21 that has more than tripled since 1998 and has increased more than
22 12 times from what it was in 1987; and

23 WHEREAS, Many Californians are not adequately informed
24 about ASDs and the value and importance of early identification,
25 assessment, and treatment of these disorders; and

26 WHEREAS, Parents and family members have made invaluable
27 contributions through their commitment, care, and advocacy to
28 important advances in research, education, and treatment for
29 individuals with ASDs; and

30 WHEREAS, California has been the established leader in
31 providing services and supports for the early identification,
32 assessment, intervention, education, and treatment of individuals
33 with ASDs that began with the passage of landmark state legislation
34 such as the Lanterman Developmental Disabilities Service Act of
35 1969 and Assembly Bill 3854 (Chapter 1527 of the Statutes of
36 1974), relating to autism and public education; and

37 WHEREAS, In 2005, Senator Perata authored Senate Concurrent
38 Resolution 51 (Resolution Chapter 124 of the Statutes of 2005)
39 that established, with bipartisan backing, the Legislative Blue
40 Ribbon Commission on Autism; and

1 WHEREAS, In 2007, the Legislative Blue Ribbon Commission
2 on Autism submitted its report, “An Opportunity to Achieve Real
3 Change for Californians with Autism Spectrum Disorders,” which
