LEGISLATIVE COUNSEL'S DIGEST

SB 47, as introduced, Dutton. Income tax: health savings account.

The Personal Income Tax Law authorizes various deductions in computing income that is subject to tax under that law.

This bill would allow a deduction in connection with health savings accounts in conformity with federal law for each tax year beginning on or after January 1, 2010. In general, the deduction would be an amount equal to the aggregate amount paid in cash during the taxable year by, or on behalf of, an eligible individual, as defined, to a health savings account of that individual, as provided. This bill would also provide related conformity to that federal law for each tax year beginning on or after January 1, 2010, with respect to treatment of the account as a tax-exempt trust, the allowance of rollovers from Archer Medical Savings Accounts, health flexible spending arrangements, or health reimbursement accounts to a health savings account, and penalties in connection therewith.

The California Constitution authorizes the Governor to declare a fiscal emergency and to call the Legislature into special session for that purpose. The Governor issued a proclamation declaring a fiscal

emergency, and calling a special session for this purpose, on January 8, 2010.

This bill would state that it addresses the fiscal emergency declared by the Governor by proclamation issued on January 8, 2010, pursuant to the California Constitution.

This bill would take effect immediately as a tax levy.
