An act to amend Section 18951 of the Welfare and Institutions Code, relating to child abuse.

LEGISLATIVE COUNSEL'S DIGEST

AB 1907, as introduced, Lieu. Office of Child Abuse Prevention: multidisciplinary personnel.

Under existing law, the Office of Child Abuse Prevention is established in the State Department of Social Services. The office is authorized to allocate funding for child abuse treatment and prevention projects, including multidisciplinary services. Existing law defines "multidisciplinary personnel" for purposes of child abuse prevention services as a team of 3 or more persons trained in the prevention, identification, and treatment of child abuse and neglect cases and who are qualified to provide a broad range of services related to child abuse. Under existing law, a multidisciplinary personnel team may include, among others, psychiatrists, psychologists, and other trained counseling personnel.

This bill would revise the definition of multidisciplinary personnel to include marriage and family therapists.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
