

AMENDED IN ASSEMBLY MARCH 27, 2006

CALIFORNIA LEGISLATURE—2005—06 REGULAR SESSION

ASSEMBLY BILL

No. 2139

Introduced by Assembly Member Garcia

February 21, 2006

An act to add Section 6275 to the Family Code, relating to emergency protective orders.

LEGISLATIVE COUNSEL'S DIGEST

AB 2139, as amended, Garcia. Emergency protective orders.

Existing law authorizes a law enforcement officer to seek an emergency protective order when the officer asserts reasonable grounds to believe that a person is in immediate and present danger of domestic violence, that a child is in immediate and present danger of abuse by a family or household member, that a child is in immediate and present danger of being abducted by a parent or relative, ~~or~~ that an elder or dependent adult is in immediate and present danger of abuse, *or that a person is in immediate and present danger of stalking* as specified. An emergency protective order expires at the earlier of the fifth court day or seventh calendar day following the date of issuance.

This bill would require a law enforcement officer who responds to a situation involving ~~domestic violence~~ *the circumstances described above* to inform the victim ~~of domestic violence~~ that he or she may request the officer to request an emergency protective order. *The bill would require an officer to request an emergency protective order if the officer believes that the person requesting an emergency protective order is in immediate and present danger.*

By requiring a local law enforcement officer to request an emergency protective order under those circumstances, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:
