CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 154

Introduced by Assembly Member Evans

January 23, 2009

An act to amend Sections 16118 and 16119 of, and to add Section 16132 to, the Welfare and Institutions Code, relating to adoption assistance.

LEGISLATIVE COUNSEL'S DIGEST

AB 154, as amended, Evans. Adoption assistance: federal law.

Under existing law, the State Department of Social Services is required to provide assistance to families adopting children from the foster care system. Payments may be made for ongoing expenses or for one-time adoption expenses, as provided. Existing law requires the department to actively seek and make maximum use of federal funds that may be available for those purposes.

This bill would state the intent of the Legislature to conform state statutes with specified federal legislation and to expend savings resulting from changes in eligibility for adoption assistance on specified services.

Existing law also requires the department or the licensed adoption agency to disclose specified information to prospective adoptive families.

This bill would add to those disclosure requirements that the department or licensed adoption agency inform the prospective adoptive family of their potential eligibility for a federal and state tax credit.

This bill would incorporate additional changes in Section 16119 of the Welfare and Institutions Code, proposed by S.B. 597, to be operative only if S.B. 597 and this bill are both chaptered and become effective on or before January 1, 2010, and this bill is chaptered last.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 16118 of the Welfare and Institutions
2 Code is amended to read:

3 16118. (a) The department shall establish and administer the
4 program to be carried out by the department or the county pursuant
5 to this chapter. The department shall adopt any regulations
6 necessary to carry out the provisions of this chapter.

7 (b) The department shall keep the records necessary to evaluate
8 the program's effectiveness in encouraging and promoting the
9 adoption of children eligible for the Adoption Assistance Program.

10 (c) The department or the county responsible for providing
11 financial aid in the amount determined in Section 16120 shall have
12 responsibility for certifying that the child meets the eligibility
13 criteria and for determining the amount of financial assistance
14 needed by the child and the adopting family.

15 (d) The department shall actively seek and make maximum use
16 of federal funds that may be available for the purposes of this
17 chapter. In accordance with federal law, any savings in state funds
18 realized from the change in federal funding for adoption assistance
19 resulting from the enactment of Public Law 110-351 shall be spent
20 for the provision of foster care and adoption services. All gifts or
21 grants received from private sources for the purpose of this chapter
22 shall be used to offset public costs incurred under the program
23 established by this chapter.

24 (e) For purposes of this chapter, the county responsible for
25 determining the child's Adoption Assistance Program eligibility
26 status and for providing financial aid in the amount determined in
27 Sections 16120 and 16120.1 shall be the county that, at the time
28 of the adoptive placement, would otherwise be responsible for

1 making a payment pursuant to Section 11450 under the CalWORKs
2 program or Section 11461 under the Aid to Families with
3 Dependent Children-Foster Care program if the child were not
4 adopted. When the child has been voluntarily relinquished for
5 adoption prior to a determination of eligibility for this payment,
6 the responsible county shall be the county in which the
7 relinquishing parent resides. The responsible county for all other
8 eligible children shall be the county where the child is physically
9 residing prior to placement with the adoptive family. The

11 the department.

17 the adoption decree, the department or the licensed adoption
