AMENDED IN SENATE JUNE 21, 2006

CALIFORNIA LEGISLATURE—2005–06 REGULAR SESSION

ASSEMBLY BILL

No. 2192

Introduced by Assembly Member Bass

February 22, 2006

An act to repeal and add Section 11251.3 of the Welfare and Institutions Code, relating to CalWORKs.

LEGISLATIVE COUNSEL'S DIGEST

AB 2192, as amended, Bass. CalWORKs.

Existing federal law provides for allocation of federal funds through the federal Temporary Assistance for Needy Families (TANF) block grant program to eligible states. Existing law provides for the California Work Opportunity and Responsibility to Kids (CalWORKs) program, under which each county provides cash assistance and other benefits to qualified low-income families through a combination of state, county, and federal funds received through the federal TANF program.

Under federal law, an individual convicted under federal or state law of any offense that is classified as a felony by the law of the jurisdiction involved, and of which has as an element the possession, use, or distribution of a controlled substance, as defined, shall not be eligible for assistance under any state program funded under provisions of federal law regarding the TANF program. Existing law authorizes a state to exempt any or all individuals domiciled in the state from the application of this prohibition.

Existing law provides that an individual who has been convicted in state or federal court of a felony that has as an element the possession, use, or distribution of a controlled substance, as defined under federal law or the California Uniform Controlled Substances Act, is ineligible for aid under the CalWORKs program. Existing law also requires a county to issue vouchers or vendor payments for at least rent and utilities payments for a family receiving aid that includes an individual who is ineligible for aid pursuant to these provisions.

This bill would, instead, provide that, with certain exceptions, a person convicted of drug-related felonies shall be eligible to receive CalWORKs benefits if he or she meets certain conditions of eligibility. This bill would also require a county to, instead, only issue voucher payments for at least rent and utilities payments for a family receiving aid that includes an ineligible individual, until that individual completes a government-recognized drug treatment program.

By revising standards of eligibility for benefits under the CalWORKs program, this bill would increase the responsibilities of counties, and would impose a state-mandated local program.

Existing law continuously appropriates moneys from the General Fund to defray a portion of county aid grant costs under the CalWORKs program.

This bill would instead provide that no appropriation would be made for purposes of the bill.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

29 act.

32 local agencies and school districts for those costs shall be made
33 pursuant to Part 7 (commencing with Section 17500) of Division
34 4 of Title 2 of the Government Code.
