

ASSEMBLY BILL

No. 1747

Introduced by Assembly Member Galgiani

February 8, 2010

An act to amend Section 185036 of the Public Utilities Code, relating to high-speed rail.

LEGISLATIVE COUNSEL'S DIGEST

AB 1747, as introduced, Galgiani. High-Speed Rail Authority.

Existing law creates the High-Speed Rail Authority with specified powers and duties relating to the development and implementation of an intercity high-speed rail system. Existing law, pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, authorizes \$9.95 billion in general obligation bonds for high-speed rail development and other related purposes.

This bill would authorize the authority to consider, to the extent permitted by federal and state law, the creation of jobs in California when awarding major contracts or purchasing high-speed trains, as specified.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 185036 of the Public Utilities Code is
- 2 amended to read:
