LEGISLATIVE COUNSEL'S DIGEST

AB 1102, as amended, Hancock. Marriage.

Existing law provides that marriage is a personal relation arising out of a civil contract between a man and a woman, and requires the licensure and solemnization thereof. Existing law provides for the issuance of marriage and confidential marriage licenses and sets the

fees thereof. Existing law further imposes duties on county clerks in that connection, as specified.

This bill would, operative January 1, 2008, revise and recast those provisions and related terms. Among other things, the bill would conform various statutory provisions of law to those changes. The bill would further regulate the issuance of confidential marriage licenses based upon an inability of the parties to appear, as specified, and would make related changes with regard to notaries public and the State Registrar. In issuing a duplicate marriage license or confidential marriage license, the bill would allow the county clerk to charge any fee to cover the actual costs of issuing that duplicate license, and would change the fee charged notaries public for approval to issue confidential marriage licenses to \$300. *Operative January 1, 2007, the bill would also allow an applicant, witness, or person solemnizing or performing a marriage ceremony to use his or her business address or post office box for purposes of the certificate of registry or marriage license.*

By adding to the duties of county employees to comply with ~~those~~ *the above-described* changes, this bill would impose a state-mandated local program.

This bill would incorporate additional changes in Section 358 of the Family Code, proposed by AB 2051, to be operative January 1, 2007, only if AB 2051 and this bill are both chaptered and become effective on or before January 1, 2007, and this bill is chaptered last.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 300 of the Family Code is amended to
- 2 read:

3 division, except as provided by Section 425 and Part 4
4 (commencing with Section 500).

5 (b) For purposes of this part, the document issued by the
