power over a child or children, or who will provide 24-hour care for a child or children in a residential home or facility, pursuant to Section 1522.1 or 1596.877 of the Health and Safety Code, or Section 8714, 8802, 8912, or 9000 of the Family Code.

(5) For purposes of child death review, the Department of Justice shall make available to the chairperson, or the chairperson's designee, for each county child death review team, or the State Child Death Review Council, information maintained in the Child Abuse Central Index pursuant to subdivision (a) of Section 11170 relating to the death of one or more children and any prior child abuse or neglect investigation reports maintained involving the same victims, siblings, or suspects. Local child death review teams may share any relevant information regarding case reviews involving child death with other child death review teams.

(6) The department shall make available to investigative agencies or probation officers, or court investigators acting pursuant to Section 1513 of the Probate Code, responsible for placing children or assessing the possible placement of children pursuant to Article 6 (commencing with Section 300), Article 7 (commencing with Section 305), Article 10 (commencing with Section 360), or Article 14 (commencing with Section 601) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, Article 2 (commencing with Section 1510) or Article 3 (commencing with Section 1540) of Chapter 1 of Part 2 of Division 4 of the Probate Code, information regarding a known or suspected child abuser contained in the index concerning any adult residing in the home where the child may be placed, when this information is requested for purposes of ensuring that the placement is in the best interests of the child. Upon receipt of relevant information concerning child abuse or neglect investigation reports contained in the index from the Department of Justice pursuant to this subdivision, the agency or court investigator shall notify, in writing, the person listed in the Child Abuse Central Index that he or she is in the index. The notification shall include the name of the reporting agency and the date of the report.

(7) The Department of Justice shall make available to a government agency conducting a background investigation pursuant to Section 1031 of the Government Code of an applicant seeking employment as a peace officer, as defined in Section 830, information regarding a known or suspected child abuser maintained pursuant to this section concerning the applicant.

(8) (A) Persons or agencies, as specified in subdivision (b), if investigating a case of known or suspected child abuse or neglect, or the State Department of Social Services or any county licensing agency pursuant to paragraph (4), or an investigative agency, probation officer, or court investigator responsible for placing children or assessing the possible placement of children pursuant to paragraph (6), or a government agency conducting a background investigation of an applicant seeking employment as a peace officer pursuant to paragraph (7), to whom disclosure of any information maintained pursuant to subdivision (a) is authorized, are responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions regarding the quality of the evidence disclosed, and its sufficiency for making decisions regarding investigation, prosecution, licensing, placement of a child, or employment as a peace officer.

(B) If Child Abuse Central Index information is requested by an agency for the temporary placement of a child in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the agency's inquiry and if further delay in placement may be detrimental to the child.

(9) (A) Whenever information contained in the Department of Justice files is furnished as the result of an application for employment or licensing pursuant to paragraph (4) or (7), the Department of Justice may charge the person or entity making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this section to process trustline applications for purposes of Chapter 3.35 (commencing with Section 1596.60) of Division 2 of the Health and Safety Code shall be deposited in a special account in the General Fund that is hereby established and named the Department of Justice Child Abuse Fund. Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process trustline automated child abuse or neglect system checks pursuant to this section.

(C) All moneys, other than that described in subparagraph (B), received by the department pursuant to this paragraph shall be deposited in a special account in the General Fund which is hereby created and named the Department of Justice Sexual Habitual Offender Fund. The funds shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred pursuant to Chapter 9.5 (commencing with Section 13885) and Chapter 10 (commencing with Section 13890) of Title 6 of Part 4, and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6

(commencing with Section 295) of Title 9 of Part 1), and for maintenance and improvements to the statewide Sexual Habitual Offender Program and the DNA offender identification file (CAL-DNA) authorized by Chapter 9.5 (commencing with Section 13885) of Title 6 of Part 4 and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1).

(c) The Department of Justice shall make available to any agency responsible for placing children pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, upon request, relevant information concerning child abuse or neglect reports contained in the index, when making a placement with a responsible relative pursuant to Sections 281.5, 305, and 361.3 of the Welfare and Institutions Code. Upon receipt of relevant information concerning child abuse or neglect reports contained in the index from the Department of Justice pursuant to this subdivision, the agency shall also notify in writing the person listed in the Child Abuse Central Index that he or she is in the index. The notification shall include the location of the original investigative report and the submitting agency. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

If Child Abuse Central Index information is requested by an agency for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(d) The department shall make available any information maintained pursuant to subdivision (a) to out-of-state law enforcement agencies conducting investigations of known or suspected child abuse or neglect only when an agency makes the request for information in writing and on official letterhead, identifying the suspected abuser or victim by name. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written requests shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the criminal penalties for unlawful disclosure of any confidential information provided by the requesting state or the applicable interstate compact provision. In the absence of a specified out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and criminal penalties equivalent to the penalties in California for unlawful disclosure, access shall be denied.

(e) (1) Any person may determine if he or she is listed in the Child Abuse Central Index by making a request in writing to the Department of Justice. The request shall be notarized and include the person's name, address, date of birth, and either a social security number or a California identification number. Upon receipt of a notarized request, the Department of Justice shall make available to the requesting person information identifying the date of the report and the submitting agency. The requesting person is responsible for obtaining the investigative report from the submitting agency pursuant to paragraph (11) of subdivision (b) of Section 11167.5.

(2) No person or agency shall require or request another person to furnish a copy of a record concerning himself or herself, or notification that a record concerning himself or herself exists or does not exist, pursuant to paragraph (1) of this subdivision.

(f) If a person is listed in the Child Abuse Central Index only as a victim of child abuse or neglect, and that person is 18 years of age or older, that person may have his or her name removed from the index by making a written request to the Department of Justice. The request shall be notarized and include the person's name, address, social security number, and date of birth.

SEC. 7. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
