

ASSEMBLY BILL

No. 1469

Introduced by Assembly Member Villines

February 27, 2009

An act to amend Section 4651.2 of the Labor Code, relating to workers' compensation.

LEGISLATIVE COUNSEL'S DIGEST

AB 1469, as introduced, Villines. Workers' compensation.

Existing law establishes a workers' compensation system to compensate an employee for injuries sustained in the course of employment. Under this system, the Workers' Compensation Appeals Board has jurisdiction to determine these claims. Existing law prohibits petitions filed with the appeals board concerning a continuing temporary disability award from being granted while the injured worker is pursuing a rehabilitation plan.

This bill would make technical, nonsubstantive changes to this provision.
