Introduced by Senator Figueroa

February 24, 2006

An act to amend Sections 8625, 8636, and 8638 of, to repeal Section 8635 of, and to add Section 8632.5 to, the Family Code, relating to adoption.

LEGISLATIVE COUNSEL'S DIGEST

SB 1758, as amended, Figueroa. Adoption facilitators.

(1) Existing law provides a comprehensive scheme regarding adoption regulation, and also provides for the regulation of adoption facilitators, as defined. Existing law requires a person, prior to engaging in the business of or acting in the capacity of an adoption facilitator, to obtain a business license in the appropriate jurisdiction and be bonded in the amount of \$10,000.

This bill would instead require a person to post a bond in the amount of \$50,000, executed by a corporate surety admitted to do business in this state, with the State Department of Social Services. The bill would also require a person, whenever there is recovery from a bond, to ~~file a new bond~~ *replenish the bond or file a new bond if the former bond cannot be replenished* before that person may conduct further business as an adoption facilitator. The bill would require the adoption facilitator to notify the department in writing within 30 days

when a surety bond is renewed, and provide the department with changes in personal information, as specified.

The bill would also require the State Department of Social Services to establish and adopt regulations for a statewide registration process for adoption facilitators and to establish and adopt regulations to ensure that adoption facilitators comply with the requirements of posting a bond. The bill would authorize the department to adapt the process it uses to register adoption service providers in order to provide a similar registration process for adoption facilitators. The bill would also require an adoption facilitator, when posting a bond, to file with the department a disclosure form containing specified information about the person's educational background and identity, including fingerprint cards. Certain of these requirements would extend to staff members who provide direct adoption services. The bill would authorize the department to impose specified fees for covering the costs of processing fingerprint cards, maintaining a statewide registration system, and processing bonds of adoption facilitators.

The bill would also require the State Department of Social Services to post on its Internet Web site information that shows if an adoption facilitator is in compliance with the registration and bond requirements and to draft an adoption fraud manual, to be made available on the department's Web site and at county adoption orientations, as specified. The bill would also require the department to create a task force to study the activities of adoption facilitators and make recommendations for future legislation.

(2) Existing law prohibits an adoption facilitator from misleading a person into believing that the adoption facilitator is a licensed adoption agency or representing to a person that he or she is able to provide services for which the facilitator is not properly licensed.

This bill would also prohibit an adoption facilitator from making use of photolisting to advertise minor children for placement in adoption and from advertising specific information about particular minor children available for adoption.

(3) Existing law authorizes a person aggrieved by a violation of the provisions regarding adoption facilitators to bring a civil action for damages, rescission, or any other civil or equitable remedy.

This bill would revise that provision to specifically authorize a person to bring a civil action for injunctive relief. The bill would also provide that if the court finds a person has violated those provisions, it shall award actual damages plus an amount equal to treble the amount

of the actual damages or \$1,000 per violation, whichever is greater. The bill would also authorize the Attorney General, a district attorney, or a city attorney to bring a civil action for injunctive relief, restitution, or other equitable relief against the adoption facilitator in the name of the people of the State of California. The bill would further authorize any other person claiming a violation of those provisions to bring a civil action for injunctive relief on behalf of the general public.

(4) Existing law also authorizes a party, in any action to revoke or enforce a contract with an adoption facilitator, to recover reasonable attorneys' fees and costs.

This bill would expand that provision to apply to all civil actions regarding adoption facilitators. The bill would also set forth related findings and declarations.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. (a) The Legislature hereby finds and declares
2 the following:

3 (1) The sharp rise in the number of adoptions, and a significant
4 increase in adoption fees, has created an expanding industry for
5 adoption facilitators in California.

6 (2) Adoption facilitators are not licensed as adoption agencies,
7 but are adoption intermediaries who are required to hold a
8 business license, be bonded in the amount of ten thousand dollars
9 (\$10,000), and are regulated by California law in the areas of
10 disclosure and advertising.

11 (3) Recent accounts of fraudulent practices by adoption
12 facilitators demonstrate that current regulations are not strict or
13 extensive enough to safeguard birth parents and prospective
14 adoptive parents from fraud.

15 (b) It is the intent of the Legislature to enact legislation that
16 ensures the protection of birth parents and prospective adoptive
17 parents in dealing with adoption facilitators.

18 SEC. 2. Section 8625 of the Family Code is amended to read:

19 8625. An adoption facilitator shall not:

20 (a) Mislead any person into believing, or imply by any
21 document, including any form of advertising or by oral

1 communications, that the adoption facilitator is a licensed
2 adoption agency.

3 (b) Represent to any person that he or she is able to provide
4 services for which the facilitator is not properly licensed.

5 (c) Make use of photolisting to advertise minor children for
6 placement in adoption.

7 (d) Post in any advertising specific information about
8 particular minor children who are available for adoption
9 placement.

10 SEC. 3. Section 8632.5 is added to the Family Code, to read:

11 8632.5. (a) The department shall establish and adopt
12 regulations for a statewide registration process for adoption
13 facilitators. The department shall also establish and adopt
14 regulations to ensure that adoption facilitators comply with the
15 requirements of posting a bond, in accordance with this chapter.

16 (b) The department may adapt the process it uses to register
17 adoption service providers in order to provide a similar
18 registration process for adoption facilitators. The process used by
19 the department shall include a procedure for determining the
20 status of bond compliance by adoption facilitators, a means for
21 accepting or denying organizations seeking inclusion in the
22 adoption facilitator registry, and an appeals process for those
23 entities denied inclusion in the adoption facilitator registry.

24 (c) Upon the establishment by the department of a registration
25 process, all adoption facilitators that operate independently from
26 a licensed public or private adoption agency or an adoption
27 attorney in this state shall be required to register with the
28 department.

29 (d) An adoption facilitator, when posting a bond, shall also file
30 with the department a disclosure form containing the adoption
31 facilitator's name, date of birth, residence address, business
32 address, residence telephone number, business telephone number,
33 and the number of adoptions facilitated for the previous year.
34 Along with the disclosure form, the adoption facilitator shall
35 provide all of the following information to the department:

36 (1) (A) Proof that the facilitator and any member of the staff
37 who provides direct adoption services has completed two years
38 of college courses, with at least half of the units and hours
39 focusing on social work or a related field.

(B) An adoption facilitator and any member of the staff subject to this paragraph may waive the educational requirements by satisfying all of the following requirements:

(i) He or she has over five years of work experience providing direct adoption services.

(ii) He or she has not been found liable, and has no pending lawsuits, in connection with providing adoption services.

(iii) He or she provides three separate letters of support attesting to his or her ethics and work providing direct adoption services from any of the following:

(I) A licensed public or private adoption agency.

(II) A member of the Academy of California Adoption Lawyers.

(III) The State Department of Social Services.

(2) Proof of a minimum of three years of experience employed by a public or private adoption agency or adoption attorney who assists in bringing adopting persons and placing parents together for the purpose of adoption placement.

(3) A valid business license.

(4) A valid, current, government-issued identification to determine the adoption facilitator's identity, such as a California driver's license, identification card, passport, or other form of identification that is acceptable to the department.

(5) Two classifiable fingerprint cards of the adoption facilitator and all staff members, for purposes of submitting to a criminal background check.

(e) The department may impose a fee upon applicants of no more than three dollars (\$3.00) for each set of classifiable fingerprint cards that it processes pursuant to ~~subparagraph~~ *paragraph* (5) of subdivision (d), except that it shall not charge a fee for those submitted into an electronic fingerprint system using electronic fingerprint technology.

(f) The department shall post on its Internet Web site information that shows if an adoption facilitator is in compliance with the registration and bond requirements of this chapter. The department shall ensure that the information is current and shall update the information at least once every 30 days.

(g) The department shall draft an adoption fraud manual, which shall include recourse information for victims of fraud by adoption facilitators. This manual shall be made available in

1 electronic format by a link that may be accessed from the
2 department's Internet Web site and shall also be made available
3 in written format at county adoption orientations.

4 (h) The department shall develop the disclosure form required
5 pursuant to subdivision (d) and shall make it available to any
6 adoption facilitator posting a bond.

7 (i) The department may charge adoption facilitators an annual
8 filing fee to cover the cost of maintaining a statewide registration
9 system and processing bonds of adoption facilitators.

10 (j) The department shall create a taskforce to study the
11 activities of adoption facilitators and make recommendations for
12 future legislation.

20 the department in accordance with Section 8632.5.

21 (b) The surety bond required by subdivision (a) shall be in
22 favor of, and payable to, the people of the State of California and
23 shall be for the benefit of any person damaged by fraud,

13 a civil action for injunctive relief on behalf of the general public.
