ASSEMBLY BILL No. 2110

Introduced by Assembly Member De La Torre

February 18, 2010

An act to amend Sections 10291.5 and 10350.3 of the Insurance Code, relating to disability insurance.

LEGISLATIVE COUNSEL'S DIGEST

AB 2110, as introduced, De La Torre. Disability insurance: premium payments: grace periods.

Existing law provides for the regulation of disability insurers by the Department of Insurance and requires disability insurance policies to include a provision setting forth a grace period for making premium payments. Under existing law, the grace period must equal no less than 7 days for weekly premium policies, no less than 10 days for monthly premium policies, and no less than 31 days for all other policies. Existing law prohibits the Insurance Commissioner from approving a policy for issuance or delivery, and authorizes the commissioner to withdraw approval of the policy, if it fails to meet these requirements.

This bill would extend the minimum grace period for policies, other than weekly premium policies, to 50 days.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

(2) If it contains any provision for payment at a rate, or in an amount (other than the product of rate times the periods for which payments are promised) for loss caused by particular event or events (as distinguished from character of physical injury or illness of the insured) more than triple the lowest rate, or amount, promised in the policy for the same loss caused by any other event or events (loss caused by sickness, loss caused by accident, and different degrees of disability each being considered, for the purpose of this paragraph, a different loss); or if it contains any provision for payment for any confining loss of time at a rate more than six times the least rate payable for any partial loss of time or more than twice the least rate payable for any nonconfining total loss of time; or if it contains any provision for payment for any nonconfining total loss of time at a rate more than three times the least rate payable for any partial loss of time.

(3) If it contains any provision for payment for disability caused by particular event or events (as distinguished from character of physical injury or illness of the insured) payable for a term more than twice the least term of payment provided by the policy for the same degree of disability caused by any other event or events; or if it contains any benefit for total nonconfining disability payable for lifetime or for more than 12 months and any benefit for partial disability, unless the benefit for partial disability is payable for at least three months; or if it contains any benefit for total confining disability payable for lifetime or for more than 12 months, unless it also contains benefit for total nonconfining disability caused by

the same event or events payable for at least three months, and, if it also contains any benefit for partial disability, unless the benefit for partial disability is payable for at least three months. The provisions of this paragraph shall apply separately to accident benefits and to sickness benefits.

(4) *(A)* If it contains provision or provisions which would have the effect, upon any termination of the policy, of reducing or ending the liability as the insurer would have, but for the termination, for loss of time resulting from accident occurring while the policy is in force or for loss of time commencing while the policy is in force and resulting from sickness contracted while the policy is in force or for other losses resulting from accident occurring or sickness contracted while the policy is in force, and also contains provision or provisions reserving to the insurer the right to cancel or refuse to renew the policy, unless it also contains other provision or provisions the effect of which is that termination of the policy as the result of the exercise by the insurer of any such right shall not reduce or end the liability ~~in~~ *with* respect to the hereinafter specified losses as the insurer would have had under the policy, including its other limitations, conditions, reductions, and restrictions, had the policy not been so terminated.

~~The~~

(5) If by any caption, label, title, or description of contents the policy states, implies, or infers without reasonable qualification that it provides loss of time indemnity for lifetime, or for any period of more than two years, if the loss of time indemnity is made payable only when house confined or only under special contingencies not applicable to other total loss of time indemnity.

(6) If it contains any benefit for total confining disability payable only upon condition that the confinement be of an abnormally restricted nature unless the caption of the part containing ~~any such~~ *that* benefit is accurately descriptive of the nature of the confinement required and unless, if the policy has a description of contents, label, or title, at least one of them contain reference to the nature of the confinement required.

(7) (A) If, irrespective of the premium charged therefor, any benefit of the policy is, or the benefits of the policy as a whole are, not sufficient to be of real economic value to the insured.

(B) In determining whether benefits are of real economic value to the insured, the commissioner shall not differentiate between insureds of the same or similar economic or occupational classes and shall give due consideration to all of the following:

(i) The right of insurers to exercise sound underwriting judgment in the selection and amounts of risks.

(ii) Amount of benefit, length of time of benefit, nature or extent of benefit, or any combination of those factors.

(iii) The relative value in purchasing power of the benefit or benefits.

(8) If it substitutes a specified indemnity upon the occurrence of accidental death for any benefit of the policy, other than a specified indemnity for dismemberment, which would accrue prior to the time of that death, or if it contains any provision ~~which~~ *that* has the effect, other than at the election of the insured exercisable within not less than 20 days in the case of benefits specifically

(B) Of substituting, upon the occurrence of any other dismemberment some specified indemnity for any or all benefits under the policy unless the indemnity so specified is equal to or greater than one-fourth of the total of the benefit or benefits for which the specified indemnity is substituted and which, assuming in all cases that the insured would continue to live, could possibly accrue within four years from the date of the dismemberment under all other provisions of the policy applicable to the particular event or events (as distinguished from character of physical injury or illness) causing the dismemberment.

(C) Of substituting a specified indemnity upon the occurrence of any dismemberment for any benefit of the policy which would accrue prior to the time of dismemberment.

(12) If it does not contain provision for a grace period ~~of at least the number of days specified below~~ for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force ~~provided, that the grace period to be included in the policy shall be not less than~~, *of at least* seven days for policies providing for weekly payment of premium~~,~~ ~~not less than 10~~ *and at least 50* days for ~~policies providing for monthly payment of premium and not less than 31 days for~~ all other policies.
