

AMENDED IN ASSEMBLY APRIL 28, 2010

AMENDED IN ASSEMBLY APRIL 5, 2010

CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 1876

Introduced by Assembly Member Torlakson

February 16, 2010

An act to amend Sections 8483, 8483.1, and 8484.8 of the Education Code, relating to before and after school programs.

LEGISLATIVE COUNSEL'S DIGEST

AB 1876, as amended, Torlakson. Education: After School Education and Safety Program.

Existing law establishes the After School Education and Safety Program for public and charter schools to create incentives for establishing before and after school enrichment programs that partner schools and communities to provide academic and literacy support and safe, constructive alternatives for youth.

This bill would authorize administrators of an After School Education and Safety Program to provide activities on weekends. Costs associated with weekend activities would be paid from a program's maximum grant or supplemental grant, as specified. Except as provided, participation of pupils in the weekend activities would not be included in the attendance reported to the State Department of Education for the calculation of either the maximum grant amount or a supplemental grant amount.

Existing law makes specified federal funds available for expenditure for specified educational purposes in the annual Budget Act. One purpose authorized is the funding of programs serving elementary and

middle school pupils that may operate during regular school days for a minimum of 15 hours per week and any combination of summer, intersession, or vacation periods for a minimum of 3 hours per day for the regular school year. A program receiving a grant is not assured of grant renewal from future state or federal funding at the conclusion of the grant period.

This bill would require that priority for funding to replace expiring grants be given to programs that ~~previously received funding and~~ have satisfactorily met projected pupil outcomes, as specified.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 8483 of the Education Code is amended
2 to read:

3 8483. (a) (1) Every after school component of a program
4 established pursuant to this article shall commence immediately
5 upon the conclusion of the regular schoolday, and operate a
6 minimum of 15 hours per week, and at least until 6 p.m. on every
7 regular schoolday. Every after school component of the program
8 shall establish a policy regarding reasonable early daily release of
9 pupils from the program. For those programs or schoolsites
10 operating in a community where the early release policy does not
11 meet the unique needs of that community or school, or both,
12 documented evidence may be submitted to the department for an
13 exception and a request for approval of an alternative plan.

14 (2) It is the intent of the Legislature that elementary school
15 pupils participate in the full day of the program every day during
16 which pupils participate and that pupils in middle school or junior
17 high school attend a minimum of nine hours a week and three days
18 a week to accomplish program goals.

19 (3) In order to develop an age-appropriate after school program
20 for pupils in middle school or junior high school, programs
21 established pursuant to this article may implement a flexible
22 attendance schedule for those pupils. Priority for enrollment of
23 pupils in middle school or junior high school shall be given to
24 pupils who attend daily.

25 (b) The administrators of a program established pursuant to this
26 article have the option of operating during any combination of

1 summer, intersession, or vacation periods for a minimum of three
2 hours per day for the regular school year pursuant to Section
3 8483.7.

4 (c) The administrators of a program established pursuant to the
5 article may provide activities on weekends. Costs associated with
6 weekend activities shall be paid from the maximum grant or the
7 supplemental grant awarded pursuant to Section 8483.7. Except
8 for programs funded by the federal 21st Century Community
9 Learning Centers program, the participation of pupils in the
10 weekend activities shall not be included in the attendance reported
11 to the department for the calculation of either the maximum grant
12 amount or a supplemental grant amount pursuant to Section 8483.7.

13 SEC. 2. Section 8483.1 of the Education Code is amended to
14 read:

15 8483.1. (a) (1) Every before school program component
16 established pursuant to this article shall in no instance operate for
17 less than one and one-half hours per regular schoolday. Every
18 program shall establish a policy regarding reasonable late daily
19 arrival of pupils to the program.

20 (2) (A) It is the intent of the Legislature that elementary school
21 pupils participate in the full day of the program every day during
22 which pupils participate and that pupils in middle school or junior
23 high school attend a minimum of six hours a week or three days
24 a week to accomplish program goals, except when arriving late in
25 accordance with the late arrival policy described in paragraph (1)
26 or as reasonably necessary.

27 (B) A pupil who attends less than one-half of the daily program
28 hours shall not be counted for the purposes of attendance.

29 (3) In order to develop an age-appropriate before school program
30 for pupils in middle school or junior high school, programs
31 established pursuant to this article may implement a flexible
32 attendance schedule for those pupils. Priority for enrollment of
33 pupils in middle school or junior high school shall be given to
34 pupils who attend daily.

35 (b) The administrators of a before school program established
36 pursuant to this article shall have the option of operating during
37 any combination of weekends, summer, intersession, or vacation
38 periods for a minimum of two hours per day for the regular school
39 year pursuant to Section 8483.75.

(c) Every before school program component established pursuant to this article shall offer a breakfast meal as described by Section 49553 for all program participants.

SEC. 3. Section 8484.8 of the Education Code is amended to read:

8484.8. In accordance with Part B of Title IV of the federal No Child Left Behind Act of 2001 (P.L. 107-110), funds appropriated in Item 6110-197-0890 of Section 2.00 of the Budget Act of 2002 are available for expenditure as follows, with any subsequent allocations for these purposes to be determined in the annual Budget Act:

(a) Beginning with the 2006–07 fiscal year, 5 percent of the federal funds appropriated through this article shall be available to the department for purposes of providing technical assistance, evaluation, and training services, and for contracting for local technical assistance, for carrying out programs related to 21st Century Community Learning Centers programs.

(1) The department shall provide directly, or contract for, technical assistance for new programs and any program that is not meeting attendance or performance goals, or both, and requests that assistance.

(2) (A) Training and support shall include, but is not limited to, the development and distribution of voluntary guidelines for physical activity programs established pursuant to paragraph (2) of subdivision (c) of Section 8482.3, that expand the learning opportunities of the schoolday.

(B) The department shall distribute these voluntary guidelines for physical activity programs on or before July 1, 2009.

(b) (1) At least 10 percent of the total amount appropriated pursuant to this article, after funds have been allocated pursuant to subdivision (a), shall be available for direct grants for either of the following purposes:

(A) Grants to provide equitable access and participation in community learning center programs, in an amount not to exceed twenty-five thousand dollars (\$25,000) per site, per year, according to needs determined by the local community.

(B) Grants to provide family literacy services, in an amount not to exceed twenty thousand dollars (\$20,000) per site, per year, for schoolsites that identify such a need for families of 21st Century Community Learning Centers program pupils, and that demonstrate

1 a fiscal hardship by certifying that existing resources, including,
2 but not limited to, funding for Title III of the federal No Child Left
3 Behind Act of 2001, Chapter 3 (commencing with Section 300)
4 of Part 1, adult education, community college, and the federal Even
5 Start Program are not available or are insufficient to serve these
6 families. An assurance that the funds received pursuant to this
7 subdivision are expended only for those services and supports for
8 which they were granted shall be required.

9 (2) For the purposes of subparagraph (A) of paragraph (1), the
10 department shall determine the requirements for eligibility for a
11 grant, consistent with the following:

12 (A) Consistent with the local partnership approach inherent in
13 Article 22.5 (commencing with Section 8482), grants awarded
14 under this subdivision shall provide supplemental assistance to
15 programs. It is not intended that a grant fund the full anticipated
16 costs of the services provided by a community learning center
17 program.

18 (B) In determining the need for a grant pursuant to this
19 subdivision, the department shall base its determination on a needs
20 assessment and a determination that existing resources are not
21 available to meet these needs, including, but not limited to, a
22 description of how the needs, strengths, and resources of the
23 community have been assessed, currently available resources, and
24 the justification for additional resources for that purpose.

25 (C) The department shall award grants for a specific purpose,
26 as justified by the applicant.

27 (3) To be eligible to receive a grant under this subdivision, the
28 designated public agency representative for the applicant shall
29 certify that an annual fiscal audit will be conducted and that
30 adequate, accurate records will be kept. In addition, each applicant
31 shall provide the department with the assurance that funds received
32 under this subdivision are expended only for those services and
33 supports for which they are granted. The department shall require
34 grant recipients to submit annual budget reports, and the department
35 may withhold funds in subsequent years if direct grant funds are
36 expended for purposes other than as awarded.

37 (4) The department shall require grant recipients to submit
38 quarterly expenditure reports, and the department may withhold
39 funds in subsequent years if access or literacy grant funds are
40 expended for purposes other than as granted.

1 (c) At least 50 percent of the total amount appropriated pursuant
2 to this article, after funds have been allocated pursuant to
3 subdivision (a), shall be allocated on a priority basis for direct
4 grants to community learning centers serving high school pupils
5 funded pursuant to Section 8421.

6 (d) Grant awards under this section shall be restricted to those
7 applications that propose primarily to serve pupils that attend
8 schoolwide programs, as described in Title I of the federal No
9 Child Left Behind Act of 2001. Competitive priority shall be given
10 to applications that propose to serve children and youth in schools
11 designated as being in need of improvement under subsection (b)
12 of Section 6316 of Title 20 of the United States Code, and that are
13 jointly submitted by school districts and community-based
14 organizations.

15 (e) (1) At least 40 percent of the total amount appropriated
16 pursuant to this article, after funds have been allocated pursuant
17 to subdivision (a), shall be allocated to programs serving
18 elementary and middle school pupils. The administrators of a
19 program established pursuant to this article may operate during
20 regular schooldays for a minimum of 15 hours per week and any
21 combination of summer, intersession, or vacation periods for a
22 minimum of three hours per day for the regular school year
23 pursuant to Section 8483.7. Grantees administering comprehensive
24 programs established pursuant to Section 8482.3 are also eligible
25 for funding for summer, intersession, or vacation periods pursuant
26 to this section.

27 (2) Core funding grants for programs serving middle and
28 elementary school pupils in before and after school programs shall
29 be allocated according to the same funding provisions, and subject
30 to the same reporting and accountability provisions, as described
31 in Sections 8483.7 and 8483.75.

32 (3) (A) Funding for a grant shall be allocated in annual
33 increments for a period not to exceed five years, subject to annual
34 reporting and recertification as required by the department. The
35 department shall establish a payment system to accommodate
36 upfront payments. The department shall notify new grantees, whose
37 grant awards are contingent upon the appropriation of funds for
38 those grants, in writing no later than May 15 of each year in which
39 new grants are awarded. A first-year grant award shall be made
40 no later than 60 days after enactment of the annual Budget Act

1 and any authorizing legislation. A grant award for the second and
2 subsequent fiscal years shall be made no later than 30 days after
3 enactment of the annual Budget Act and any authorizing legislation.
4 The grantee shall notify the department in writing of its acceptance
5 of the grant.

6 (B) For the first year of a grant, the department shall allocate
7 25 percent of the grant for that year no later than 30 days after the
8 grantee accepts the grant. For the second and subsequent years of
9 the grant, the department shall allocate 25 percent of the grant for
10 that year no later than 30 days after the annual Budget Act becomes
11 effective. The grantee shall not use more than 15 percent of an
12 annual grant award for administrative costs.

13 (C) In addition to the funding allowed for administrative costs
14 under subparagraph (B), up to 15 percent of the initial annual grant
15 award for each core grant recipient may be utilized for startup
16 costs.

17 (D) Under no circumstance shall funding made available
18 pursuant to subparagraphs (B) and (C) result in an increase in the
19 total funding of a grantee above the approved grant amount.

20 (4) A grantee shall identify the federal, state, and local programs
21 that will be combined or coordinated with the proposed program
22 for the most effective use of public resources, and shall prepare a
23 plan for continuing the program beyond federal grant funding.

24 (5) A grantee shall submit semiannual attendance data and
25 results to facilitate evaluation and compliance in accordance with
26 provisions established by the department.

27 (6) A program receiving a grant under this subdivision is not
28 assured of grant renewal from future state or federal funding at
29 the conclusion of the grant period. However, priority for funding
30 pursuant to this subdivision shall be given to programs ~~that~~
31 ~~previously received funding pursuant to this subdivision, to replace~~
32 *with* expiring grants if those programs have satisfactorily met
33 projected pupil outcomes pursuant to subdivision (a) of Section
34 8484.

35 (f) A total annual grant award for core funding and direct grants
36 for a site serving elementary or middle school pupils shall be fifty
37 thousand dollars (\$50,000) per year or more, consistent with federal
38 requirements.

39 (g) Notwithstanding any other provision of law, and contingent
40 upon the availability of funding, the department may adjust the

1 core grant cap of any grantee based upon one or both of the
2 following:

3 (1) Amendments made to this section by Chapter 555 of the
4 Statutes of 2005.

5 (2) The demonstrated pupil attendance pattern of the grantee.
6 The department may adjust grant awards pursuant to subparagraph
7 (A) of paragraph (1) of subdivision (a) of Section 8483.7.

8 (h) Funds received but unexpended under this article may be
9 carried forward to subsequent years consistent with federal
10 requirements. In year one, the full grant may be retained.

11 (i) If funds remain after all of the priority allocations required
12 pursuant to subdivisions (a), (b), (c), and (e) have been made, the
13 department may use that money to fund additional qualified grant
14 applications under subdivision (c), in order to ensure that all federal
15 funds received for these purposes are expended for these purposes.
16 If funds remain after additional qualified grant applications are
17 approved for funding pursuant to subdivision (c), the department
18 may award the remaining funds for additional qualified grant
19 applications pursuant to subdivisions (b) and (e).

20 (j) This article shall be operative only to the extent that federal
21 funds are made available for the purposes of this article. It is the
22 intent of the Legislature that this article not be considered a
23 precedent for general fund augmentation of either the ~~state~~
24 ~~administered~~ *state-administered*, federally funded program of this
25 article, or any other ~~state-funded~~ *state-funded* before or after school
26 program.
