An act to amend Sections 92020 and 92032 of, and to add Sections 66602.5 and 66602.7 to, the Education Code, relating to public postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 190, as amended, Yee. Public postsecondary education: California State University: University of California: open meetings.

(1) Existing law establishes the Trustees of the California State University, and provides for the administration of the university by that body. Under existing law, the membership of the trustees includes 16 members appointed by the Governor and 5 ex officio members, who are the Governor, the Lieutenant Governor, the Superintendent of Public Instruction, the Speaker of the Assembly, and the person named by the trustees to serve as the Chancellor of the California State University.

Existing law, the Bagley-Keene Act, generally requires, with specified exceptions for authorized closed sessions, that the meetings of state bodies be open and public and that all persons be permitted to attend. The Bagley-Keene Act also generally requires that the agenda for meetings provide an opportunity for members of the public to directly address the body of any item of interest to the public that is within the

subject matter jurisdiction of the body. Each member of a state body who attends a meeting of that body in violation of any provision of the Bagley-Keene Act, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under the act, is guilty of a misdemeanor.

This bill would make all meetings of the trustees subject to the Bagley-Keene Act, except as provided in the bill. By extending the provisions of the Bagley-Keene Act to cover the meetings of the trustees, the bill would constitute a state-mandated local program by creating a new crime.

The bill would ~~generally authorize~~ *require* the trustees, defined to mean the board of trustees and its standing and special committees or subcommittees and advisory groups, study groups, or task forces created by specified entities that include one or more trustees, other than ex officio members of the trustees, as members and that have continuing subject matter jurisdiction or that have a regular meeting schedule, other than groups of 3 or fewer trustees appointed to advise and assist the university administration in contract negotiations and advisory groups whose purpose is to recruit executives for the university, ~~to conduct closed sessions when they meet to consider or discuss specified matters, including matters concerning the appointment, employment, performance, compensation, or dismissal of certain university officers or employees.~~

~~The bill would also require action taken~~ *take action in open session* on an executive compensation proposal concerning the Chancellor of the California State University, the president of an individual campus, ~~specified a vice-chancellors~~ *chancellor*, the treasurer, the assistant treasurer, the general counsel, or the trustees' secretary ~~to occur in open session.~~

(2) Existing law establishes the Regents of the University of California, and provides for the administration of the university by that body. Under existing law, the membership of the regents includes 18 members appointed by the Governor and 7 ex officio members, who are the Governor, the Lieutenant Governor, the Speaker of the Assembly, the Superintendent of Public Instruction, the president and vice president of the alumni association of the university, and the acting president of the university. Under existing law, meetings of the regents are subject to the Bagley-Keene Act, except as otherwise prescribed in provisions specifically applicable to the regents.

Existing law generally authorizes the regents, defined to mean the board of regents and its standing and special committees or subcommittees, other than groups of 3 or fewer regents appointed to advise and assist the university administration in contract negotiations, to conduct closed sessions when they meet to consider or discuss specified matters, including matters concerning the appointment, employment, performance, compensation, or dismissal of certain university officers or employees. Existing law requires action by the regents on compensation proposals for the principal officers of the regents and the officers of the university, as defined, to be in open session.

This bill would provide that the definition of the regents for these purposes would include advisory groups, study groups, or task forces created by specified entities that include one or more regents, other than the ex officio members of the regents, as members and that have continuing subject matter jurisdiction or that have a regular meeting schedule, except as specified. The bill would also require action taken on an executive compensation proposal concerning the President of the University of California, the chancellor of an individual campus, ~~specified a vice-presidents~~ *president*, the treasurer, the assistant treasurer, the general counsel, or the secretary to occur in open session.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
