CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

**ASSEMBLY BILL**

**No. 1052**

---

**Introduced by Assembly Member Caballero**

February 27, 2009

---

An act to amend Section 7360 of, and to repeal and add Section 7363 of, the Fish and Game Code, relating to sport fishing.

LEGISLATIVE COUNSEL'S DIGEST

AB 1052, as amended, Caballero. Bay-Delta Sport Fishing Enhancement Stamp.

Existing law prohibits a person from sport fishing in the tidal waters of the San Francisco Bay Delta and the main stem of the Sacramento and San Joaquin Rivers, including major tributaries, below the most downstream dam, unless he or she first obtains a Bay-Delta Sport Fishing Enhancement Stamp or validation and affixes that stamp or validation to a valid sport fishing license. Existing law requires the Department of Fish and Game or an authorized license agent to issue a Bay-Delta Sport Fishing Enhancement Stamp or validation upon payment of a prescribed fee. Existing law requires the funds generated by the imposition of these fees to be deposited in a separate account in the Fish and Game Preservation Fund, to be used solely for the long-term, sustainable benefit of the primary Bay-Delta sport fisheries, as specified. Existing law requires the director to appoint a 9 member Bay-Delta Sport Fishing Enhancement Stamp Fund Advisory Committee to recommend to the department projects and budgets for the expenditure of fee revenue. Those provisions are repealed as of January 1, 2010.

This bill would delete that repeal, and, instead, make the stamp or validation requirement inoperative as of January 1, ~~2010~~ 2015. The bill

would require the department to implement various provisions related to expenditures from the account, and by ~~an unspecified date~~ January 1, 2011, to prepare and submit to the Legislature a report on the steps taken by the department to comply with those provisions. The bill would require the department, in consultation with the advisory committee, to determine appropriate projects for expenditure of the balance of funds in the account, as prescribed. *The bill would prohibit expenditures from the account for a project unless the department and a majority of the members of the advisory committee approve the expenditure.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
