An act to amend Section 7074.2 of the Government Code, relating to enterprise zones.

LEGISLATIVE COUNSEL'S DIGEST

AB 2636, as introduced, Logue. Enterprise zones.

The Enterprise Zone Act provides for the designation of enterprise zones by the Department of Community Housing and Development, based on the department's approval of applications from a city, county, or city and county with a geographic area meeting certain criteria. Existing law provides that specified entities within a designated enterprise zone may receive regulatory, tax, and other incentives for private investment and employment. Existing law prohibits the existence of more than 42 enterprise zones at any one time.

This bill would make nonsubstantive, technical changes in these provisions.
