ASSEMBLY BILL

No. 499

Introduced by Assembly Member Swanson
(Principal coauthor: Senator Romero)
(Coauthor: Senator Perata)

February 20, 2007

An act to add and repeal Chapter 4.3 (commencing with Section 18259) of Part 6 of Division 9 of the Welfare and Institutions Code, relating to sexually exploited minors.

LEGISLATIVE COUNSEL'S DIGEST

AB 499, as amended, Swanson. Commercially sexually exploited minors.

Existing law declares the findings of the Legislature that there is a need to develop programs to ameliorate, reduce, and ultimately eliminate the trauma of child sexual abuse, and that, for the purposes of developing and providing these programs and services, and for the training of, and providing information to, city and county personnel throughout the state, it is necessary to expand specified services.

This bill would, until January 1, 2012, authorize the District Attorney of Alameda County to create a pilot project, contingent upon local

funding, for the purposes of developing a comprehensive, *replicative*, multidisciplinary model to address the needs and effective treatment of commercially sexually exploited minors, as specified. The bill would authorize the District Attorney of Alameda County, as part of the pilot project, to develop protocols for identifying and assessing minors, upon arrest or detention by law enforcement, who may be victims of commercial sexual exploitation, and to develop a diversion program reflecting the best practices to address the needs and requirements of those minors. The district attorney would also be authorized to develop, offer, and provide a training curriculum that would provide training for certain county employees on the commercial sexual exploitation of minors in Alameda County, as specified.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. It is the intent of the Legislature to encourage
2 the development of a comprehensive, multidisciplinary model
3 reflecting the best practices for the response of law enforcement
4 and the criminal and juvenile justice systems to identify and assess
5 commercially sexually exploited children who have been arrested
6 or detained by local law enforcement.

7 SEC. 2. Chapter 4.3 (commencing with Section 18259) is added
8 to Part 6 of Division 9 of the Welfare and Institutions Code, to
