February 22, 2005

An act to amend Sections 24011 and 24300 of, and to add Sections 24304.2 and 27550.2 to, the Government Code, relating to county officers.

LEGISLATIVE COUNSEL'S DIGEST

AB 1318, as amended, Evans. County officers: public administrators.

(1) Existing law authorizes the boards of supervisors of specified counties to provide, by ordinance, that the public administrator be appointed by the board. Existing law also authorizes the boards of supervisors of specified counties, by ordinance, to appoint the same person to the offices of public administrator, veteran service officer, and public guardian.

This bill would include Sonoma County within those counties whose boards of supervisors are authorized to provide for the appointment of the public administrator by the board and within those counties whose boards of supervisors are authorized to appoint the same person to the offices of public administrator, veteran service officer, and public guardian.

(2) Existing law authorizes the board of supervisors, by ordinance, to consolidate the duties of certain county offices. Existing law requires the county surveyor to be elected unless the board of supervisors of the county provide for the surveyor’s appointment by ordinance.

This bill would authorize the board of supervisors, by ordinance, to consolidate the duties of the county surveyor and the Director of Transportation. The bill would specify that for Solano County, the county surveyor is not an elected position and may be appointed by the Director of Transportation if the board of supervisors have so provided for that appointment by ordinance and the surveyor, if so appointed, would serve at the will of the director.

This bill would authorize the Sonoma County Board of Supervisors and the Tulare County Board of Supervisors, by ordinance, to consolidate the duties of the offices of Auditor-Controller and Treasurer-Tax Collector into the elected office of Auditor-Controller-Treasurer-Tax Collector.

(3) This bill would incorporate additional changes in Section 24011 of the Government Code, proposed by SB 282, to be operative only if SB 282 and this bill are both chaptered and become effective on or before January 1, 2006, and this bill is chaptered last.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
