Fiscal committee: yes.

- 1 WHEREAS, In the 1850s, volunteers built the Old Bull Trail
2 from what is today the City of Calistoga over Mount St. Helena
3 in Napa County to what is today Middletown in Lake County; and
4 WHEREAS, Due to grades exceeding 35 percent along the Old
5 Bull Trail, which prevented wagon travel, the Legislature, in 1866,
6 authorized John Lawley to construct a private toll road to replace
7 most of the Old Bull Trail starting approximately 1.5 miles north
8 of the City of Calistoga; and
9 WHEREAS, The toll road over Mount St. Helena was completed
10 in 1868 with grades of just 12 percent. This toll road is still in use

1 today as a public road and is known both as the “Old Toll Road”
2 and as “Lawley Road”; and

3 WHEREAS, In 1872, John Lawley, along with William
4 Montgomery and William Patterson, founded the Monitor Ledge
5 Mine on Mount St. Helena just off the Old Toll Road and later
6 renamed that mine and the surrounding community “Silverado”;
7 and

8 WHEREAS, During one point in its short three-year life, the
9 mining town of Silverado housed over 1,000 people. Many more
10 people came and went during that time in search of fortunes, every
11 one of whom traveled the toll road and the 1.5 mile remnant of the
12 Old Bull Trail that connected that toll road to Calistoga and to the
13 rest of the Napa Valley; and

14 WHEREAS, In the summer of 1880, a young author, running
15 low on cash, and his new bride left their honeymoon suite in the
16 resort town of Calistoga to become squatters in the mining town
17 of Silverado, which had been abandoned five years earlier; and

18 WHEREAS, One hundred twenty-five years ago, Robert Louis
19 Stevenson’s *The Silverado Squatters*, a travelogue detailing the
20 young author’s trip to Napa Valley, was published for the first
21 time; and

22 WHEREAS, In *The Silverado Squatters*, the best-selling author
23 of *Treasure Island* and *Strange Case of Dr. Jekyll and Mr. Hyde*
24 introduced the world to the beauty of the Napa Valley and the
25 quality of its wine, famously describing it as “bottled poetry”; and

26 WHEREAS, In a chapter of *The Silverado Squatters* entitled
27 “Starry Drive,” Robert Louis Stevenson recounted the brilliant
28 night sky above the 1.5 mile remnant of the Old Bull Trail as he
29 rambled back to his honeymoon perch one summer evening. Few
30 roads have ever been described so vividly; and

31 WHEREAS, In 1921, a local farm bureau successfully petitioned
32 the County of Napa to name a series of rough roads and trails
33 running along the eastern spine of the Napa Valley, known
34 collectively as the “Old Back Road,” the Silverado Trail after the
35 mining town Robert Louis Stevenson made famous; and

36 WHEREAS, Although that collection of roads running along
37 Napa Valley’s eastern spine ended at Tubbs Lane just north of the
38 Old Toll Road, the County of Napa ended the newly named
39 Silverado Trail 1.5 miles short of the Old Toll Road because the
40 county was making arrangements to turn that 1.5 mile stretch of

1 road over to the state to incorporate it into a new modern highway
2 to be built by Lake County; and

3 WHEREAS, As a result of Napa County's decision to
4 incorporate this stretch of historic road into a modern highway,
5 the history of this pioneer pathway, Robert Louis Stevenson's
6 "Starry Drive" and the last leg of the trail to Silverado, has been
7 lost until now; and

8 WHEREAS, That stretch of road predates John Lawley's Old
9 Toll Road, was originally built by California pioneers in the 1850s,
10 shortly after California's statehood, as part of the Old Bull Trail,
11 and is now memorialized by a historical marker in Middletown,
12 Lake County; and

13 WHEREAS, That stretch of road also predates the City of
14 Calistoga, which was formed in 1867, and Lake County, which
15 was carved out of Napa County in 1861; now, therefore, be it

16 *Resolved by the Senate of the State of California, the Assembly*
17 *thereof concurring*, That the forgotten last leg of the trail to
18 Silverado, the portion of State Highway Route 29 in Napa County
19 from post mile 37.9 to post mile 39.5, is recognized for its historical
20 importance in the development of California and particularly of
21 Napa and Lake Counties; and be it further

22 *Resolved*, That the portion of State Highway Route 29 from post
23 mile 37.9 to post mile 39.5 in Napa County is designated as ~~the~~
24 ~~Silverado Trail~~ *Robert Louis Stevenson's Historic Trail to*
25 *Silverado*; and be it further

26 *Resolved*, That the Department of Transportation is requested
27 to determine the cost of appropriate signs consistent with the
28 signing requirements for the state highway system showing this
29 special designation and, upon receiving donations from nonstate
30 sources covering that cost, to erect those signs; and be it further

31 *Resolved*, That the Secretary of the Senate transmit copies of
32 this resolution to the Department of Transportation and the author
33 for appropriate distribution.
