ASSEMBLY BILL

No. 15

Introduced by Assembly Member Fuentes
(Principal coauthor: Assembly Member Smyth)
(Coauthors: Assembly Members DeVore and Nielsen)

December 1, 2008

An act to amend Sections 218, 17207, and 24347.5 of, and to add Sections 170.5, 195.149, 195.150, and 195.151 to, the Revenue and Taxation Code, relating to disaster relief, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 15, as amended, Fuentes. Disaster relief.

(1) Existing law authorizes a county board of supervisors to provide by ordinance for the reassessment of property that is damaged or destroyed, without fault on the part of the assessee, by a major misfortune or calamity, upon the application of the assessee or upon the action of the county assessor with the board's approval. With respect to certain counties that have adopted reassessment ordinances and have been declared by the Governor to be in a state of emergency as a result

of certain events, existing law provides for state allocations of the estimated amounts of the reductions in property tax revenues resulting in certain fiscal years from reassessments under those ordinances. Existing law also continuously appropriates, without regard to fiscal years, moneys in the Special Fund for Economic Uncertainties for purposes of funding these state allocations.

This bill would provide for similar state allocations with respect to property tax revenue reductions resulting from a reassessment for damages incurred within the Counties of Los Angeles and Ventura, which were declared by the Governor to be in a state of emergency due to the wildfires that commenced in October 2008 or November 2008.

By requiring moneys continuously appropriated from the Special Fund for Economic Uncertainties to be allocated for the new purpose of reimbursing the Counties of Los Angeles and Ventura for these property tax revenue reductions, this bill would make an appropriation.

(2) Existing property tax law provides, pursuant to a specified provision of the California Constitution, for a homeowners' property tax exemption in the amount of \$7,000 of the full value of a "dwelling," as defined.

This bill would also provide that any dwelling that qualified for the exemption prior to the commencement dates of the wildfires that were the subject of the Governor's proclamations in October 2008 and November 2008, that was damaged or destroyed by the wildfires in the Counties of Los Angeles and Ventura, and that has not changed ownership since the commencement date of those wildfires, may not be denied the exemption solely on the basis that the dwelling was temporarily damaged or destroyed or was being reconstructed by the owner, or was temporarily uninhabited as a result of restricted access to the property due to wildfires.

The California Constitution requires the Legislature, in each fiscal year, to reimburse local governments for the revenue losses incurred by those governments in that fiscal year as a result of the homeowners' property tax exemption.

This bill would state the intent of the Legislature to make this required reimbursement in the annual Budget Act. By requiring local tax officials to implement new exemption criteria, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

(3) The Personal Income Tax Law and the Corporation Tax Law provide for the carryover to specified taxable years of specified losses sustained as a result of certain disasters occurring in California in an area determined by the President of the United States to warrant specified federal assistance, or proclaimed by the Governor to be in a state of emergency.

This bill would extend these provisions to losses sustained in the Counties of Los Angeles and Ventura as a result of the wildfires that commenced in October 2008 or November 2008. This bill would authorize a taxpayer to make an election to claim a deduction for those losses on the tax return for the preceding year.

(4) Existing law requires the auditor of a county which was the subject of the Governor's proclamation of a state of emergency to certify to the Director of Finance an estimate of the total reduction in property tax revenues resulting from the reassessment by the county assessor of those properties that are eligible as a result of disasters, and requires the director to verify the county auditor's estimate and certify that amount to the Controller for allocation to the county.

This bill would require, for any fire disaster occurring after January 1, 2010, the Department of Finance not to certify a county auditor's estimate of the total reduction in property tax resulting from the reassessment by the county assessor of eligible properties as a result of those disasters unless the county demonstrates compliance with specified requirements at the time the fire disaster occurred.

(5) *This bill would incorporate additional changes in Sections 218, 17207, and 24347.5 of the Revenue and Taxation Code proposed by AB 50, to be operative only if AB 50 and this bill are both enacted and become effective on or before January 1, 2010, both bills amend those sections, this bill is enacted after AB 50, and both AB 666 and SB 505 are enacted.*

(5)

(6) This bill would become operative only if both AB 666 and SB 505 of the 2009–10 Regular Session of the Legislature are enacted in 2009, and the operative date would depend on the enactment date of those bills.

(6)

(7) This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: yes. Fiscal committee: yes.

State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 170.5 is added to the Revenue and
2 Taxation Code, to read:

3 170.5. For any fire disaster occurring after January 1, 2010,
4 the Department of Finance shall not certify a county auditor's
5 estimate of the total amount of the reduction in property tax
6 revenues resulting from the reassessment by the county assessor
7 pursuant to paragraph (1) of subdivision (a) of Section 170 of those
8 properties that are eligible properties as a result of those disasters,
9 unless the county demonstrates compliance with all of the
10 following requirements at the time the fire disaster occurred:

11 (a) The county had at least one of the following for each state
12 responsibility area within its jurisdiction:

13 (1) Its own structural fire protection services.

14 (2) A contract providing structural fire protection services by
15 the Department of Forestry and Fire Protection that requires all
16 state costs to provide structural fire protection be included in the
17 contract, including, but not limited to, salaries and wages, benefits,
18 retirement, distributed administrative costs, workers' compensation,
19 equipment, and costs associated with entering into the contract.

20 (3) Structural fire protection services from another county, city,
21 special district, or political subdivision of the state, or another
22 entity organized solely to provide fire protection services that is
23 monitored and funded by a county or other public entity.

24 (b) The county was in compliance with Chapter 6.8
25 (commencing with Section 51175) of Part 1 of Division 1 of Title
26 5 of the Government Code.

27 (c) If a county had land designated as a very high fire hazard
28 severity zone of state responsibility area within its jurisdiction, the
29 county had a fire risk reduction public education program that
30 included, but was not limited to, recommendations for
31 ignition-resistant landscaping, creating and maintaining defensible
32 space around homes and other structures, and ignition-resistant
33 construction principles.

1 SEC. 2. Section 195.149 is added to the Revenue and Taxation
2 Code, to read:

3 195.149. (a) By October 30, 2009, the auditors of the Counties
4 of Los Angeles and Ventura, which were the subject of the
5 Governor's disaster proclamations of October 13, 2008, and
6 November 15, 2008, shall certify to the Director of Finance an
7 estimate of the total amount of the reduction in property tax
8 revenues on both the regular secured roll and the supplemental
9 roll for the 2008–09 fiscal year resulting from the reassessment
10 by the county assessor pursuant to paragraph (1) of subdivision
11 (a) of Section 170 of those properties that are eligible properties
12 as a result of those disasters, except that the amount certified shall
13 not include any estimated property tax revenue reductions to school
14 districts, other than basic state aid school districts, and county
15 offices of education.

16 (b) For purposes of this section, "basic state aid school district"
17 means any school district that does not receive a state
18 apportionment pursuant to subdivision (h) of Section 42238 of the
19 Education Code, but receives from the state only a basic
20 apportionment pursuant to Section 6 of Article IX of the California
21 Constitution.

22 SEC. 3. Section 195.150 is added to the Revenue and Taxation
23 Code, to read:

24 195.150. After the county auditor of the eligible county, as
25 described in Section 195.149, has made the applicable certification
26 to the Director of Finance pursuant to that section, the director
27 shall within 30 days after verification of the county auditor's
28 estimate, certify this amount to the Controller for allocation to the
29 county. Upon receipt of certification from the Director of Finance,
30 the Controller shall make the appropriate allocation to the county
31 within 10 working days.

32 SEC. 4. Section 195.151 is added to the Revenue and Taxation
33 Code, to read:

34 195.151. (a) On or before June 30, 2010, an eligible county,
35 as described in Section 195.149, shall compute and remit to the
36 Controller for deposit in the General Fund an amount equal to the
37 amount allocated to it by the Controller pursuant to Section
38 195.150, less the actual amount of its property tax revenue lost on
39 the regular secured and supplemental rolls with respect to those
40 eligible properties described in Section 195.149 as a result of the

1 reassessment of those properties pursuant to paragraph (1) of
2 subdivision (a) of Section 170, excluding any property tax revenue
3 lost by school districts, other than basic state aid school districts,
4 and county offices of education. If the actual amount of property
5 tax revenue lost by an eligible county in the immediately preceding
6 fiscal year, as described and limited in the preceding sentence,
7 exceeds the amount allocated by the Controller to that county
8 pursuant to Section 195.150, the Controller shall allocate the
9 amount of that excess to that eligible county.

10 (b) For purposes of this section, “basic state aid school district”
11 means any school district that does not receive a state
12 apportionment pursuant to subdivision (h) of Section 42238 of the
13 Education Code, but receives from the state only a basic
14 apportionment pursuant to Section 6 of Article IX of the California
15 Constitution.

19 amount of the assessed value of the dwelling specified in this
20 section, as authorized by subdivision (k) of Section 3 of Article
21 XIII of the Constitution. That exemption shall be in the amount
22 of seven thousand dollars (\$7,000) of the full value of the dwelling.

23 (b) The exemption does not extend to property that is rented,
24 vacant, under construction on the lien date, or that is a vacation or
25 secondary home of the owner or owners, nor does it apply to
26 property on which an owner receives the veteran’s exemption.

27 (c) For purposes of this section, all of the following apply:

10 of share or membership interests in the cooperative housing
11 corporations so as to benefit those owners who qualify for the
12 exemption.
