AMENDED IN ASSEMBLY MARCH 25, 2010
CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 1744

Introduced by Assembly Member Portantino

February 8, 2010

An act to amend Section 19635 of, and to add Chapter 10.4 (commencing with Section 3524.1) to Division 4 of Title 1 of, the Government Code, relating to public employees.

LEGISLATIVE COUNSEL'S DIGEST

AB 1744, as amended, Portantino. Public employees: rights.

The existing Bill of Rights for State Excluded Employees prescribes various rights and terms and conditions of employment for excluded employees, defined as certain supervisory, managerial, and confidential state employees.

This bill would enact the Public Employees' Bill of Rights Act that would apply to state employees other than excluded employees. The stated purpose of this act would be to inform public employees of their rights and terms of employment in order to promote harmonious personnel relations between public employees and their employers. This bill would, among other things, provide that state employees shall be entitled to full salary and benefits earned for work performed even when the annual Budget Act is not timely enacted *priority over excluded employees or contractors in filling permanent, overtime, and on-call positions*. This bill would also authorize the formation of peer review committees for professional staff to provide input regarding workplace operations.

Existing law requires notice of any adverse action against any state employee for any cause for discipline based on any civil service law to be served within 3 years after the cause for discipline, upon which the notice is based, first arose. Existing law declares adverse action based on fraud, embezzlement, or the falsification of records valid, if notice of the adverse action is served within 3 years after the discovery of the fraud, embezzlement, or falsification.

This bill would require notice of the adverse action to be served and the investigation to be completed within one year after the cause for discipline first arose in order for an adverse action to be valid against any state employee for any cause for discipline based on any civil service law of this state.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
