~~An act to amend Sections 290.46 and 3003 of the Penal Code, relating to sex offenders. An act relating to inmates.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 148, as amended, ~~Alarcon~~ *Lieber*. ~~Sex offenders. Female offenders: dental care.~~

~~Existing law authorizes the use of any information relating to sex offenders disclosed on the Internet Web site maintained by the Department of Justice only to protect a person at risk and prohibits the use of the information for purposes relating to health insurance, insurance, loans, credit, employment, education, scholarships, or fellowships, housing or accommodations, or benefits, privileges, or services provided by any business establishment.~~

~~This bill would remove the prohibition against using the information for purposes relating to housing or accommodation and would authorize that a lessor of residential real property may refuse to provide housing to, or evict, a sex offender whose residence address is made available on the Web site. This bill would also provide that a lessor may inform other residents of that residential real property that a person whose residence address is made available on the Internet Web site also resides in the residential real property.~~

~~Existing law, as amended by Proposition 83 of the November 7, 2006, statewide general election, requires the Department of Corrections and~~

Rehabilitation to place a parolee in an appropriate county upon the parolee's release from prison, as determined by specified conditions.

~~This bill would add the condition that inmates who are released on parole for violation of any sexual offense for which registration is required pursuant to specified provisions be evenly placed throughout the state, as specified.~~

~~Proposition 83 permits the Legislature, by majority vote of the membership of each house, to amend the provisions of the act to expand the scope of the application of the provisions of Proposition 83.~~

~~Under existing law, the Department of Corrections and Rehabilitation is charged with the care and custody of state prison inmates.~~

~~This bill would require the department to prioritize implementation of the provisions of the settlement in Perez v. Tilton in all institutions that house female offenders. The bill would require female offenders who are otherwise eligible for placement in community correctional facilities but whose placement is delayed because of unresolved dental problems to receive priority for dental care.~~

~~This bill would declare that it is to take effect immediately as an urgency statute.~~

Vote: ~~majority~~<sup>2/3</sup>. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1     SECTION 1. *The Department of Corrections and Rehabilitation*
