(Coauthor: Assembly Member Garrick)

February 19, 2010

An act to amend Sections 11343.4 and 11349.3 of, and to add Section 11349.35 to, the Government Code, relating to regulations.

LEGISLATIVE COUNSEL'S DIGEST

AB 2466, as amended, Smyth. Regulations: legislative validation: effective date.

Existing law, the Administrative Procedure Act, governs the procedure for the adoption, amendment, or repeal of regulations by state agencies and for the review of those regulatory actions by the Office of Administrative Law. Existing law requires the office to transmit a copy of a regulation to the Secretary of State for filing if the office approves the regulation or fails to act on it within 30 days. Existing law provides that a regulation or an order of repeal of a regulation becomes effective on the 30th day after it is filed with the Secretary of State, unless prescribed conditions occur.

This bill would require the office to also submit to the Legislature for review a copy of ~~any~~ *each* regulation that it submits to the Secretary of State. This bill would also require that a regulation become effective on the 90th day after it is filed with the Secretary of State, unless prescribed conditions occur.

This bill would require the Legislature to refer a copy of every regulation submitted to it by the office to an appropriate policy committee for review of its consistency with the intent of the Legislature

in regard to the statute that authorizes the particular regulation and to offer recommendations as to whether the regulation should be repealed by statute.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
