No. 1956

Introduced by Assembly Member Monning

February 17, 2010

An act to amend Section 19348 of, *and to add Section 19348.2 to*, the Food and Agricultural Code, relating to wildlife.

LEGISLATIVE COUNSEL'S DIGEST

AB 1956, as amended, Monning. California condors: feeding.

Existing law authorizes the Department of Fish and Game to implement programs to preserve California condors.

Existing law generally prohibits the transport of a dead animal by a dead animal hauler or any other person to any place other than prescribed locations, except under certain circumstances, including transport pursuant to prescribed waivers or permits.

This bill would exempt from that prohibition a nonprofit organization *promoting the recovery of California condors* that participates in a memorandum of understanding with the department to ~~promote the recovery of California condors, when engaged in providing~~ *provide* food for free-ranging California condors *and possesses an annual permit*

for the transport of dead animals that this bill would authorize the Secretary of Food and Agriculture to issue to such an organization.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
