(Coauthor: Senator DeSaulnier)

February 23, 2009

An act to amend Sections 1771 and 1788 of, and to add Article 9 (commencing with Section 1793.80) to Chapter 10 of Division 2 of, the Health and Safety Code, relating to continuing care retirement communities.

LEGISLATIVE COUNSEL'S DIGEST

AB 407, as amended, Beall. Continuing care contracts: retirement communities: closure.

Existing law contains provisions relating to supervision of continuing care contracts, including requirements governing continuing care communities and contracts. Existing law requires the State Department of Social Services to regulate activity relating to continuing care contracts, and requires that continuing care retirement communities maintain an environment that enhances residents' independence and self-determination and in that regard imposes various requirements on a care provider. Existing law defines various terms for purposes of those contracts and requirements, and imposes specified civil and criminal penalties for violations of those provisions.

This bill would define the term “permanent closure” for purposes of those provisions, to mean prescribed events that will cause the relocation of residents.

This bill would impose various requirements on a provider with respect to the permanent closure of a continuing care retirement community facility, or a portion thereof, as specified, including providing 120 days’ written notice to the department, and affected residents or designated representatives of these residents of the intended date of closure of a facility. The bill would require a provider, no less than 90 days prior to the permanent closure of a continuing care retirement community facility, or a portion thereof, to provide the department, affected residents and their representatives, and the local long-term care ombudsman program, with a written closure and relocation plan for the facility, containing specified information. The bill would require the department to monitor the implementation of the closure and relocation plan, as necessary, to ensure full compliance by the provider, and would prohibit a provider from taking any action to relocate a resident or to close the facility, until the plan has been prepared and submitted to the department by the provider and provided to the affected residents of the facility, the affected residents’ designated representatives, and the local long-term care ombudsman program. The bill would also require the provider, in the case of a permanent closure, to offer the resident the choice of replacement housing, monetary compensation equal to the remaining value of the contract, or an alternative arrangement mutually agreed upon by the provider and the resident. Because this bill would change the definition of a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1771 of the Health and Safety Code is

36 (i) The resident is nonambulatory. The definition of
37 "nonambulatory," as provided in Section 13131, shall either be
38 stated in full in the continuing care contract or be cited. If Section
39 13131 is cited, a copy of the statute shall be made available to the
40 resident, either as an attachment to the continuing care contract or

1 by specifying that it will be provided upon request. If a
2 nonambulatory resident occupies a room that has a fire clearance
3 for nonambulatory residence, transfer shall not be necessary.

20 resident's or responsible person's request, family members, or the
21 resident's physician or other appropriate health professional, in
22 the assessment process that forms the basis for the level of care
23 transfer decision by the provider. The provider shall offer an
24 explanation of the assessment process. If an assessment tool or
25 tools, including scoring and evaluating criteria, are used in the
26 determination of the appropriateness of the transfer, the provider
27 shall make copies of the completed assessment available upon the
28 request of the resident or the resident's responsible person.

29 (ii) Prior to sending a formal notification of transfer, the provider
30 shall conduct a care conference with the resident and the resident's
31 responsible person, and upon the resident's or responsible person's
32 request, family members, and the resident's health care
33 professionals, to explain the reasons for transfer.

34 (iii) Notify the resident and the resident's responsible person *of*
35 the reasons for the transfer in writing.

36 (iv) Notwithstanding any other provision of this subparagraph,
37 if the resident does not have impairment of cognitive abilities, the
38 resident may request that his or her responsible person not be
39 involved in the transfer process.

1 (v) The notice of transfer shall be made at least 30 days before
2 the transfer is expected to occur, except when the health or safety
3 of the resident or other residents is in danger, or the transfer is

35 failed to comply with the transfer process pursuant to
36 subparagraphs (A) to (C), inclusive. Pending the decision of the
37 Continuing Care Contracts Branch, the provider shall specify any

18 state, when applicable, that the credit may be permitted at the
19 discretion or by special permission of the provider.

20 (F) A statement of billing practices, procedures, and timelines.
21 A provider shall allow a minimum of 14 days between the date a
22 bill is sent and the date payment is due. A charge for a late payment

6 the continuing care contract include any proprietary interests in
7 the assets of the provider or in the continuing care retirement
8 community, or both. Any statement in a contract concerning an
9 ownership interest shall appear in a large-sized font or print.

10 (25) If the continuing care retirement community property is
11 encumbered by a security interest that is senior to any claims the
12 residents may have to enforce continuing care contracts, a provision
13 shall advise the residents that any claims they may have under the
14 continuing care contract are subordinate to the rights of the secured
15 lender. For equity projects, the continuing care contract shall
16 specify the type and extent of the equity interest and whether any

33 provider without cause, or that the provider waives this right.

34 (29) The terms and conditions under which the continuing care
35 contract may be terminated after the cancellation period by either
36 party, including any health or financial conditions.

37 (30) A statement that, after the cancellation period, a provider
38 may unilaterally terminate the continuing care contract only if the
39 provider has good and sufficient cause.

1 (A) Any continuing care contract containing a clause that
2 provides for a continuing care contract to be terminated for “just
3 cause,” “good cause,” or other similar provision, shall also include
4 a provision that none of the following activities by the resident,
5 or on behalf of the resident, constitutes “just cause,” “good cause,”
6 or otherwise activates the termination provision:

7 (i) Filing or lodging a formal complaint with the department or
8 other appropriate authority.

9 (ii) Participation in an organization or affiliation of residents,
10 or other similar lawful activity.

11 (B) The provision required by this paragraph shall also state

26 continuing care contract after the cancellation period.

27 (33) The policy or terms for refunding any portion of the
28 entrance fee, in the event of cancellation, termination, or death.
29 Every continuing care contract that provides for a refund of all or
30 a part of the entrance fee shall also do all of the following:

31 (A) Specify the amount, if any, the resident has paid or will pay
32 for upgrades, special features, or modifications to the resident’s
33 unit.

34 (B) State that if the continuing care contract is canceled or
35 terminated by the provider, the provider shall do both of the
36 following:

37 (i) Amortize the specified amount at the same rate as the
38 resident’s entrance fee.

39 (ii) Refund the unamortized balance to the resident at the same
40 time the provider pays the resident’s entrance fee refund.

3 “NOTICE” (date)
4

5 This is a continuing care contract as defined by paragraph (8)
6 of subdivision (c), or subdivision (l) of Section 1771 of the
7 California Health and Safety Code. This continuing care contract
8 form has been approved by the State Department of Social Services
9 as required by subdivision (b) of Section 1787 of the California
10 Health and Safety Code. The basis for this approval was a
11 determination that (provider name) has submitted a contract that
12 complies with the minimum statutory requirements applicable to
13 continuing care contracts. The department does not approve or
14 disapprove any of the financial or health care coverage provisions
15 in this contract. Approval by the department is NOT a guaranty
16 of performance or an endorsement of any continuing care contract
17 provisions. Prospective transferors and residents are strongly
18 encouraged to carefully consider the benefits and risks of this
19 continuing care contract and to seek financial and legal advice
20 before signing.

21 (35) The provider may not attempt to absolve itself in the
22 continuing care contract from liability for its negligence by any
23 statement to that effect, and shall include the following statement
24 in the contract: “Nothing in this continuing care contract limits
25 either the provider’s obligation to provide adequate care and
26 supervision for the resident or any liability on the part of the
27 provider which may result from the provider’s failure to provide
28 this care and supervision.”

29 (36) Provisions describing how the provider will proceed in the
30 event of a closure, including an explanation of how the provider
31 will comply with Sections 1793.80, 1793.81, 1793.82, and 1793.83.

32 (b) A life care contract shall also provide that:

33 (1) All levels of care, including acute care and physicians’ and
34 surgeons’ services will be provided to a resident.

35 (2) Care will be provided for the duration of the resident’s life
36 unless the life care contract is canceled or terminated by the
37 provider during the cancellation period or after the cancellation
38 period for good cause.

39 (3) A comprehensive continuum of care will be provided to the
40 resident, including skilled nursing, in a facility under the ownership

1 and supervision of the provider on, or adjacent to, the continuing
2 care retirement community premises.

3 (4) Monthly care fees will not be changed based on the resident's
4 level of care or service.

5 (5) A resident who becomes financially unable to pay his or her
6 monthly care fees shall be subsidized provided the resident's
7 financial need does not arise from action by the resident to divest
8 the resident of his or her assets.

9 (c) Continuing care contracts may include provisions that do
10 any of the following:

11 (1) Subsidize a resident who becomes financially unable to pay
12 for his or her monthly care fees at some future date. If a continuing
13 care contract provides for subsidizing a resident, it may also
14 provide for any of the following:

15 (A) The resident shall apply for any public assistance or other
16 aid for which he or she is eligible and that the provider may apply
17 for assistance on behalf of the resident.

18 (B) The provider's decision shall be final and conclusive
19 regarding any adjustments to be made or any action to be taken
20 regarding any charitable consideration extended to any of its
21 residents.

22 (C) The provider is entitled to payment for the actual costs of
23 care out of any property acquired by the resident subsequent to
24 any adjustment extended to the resident under paragraph (1), or
25 from any other property of the resident that the resident failed to
26 disclose.

27 (D) The provider may pay the monthly premium of the resident's
28 health insurance coverage under Medicare to ensure that those
29 payments will be made.

30 (E) The provider may receive an assignment from the resident
31 of the right to apply for and to receive the benefits, for and on
32 behalf of the resident.

33 (F) The provider is not responsible for the costs of furnishing
34 the resident with any services, supplies, and medication, when
35 reimbursement is reasonably available from any governmental
36 agency, or any private insurance.

37 (G) Any refund due to the resident at the termination of the
38 continuing care contract may be offset by any prior subsidy to the
39 resident by the provider.

1 (2) Limit responsibility for costs associated with the treatment
2 or medication of an ailment or illness existing prior to the date of
3 admission. In these cases, the medical or surgical exceptions, as
4 disclosed by the medical entrance examination, shall be listed in
5 the continuing care contract or in a medical report attached to and
6 made a part of the continuing care contract.

7 (3) Identify legal remedies that may be available to the provider
8 if the resident makes any material misrepresentation or omission
9 pertaining to the resident's assets or health.

10 (4) Restrict transfer or assignments of the resident's rights and
11 privileges under a continuing care contract due to the personal
12 nature of the continuing care contract.

13 (5) Protect the provider's ability to waive a resident's breach
14 of the terms or provisions of the continuing care contract in specific
15 instances without relinquishing its right to insist upon full
16 compliance by the resident with all terms or provisions in the
17 contract.

18 (6) Provide that the resident shall reimburse the provider for
19 any uninsured loss or damage to the resident's unit, beyond normal
20 wear and tear, resulting from the resident's carelessness or
21 negligence.

22 (7) Provide that the resident agrees to observe the off-limit areas
23 of the continuing care retirement community designated by the
24 provider for safety reasons. The provider may not include any
25 provision in a continuing care contract that absolves the provider
26 from liability for its negligence.

27 (8) Provide for the subrogation to the provider of the resident's
28 rights in the case of injury to a resident caused by the acts or
29 omissions of a third party, or for the assignment of the resident's
30 recovery or benefits in this case to the provider, to the extent of
31 the value of the goods and services furnished by the provider to
32 or on behalf of the resident as a result of the injury.

33 (9) Provide for a lien on any judgment, settlement, or recovery
34 for any additional expense incurred by the provider in caring for
35 the resident as a result of injury.

36 (10) Require the resident's cooperation and assistance in the
37 diligent prosecution of any claim or action against any third party.

38 (11) Provide for the appointment of a conservator or guardian
39 by a court with jurisdiction in the event a resident becomes unable
40 to handle his or her personal or financial affairs.

1 (12) Allow a provider, whose property is tax exempt, to charge
2 the resident, on a pro rata basis, property taxes, or in-lieu taxes,
3 that the provider is required to pay.

4 (13) Make any other provision approved by the department.

5 (d) A copy of the resident's rights as described in Section 1771.7
6 shall be attached to every continuing care contract.

7 (e) A copy of the current audited financial statement of the
8 provider shall be attached to every continuing care contract. For
9 a provider whose current audited financial statement does not
10 accurately reflect the financial ability of the provider to fulfill the
11 continuing care contract obligations, the financial statement
12 attached to the continuing care contract shall include all of the
13 following:

14 (1) A disclosure that the reserve requirement has not yet been
15 determined or met, and that entrance fees will not be held in
16 escrow.

17 (2) A disclosure that the ability to provide the services promised
18 in the continuing care contract will depend on successful
19 compliance with the approved financial plan.

20 (3) A copy of the approved financial plan for meeting the reserve
21 requirements.

22 (4) Any other supplemental statements or attachments necessary
23 to accurately represent the provider's financial ability to fulfill its
24 continuing care contract obligations.

25 (f) A schedule of the average monthly care fees charged to
26 residents for each type of residential living unit for each of the five
27 years preceding execution of the continuing care contract shall be
28 attached to every continuing care contract. The provider shall
29 update this schedule annually at the end of each fiscal year. If the
30 continuing care retirement community has not been in existence
31 for five years, the information shall be provided for each of the
32 years the continuing care retirement community has been in
33 existence.

34 (g) If any continuing care contract provides for a health
35 insurance policy for the benefit of the resident, the provider shall
36 attach to the continuing care contract a binder complying with
37 Sections 382 and 382.5 of the Insurance Code.

38 (h) The provider shall attach to every continuing care contract
39 a completed form in duplicate, captioned "Notice of Cancellation."

The notice shall be easily detachable, and shall contain, in at least 10-point boldface type, the following statement:

“NOTICE OF CANCELLATION” (date)

4 Article 9. Continuing Care Retirement Community Closures

5
6 1793.80. (a) Notwithstanding any other provisions of law, a
7 provider regulated under this chapter shall, no less than 120 days
8 prior to the intended date of the permanent closure of a continuing
9 care retirement community facility, as defined in paragraph (3) of
10 subdivision (p) of Section 1771, provide written notice to the
11 department and to the affected residents and their designated
12 representatives. The notice shall contain the following statement
13 of residents' rights under this article, in no less than 12-point type:

14
15 "This facility is planned for permanent closure on or after
16 [state date of closure] that will require you to vacate your
17 living unit. Residents of continuing care retirement
18 communities in California have certain rights and continuing
19 care community providers have certain responsibilities when
20 a continuing care community closes. Those rights include, but
21 are not limited to, the following:

22
23 —

24 1. Prior to closing, the provider shall provide a permanent
25 closure plan to the Continuing Care Contracts Branch of the
26 State Department of Social Services that describes the options
27 available to residents for relocating to another part of the
28 facility, or another facility or the compensation to be provided
29 to residents.

30
31 2. No action can be taken to relocate any resident or to close
32 the facility until the permanent closure and relocation plan has
33 been prepared and provided to the department, the affected
34 residents of the facility and their designated representatives,
35 and to the local long-term care ombudsman program."

36
37 (b) Upon service of the closure notice when closure is planned
38 for all units in a facility, the provider is prohibited from accepting
39 new residents or entering into new continuing care contracts at the
40 facility being closed.

1793.81. No less than 90 days prior to the permanent closure of the continuing care retirement community facility, as defined in paragraph (3) of subdivision (p) of Section 1771, the provider shall provide to the department, the affected residents of the facility and their designated representatives, and to the local long-term care ombudsman program, a written closure and relocation plan.

The plan shall contain all of the following information:

(a) The number of affected residents at each level of care in the continuing care retirement community facility.

(b) Assessment of unique service and care needs, if applicable, for all of the following:

(1) Affected residents in skilled nursing and special care.

(2) Affected residents in assisted living units.

(3) Affected residents in the residential living units who require assistance with three or more activities of daily living, and other residents upon request.

(c) An explanation on how comparable care, if applicable, and comparable replacement housing will be provided.

(d) A detailed description of the services the provider will provide to residents to assist them in relocating, including, but not limited to, reasonable costs of moving, storage, if applicable, and transportation that shall be arranged by the provider in consultation with the resident and his or her designated representative, and paid for directly by the provider.

(e) The names and addresses of other continuing care retirement communities operated by the provider and whether there are openings available to the residents.

(f) The names and addresses of other continuing care retirement communities within 30 miles of the closing continuing care retirement community facility that provide comparable replacement housing and care, if applicable, to those offered at the facility that is scheduled for closure, and whether the facilities have immediate openings available to residents of the closing facility.

(g) A description of how the facility will comply with the requirements of Section 1793.82. The plan shall describe or identify the replacement facility or facilities and the procedure by which a resident can select a replacement facility. In no case shall the plan for replacement housing require a resident to pay more than he or she is presently paying for comparable housing and care, other than normal rate increases. Any proposed monetary

1 compensation shall be fair and reasonable and shall represent the
2 estimated cost to the resident of securing comparable replacement
3 housing and care under terms similar to the contract between
4 resident and provider.

5 (h) A statement regarding the availability of a licensed medical
6 or geriatric professional to advise the resident, the resident's
7 representative, and the provider regarding the transfer of the
8 resident. Upon request by the resident or the resident's
9 representative, the provider shall make available the services of a
10 licensed medical or geriatric professional to advise the resident,
11 the resident's representative, and the provider regarding the transfer
12 of the resident. The provider may place a reasonable limit on the
13 cost of the services of the medical or geriatric professional.

14 1793.82. (a) In the case of a permanent closure, the provider
15 shall offer the resident the choice of the following four options,
16 the terms of which shall not be less than the terms of the continuing
17 care contract entered into between the resident and the provider
18 as if that contract had been fully performed:

19 (1) Relocation to another continuing care facility owned or
20 operated by the provider, if available.

21 (2) Relocation to a continuing care facility that is not owned by
22 the provider.

23 (3) Monetary compensation equal to the value of the remainder
24 of the contract as if the contract had been fully performed.

25 (4) An alternative arrangement that is mutually agreed upon by
26 the provider and the resident or his or her representative.

27 (b) Replacement housing offered pursuant to paragraph (1) or
28 (2) of subdivision (a) shall be housing that is, overall, comparable
29 in cost, size, services, features, and amenities to the unit being
30 vacated. If the resident chooses either of the replacement housing
31 options in paragraph (1) or (2) of subdivision (a), the provider shall
32 provide the reasonable costs of moving, storage, if applicable, and
33 transportation.

34 (c) Notwithstanding subdivision (a), for a resident under a life
35 care contract, the provider shall secure replacement housing and
36 care at a comparable facility for the resident at no additional cost
37 to the resident. The replacement housing and care shall comply
38 with subdivision (l) of Section 1771 and subdivision (b) of Section
39 1788.

(d) The provider may provide relocation pursuant to paragraph (2) of subdivision (a) on a month-to-month basis, provided that the terms are otherwise consistent with subdivision (a). After 120 days, a resident selecting a facility not owned by the provider may not seek monetary compensation pursuant to paragraph (3) of subdivision (a).

1793.83. (a) When there is a permanent closure, as defined in paragraph (3) of subdivision (p) of Section 1771, within 30 days of submitting the relocation plan to the department, the provider shall fund a reserve, set up a trust fund, or secure a performance bond to ensure the fulfillment of the obligations and commitments associated with the relocation plan. The amount of the reserve trust fund or performance bond shall be equal to or greater than the estimated costs of relocating residents and the costs associated with the relocation options pursuant to Section 1793.81 and subdivision (a) of Section 1793.82.

(b) The reserve, trust fund, or performance bond shall be funded with qualifying assets enumerated in paragraphs (1) to (5), inclusive, of subdivision (a) of Section 1792.2 and shall not be subject to any liens, judgments, garnishments, or creditor's claims.

1793.84. (a) The provider shall submit monthly progress reports to the department detailing the progress and problems associated with the permanent closure, as defined in paragraph (3) of subdivision (p) of Section 1771, until all affected residents are relocated and all required payments to, or on behalf of, affected residents are made.

(b) The department shall monitor the *permanent* implementation of the closure as defined in ~~either paragraph (6) of subdivision (c) or paragraph (1) of subdivision (t), paragraph (3) of subdivision (p) of Section 1771, whichever is applicable,~~ and relocation plan as necessary to ensure full compliance by the provider. If the department determines that a provider is closing a facility in violation of this article or is doing so in a manner that endangers the health or safety of residents, it shall exercise its powers under Article 7 (commencing with Section 1793.5).
