AMENDED IN ASSEMBLY MAY 28, 2010

CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 1593

Introduced by Assembly Members Yamada and Knight
(Coauthor: Senator Alquist)

January 4, 2010

An act to amend Section 14043.46 of the Welfare and Institutions Code, relating to adult day health care centers.

LEGISLATIVE COUNSEL'S DIGEST

AB 1593, as amended, Yamada. Adult day health care centers.

The California Adult Day Health Care Act provides for the licensure and regulation of adult day health care centers, with administrative responsibility for the adult day health care program shared among the State Department of Public Health, the State Department of Health Care Services, and the California Department of Aging pursuant to an interagency agreement.

The Adult Day Health Medi-Cal Law establishes adult day health care services as a Medi-Cal benefit for Medi-Cal beneficiaries who meet certain criteria. Under existing law, participation in an adult day health care program requires prior authorization by the State Department of Health Care Services.

Existing law authorizes the State Department of Health Care Services to implement a moratorium on the certification and enrollment into the Medi-Cal program of new adult day health care centers on a statewide basis or within a geographic area, subject to certain limitations. Existing law provides that the moratorium shall not apply to certain applicants.

This bill would add 2 specified veterans homes of California to the list of applicants that are not subject to the moratorium, and also would make technical, nonsubstantive changes to these provisions.

This bill would provide that it would be implemented only to the extent that funds for its purposes are appropriated in the annual Budget Act.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
