

ASSEMBLY BILL

No. 1090

Introduced by Assembly Member Monning

February 27, 2009

An act to amend Section 1281.85 of the Code of Civil Procedure, relating to arbitration.

LEGISLATIVE COUNSEL'S DIGEST

AB 1090, as introduced, Monning. Arbitration.

Existing law requires a person serving as a neutral arbitrator pursuant to an arbitration agreement to comply with the ethics standards for arbitrators adopted by the Judicial Council. Existing law also specifies that these provisions do not apply to an arbitration conducted pursuant to the terms of a public or private sector collective bargaining agreement.

This bill would specify that these ethics requirements and standards are nonnegotiable and shall not be waived.
